As previously disclosed, the registrant has undergone an internal investigation of certain accounting issues, following receipt of an informal inquiry from the Securities and Exchange Commission and is in the process of preparing restatements of its financials statements for fiscal years 2002 and 2003 and the first three fiscal quarters of 2004 and 2003. When the restatements are completed the registrant will be able to file its Form 10-K for its fiscal year ended September 25, 2004. The delay in filing the Form 10-K has resulted in the inability of the registrant to finalize its financial statements for its fiscal quarter ended December 25, 2004 and the related Form 10-Q. As a consequence, the registrant will not be able to file its Form 10-Q by the prescribed due date without unreasonable effort and expense.
