ITEM 1.01. Entry into a Material Definitive Agreement.

On August 9, 2018, Synalloy Corporation (the “Company”) entered into an Equity Distribution Agreement (the “Equity Agreement”) with BB&T Capital Markets, a division of BB&T Securities, LLC, and Ladenburg Thalmann & Co. Inc. (each, an “Agent,” and together, the “Agents”) pursuant to which the Company may issue and sell, from time to time, shares (the “Shares”) of the Company’s common stock, par value \$1.00 per share (the “Common Stock”), with aggregate gross sales proceeds of up to \$10 million, through an “at-the-market” equity offering program under which the Agents will act as sales agent (the “ATM Program”).

Under the Equity Agreement, the Company will set the parameters for the sale of the Shares, including the number of Shares to be issued, the time period during which sales are requested to be made, limitations, if any, on the number of Shares that may be sold in any one trading day and any minimum price below which sales of Shares may not be made. Subject to the terms and conditions of the Equity Agreement, the Agents may sell the Shares by methods deemed to be an “at-the-market” offering as defined in Rule 415 promulgated under the Securities Act of 1933, as amended, including sales made through The Nasdaq Stock Market (“Nasdaq”) or any other trading market for the Common Stock, sales to or through a market maker, or in privately negotiated transactions. The Agents will use their commercially reasonable efforts in conducting such sales activities consistent with its customary trading and sales practices and applicable state and federal laws, rules and regulations and the rules of the Nasdaq.

The ATM Program will terminate upon the earlier of (1) the sale of an aggregate of \$10 million of Shares pursuant to the Equity Agreement or (2) the termination of the Equity Agreement. The Equity Agreement may be terminated by the Company or the Agents at any time upon three days’ prior written notice, and by the Agents at any time in certain circumstances, including if the Company fails to maintain a listing of the Common Stock on the Nasdaq or the occurrence of a material adverse change in the Company.

The Equity Agreement provides that the Agents will be entitled to compensation that will not exceed 2.0% of the gross proceeds from the sale of any Shares sold under the Equity Agreement. The Company has no obligation to sell any Shares under the Equity Agreement, and may at any time suspend solicitation and offers under the Equity Agreement.

The Shares will be issued pursuant to the Company’s registration statement on Form S-3 (File No. 333-204850) that was filed with the Securities and Exchange Commission (the “SEC”) and is effective. A copy of the prospectus included in the registration statement may be obtained on the SEC’s website at [www.sec.gov](http://www.sec.gov). The Company filed a prospectus supplement (the “Prospectus Supplement”), dated August 9, 2018, with the SEC in connection with the offer and sale of the Shares. A copy of the Prospectus Supplement may be obtained on the SEC’s website at [www.sec.gov](http://www.sec.gov).

This Current Report on Form 8-K shall not constitute an offer to sell or the solicitation of any offer to buy the securities discussed herein, nor shall there be any offer, solicitation or sale of the securities in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

The foregoing description of the material terms of the Equity Agreement is qualified in its entirety by reference to the full agreement, a copy of which is filed as Exhibit 1.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The legal opinion of Williams Mullen relating to the Shares that may be sold pursuant to the Equity Agreement is filed as Exhibit 5.1 to this Current Report on Form 8-K.

The consent of KPMG relating to the Prospectus Supplement is filed as Exhibit 23.2 to this Current Report on Form 8-K.

A copy of the Company's August 10, 2018 press release announcing the filing of the Prospectus Supplement is attached as Exhibit 99.1.
