                            The Notes may be redeemed prior to maturity, as follows:  
                            Initial Redemption Date: N/A  
                            Initial Redemption Percentage: N/A  
                            Annual Redemption Percentage Reduction: N/A

The notes will be redeemable as a whole or in part, at our option, at any time, at a redemption price equal to the greater of (i) 100% of the principal amount of the notes and (ii) the sum of the present values of the remaining scheduled payments of principal and interest on such notes (exclusive of interest accrued to the date of redemption) discounted to the redemption date on a semiannual basis (assuming a 360-day year consisting of twelve 30-day months) at the Treasury Rate (as defined below), plus 15 (0.15%) basis points plus in each case accrued interest on such notes to the date of redemption.

□Treasury Rate□ means, with respect to any redemption date, the rate per annum equal to the semiannual equivalent yield to maturity, actual or interpolated (on a day count basis), of the Comparable Treasury Issue, assuming a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for such redemption date.

Edgar Filing: KIMCO REALTY CORP - Form 424B5

☐Comparable Treasury Issue☐ means the United States Treasury security selected by an Independent Investment Banker as having an actual or interpolated (on a day count basis) maturity comparable to the remaining term of the notes to be redeemed that would be used, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such notes.

USE OF PROCEEDS

We expect to receive net proceeds from this offering of approximately \$149 million after deducting the agents' discount and other estimated offering expenses. We intend to use the net proceeds from this offering for general corporate purposes and to repay a portion of the \$400 million currently outstanding under our U.S. revolving credit facility, which bears interest at a rate of LIBOR plus 45 basis points and is scheduled to expire in July 2008. A portion of this outstanding balance relates to the repayment of our \$50 million 7.68% Fixed Rate Notes, which matured on November 1, 2005 and repayment of our \$20 million 6.83% Fixed Rate Notes, which matured on November 14, 2005. Affiliates of certain of the agents are lenders under our U.S. revolving credit facility and will receive a pro rata portion of the net proceeds from this offering.
