(d) Exhibits.

The following exhibit is furnished with this report:

99.1 Press release issued November 8, 2018.

This press release and the November 8, 2018 conference call and webcast to discuss our financial results may contain forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Such forward-looking statements include all statements other than statements of historical fact, including forecasts of trends. These forward-looking statements are inherently difficult to predict. Actual results could differ materially for a variety of reasons, including the amount and timing of our capital expenditures, the significant increases in our marketing expenditures in the first half of 2018 and the subsequent reduction of those expenditures, the results of our ongoing review of strategic initiatives including the possible sale of our e-commerce business, adverse tax, regulatory or legal developments, competition, and any inability to raise capital or borrow funds on acceptable terms. Other risks and uncertainties include, among others, the risks of the businesses Medici Ventures and tZERO are pursuing, including whether tZERO's joint venture with Box Digital Markets, LLC, will be able to achieve its objectives, the effects of key business personnel moving from our retail business to our Medici Ventures, Inc. and tZERO businesses, our continually evolving business model, and difficulties we may have with our infrastructure, our fulfillment partners or our payment processors, including cyber-attacks or data breaches affecting us or any of them, and difficulties we may have with our search engine optimization results. More information about factors that could potentially affect our financial results is included in our Form 10-K for the year ended December 31, 2017, our Form 10-Q for the quarter ended March 31, 2018, and our Form 10-Q for the quarter ended June 30, 2018, which were filed with the Securities and Exchange Commission on March 15, 2018, May 8, 2018, and August 9, 2018, respectively, and in our subsequent filings with the Securities and Exchange Commission. The Form 10-K, 10-Q's, and our subsequent filings with the Securities and Exchange Commission identify important factors that could cause our actual results to differ materially from those contained in or contemplated by our projections, estimates and other forward-looking statements. Average order size is measured at the time of order, before promotional discounts and shipping revenue.
