below or by calling 1-800-421-4777. Stockholders who execute proxies retain the right to revoke them in person at the Annual Meeting or by written notice received by the Secretary of the Fund at any time before they are voted. Unrevoked proxies will be voted in accordance with the specifications thereon and, unless specified to the contrary, will be voted FOR the Election of Directors and FOR the approval of a new country advisory agreement. The close of business on March 2, 2001 has been fixed as the record date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. Each stockholder is entitled to one vote for each full share and an appropriate fraction of a vote for each fractional share held. On the record date there were 31,098,333 shares of the Fund's Common Stock outstanding.

In the event that a quorum is not present at the Annual Meeting, or in the event that a quorum is present but sufficient votes to approve any of the proposals are not received, the persons named as proxies may propose one or more adjournments of the Annual Meeting to a date not more than 120 days after the original record date to permit further solicitation of proxies. A stockholder vote may be taken on one or more of the proposals in this proxy statement prior to any such adjournment if sufficient votes have been received for approval. PROPOSAL 1: ELECTION OF DIRECTORS

In accordance with the Fund's Charter, the Fund's Board of Directors is divided into three classes: Class I, Class II and Class III. At the Annual Meeting, stockholders will be asked to elect one Class II and two Class III Directors to hold office until the 2003 and 2004 Annual Meetings of Stockholders, respectively, or thereafter when their respective successors are elected and qualified. The term of office of the Class I Directors expires at the Annual Meeting of Stockholders in 2002 or thereafter when their successors are elected and qualified. The effect of these staggered terms is to limit the ability of other entities or persons to acquire control of the Fund by delaying the replacement of a majority of the Board of Directors.

The persons named in the accompanying form of proxy intend to vote at the Annual Meeting (unless directed not to vote) FOR the election of the nominees listed below. Each nominee has indicated that he will serve if elected, but if either nominee should be unable to serve, the proxy will be voted for any other person determined by the persons named in the proxy in accordance with their judgment. Bryan McKigney and Howard M. Singer were elected to the Board of Directors by the directors of the Fund effective July 11, 2000.

The following table provides information concerning the nominees for election as directors:

The Fund's understanding is that the aggregate beneficial ownership of shares of the Fund by these affiliated entities is reflected in the Schedule 13G filed by City of London. Pursuant to this understanding, as of December 31, 2000, such ownership would be 2,589,450 shares, representing 8.18% of the outstanding shares of the Fund as of such date.

Mr. Kaye is Executive Director of CIBC World Markets Corp. ("CIBC World Markets") (1995-Present). Mr. Kaye previously served as Vice President of Oppenheimer & Co., Inc. (1986-1994).

Messrs. Kaye, McKigney and Singer also serve as officers of various other registered investment companies advised by Advantage or affiliates of CIBC World Markets.

The Fund's Audit Committee is composed entirely of Directors who are not "interested persons" of the Fund or of Advantage or its affiliates within the meaning of the 1940 Act, and who are "independent" as defined in the New York Stock Exchange listing standards. Currently, Messrs. Barber, Gelb, Rubio and Salacuse are members of the Audit Committee. The Audit Committee convened twice during the fiscal year ended December 31, 2000. The principal functions of the Audit Committee are to recommend to the Board the appointment of the Fund's independent accountants, to review with the independent accountants the scope, performance and anticipated cost of their audit and to receive and consider a report from the independent accountants concerning their conduct of the audit, including the form of the opinion proposed to be rendered and any comments or recommendations the independent accountants might want to make in that connection. The Fund adopted an Audit Committee Charter in February 2000, which

Edgar Filing: INDIA FUND INC /NY NEW - Form DEF 14A

was subsequently amended in May 2000. A copy of the Audit Committee Charter is attached to this Proxy Statement as Exhibit A.

The Audit Committee has received written disclosures and the letter required by Independence Standards Board Standard No. 1 from PricewaterhouseCoopers LLP ("PwC"), the Fund's independent accountants, and has discussed with PwC its independence. The Audit Committee has also reviewed and discussed the audited financial statements with Fund management and PwC, and discussed certain matters with PwC required to be discussed by Statements on Auditing Standards No. 61. Based on the foregoing, the Audit Committee recommended to the Board of Directors that the Fund's audited financial statements be included in the Fund's Annual Report for the fiscal year ended December 31, 2000.

The Fund's Nominating Committee, whose principal function is to recommend nominees for election as directors of the Fund, is composed of Messrs. Barber, Gelb, Rubio and Salacuse. This Committee held one meeting during the fiscal year ended December 31, 2000. The Nominating Committee will accept nominations for the office of director made by the stockholders in a written request addressed to the Secretary of the Fund which includes biographical data and sets forth the qualifications of the proposed nominee. The Fund has no compensation committee.

During the fiscal year ended December 31, 2000, the Board of Directors met five times. Each director attended at least 75% of the meetings of the Board or the committee of the Board on which he served.

Under the federal securities laws, the Fund is required to provide to stockholders in connection with the Annual Meeting information regarding compensation paid to directors by the Fund as well as by the various other U.S. registered investment companies advised by Advantage, Infrastructure Leasing and Financial Services Limited ("ILFS"), the Fund's country adviser, or affiliates thereof during the Fund's prior fiscal year. The following table provides information concerning the approximate compensation paid during the fiscal year ended December 31, 2000 to each director of the Fund. Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 and Section 30(h) of the 1940 Act in combination require the Fund's directors and officers, persons who own more than ten percent of the Fund's Common Stock, Advantage, ILFS, and its directors and officers, to file reports of ownership and changes in ownership of the Fund's securities with the Securities and Exchange Commission and the New York Stock Exchange, Inc. The Fund believes that the Fund's directors and officers, and Advantage and its directors and officers have complied with applicable filing requirements during the fiscal year ended December 31, 2000.

Required Vote

Directors are elected by a plurality of the votes cast by the holders of shares of Common Stock of the Fund present in person or represented by proxy at a meeting with a quorum present. For purposes of the election of directors, abstentions and broker non-votes will not be considered votes cast, and do not affect the plurality vote required for directors.

THE DIRECTORS, INCLUDING THE "NON-INTERESTED" DIRECTORS,
UNANIMOUSLY RECOMMEND THAT THE STOCKHOLDERS VOTE "FOR"
EACH OF THE NOMINEES FOR DIRECTOR.

PROPOSAL 2: APPROVAL OF A NEW COUNTRY ADVISORY AGREEMENT

Introduction

ILFS has served as country adviser to the Fund pursuant to a country advisory agreement among Advantage, ILFS and the Fund since February 14, 1994, as amended as of August 1, 1997 (the "ILFS Agreement"). The ILFS Agreement was last renewed by vote of the Fund's stockholders on September 30, 1997. Due to affiliations between ILFS and the Indian government, the Fund has been precluded from participating in certain government privatizations and from purchasing

6

securities of certain financial institutions in India. As a result, the Board of Directors of the Fund has determined that it would be in the best interests of the Fund and its stockholders to explore alternatives to ILFS.

Therefore, the Board of Directors of the Fund is proposing that the Fund's stockholders approve a new country advisory agreement between Advantage and Advantage India, Inc. (the "New Agreement"). The New Agreement is substantially similar to the ILFS Agreement and provides that all investment decisions will continue to be made by Advantage. A description of the New Agreement, including the services to be provided by Advantage India, Inc. thereunder, is set forth below. The description is qualified in its entirety by reference to the form of New Agreement attached to this Proxy Statement as Exhibit B.

Information concerning Advantage India, Inc.

Advantage India, Inc., a corporation organized on February 15, 2001 under the laws of Delaware, commenced operations in 2001. Its principal business address is One World Financial Center, 200 Liberty Street, New York, New York 10281 and it anticipates opening an office in India. It is a wholly-owned subsidiary of CIBC World Markets. Advantage India, Inc. is in the process of becoming registered as an investment adviser under the Investment Advisers Act of 1940.

Barbara Pires(B)	Executive Director

Elliot Ganz	Assistant Secretary

-
- (A) Indicates individual is also a director of the Fund.
(B) Indicates individual is also an officer of the Fund.

Description of the New Agreement

The New Agreement and the ILFS Agreement are substantially similar. The following description of the New Agreement is qualified in its entirety by reference to the form of the New Agreement attached hereto as Exhibit B.

7

Services to be Performed

Pursuant to the New Agreement, subject to the direction and control of the directors of the Fund and in consultation with Advantage, Advantage India, Inc. will: (i) provide or procure statistical and factual information and research regarding economic and political factors and trends in India and its surrounding region; (ii) provide or procure research and statistical data in relation to investing and other opportunities in India and its surrounding region; and (iii) provide assistance in the implementation and coordination of execution of investment decisions as directed by Advantage. All investment decisions will continue to be made by Advantage.

Expenses and Advisory Fees

The New Agreement provides that Advantage India, Inc. is responsible for all of its expenses and liabilities, including expenses in connection with providing office space, office facilities and personnel reasonably necessary for performance of the services to be provided by it to Advantage.

The rate used to determine the fees payable by Advantage to Advantage India, Inc. pursuant to the New Agreement will be agreed upon by Advantage and Advantage India, Inc. from time to time and will not exceed 1.10% of the Fund's average weekly net assets, which is the rate of fees payable by the Fund to Advantage.

Duration and Termination

The New Agreement will have an initial term of two years, and thereafter will continue in effect for successive annual periods provided such continuance

Edgar Filing: INDIA FUND INC /NY NEW - Form DEF 14A

is specifically approved at least annually by (i) a majority of the members of the Fund's Board of Directors who are not parties to the New Agreement, and who are not "interested persons" (as defined in the 1940 Act) of any such party, and (ii) a majority of the Fund's Board of Directors or the holders of a "majority of the outstanding voting securities" (as defined in the 1940 Act) of the Fund. The New Agreement may be terminated, without penalty, on 60 days' notice, by the Fund's Board of Directors, by a vote of the holders of a "majority of the outstanding voting securities" of the Fund, or by Advantage, and the New Agreement will terminate automatically in the event of its "assignment" (as defined in the 1940 Act).

Sub-Advisory Fee Information

Under the Fund's current ILFS Agreement, ILFS is paid by Advantage a monthly fee at an annual rate of 0.20% of the Fund's average net weekly assets. Under the New Agreement, Advantage India, Inc. will be paid by Advantage a monthly fee to be agreed upon from time to time by both Advantage and Advantage India, Inc. that will not exceed an annual rate of 1.10% of the Fund's average net weekly assets, the fee paid by the Fund to Advantage. Since the fee is paid by Advantage and not by the Fund, the Fund will not incur any additional expenses or fees under the terms of or in connection with the New Agreement. The aggregate amount of the fees paid by Advantage to ILFS for the Fund's fiscal year ended December 31, 2000 under the ILFS Agreement was \$1,353,439.

8

Evaluation by the Board of Directors

At meetings held on October 17, 2000 and February 13, 2001, the Board of Directors of the Fund reviewed various proposals for alternatives to ILFS. At the meeting on February 13, 2001, the Board, including a majority of the Board members who are not "interested persons" (as defined in the 1940 Act) of the Fund, Advantage, Advantage India, Inc., CIBC World Markets or ILFS, approved the New Agreement and recommended that the stockholders of the Fund approve such agreement.

In approving the New Agreement and determining to submit it to stockholders for their approval, the Board of Directors of the Fund has determined that it continues to believe having advisory personnel in India is beneficial to the Fund but that it would be desirable to eliminate the investment restrictions currently imposed as a result of the government affiliations of ILFS. In addition, the relationships between CIBC World Markets, Advantage and Advantage India, Inc. should help assure open and efficient communications between the Fund's investment manager and the new country adviser, which should result in better service for the Fund. Specifically, because of the direct affiliation between Advantage and Advantage India, Inc., Advantage anticipates having a more direct presence in India, which should result in greater access to information generally and more specifically on potential investment opportunities for the Fund. Further, it is also anticipated that the staff of Advantage India, Inc. would initially be dedicated solely to supporting Advantage in its capacity as the Fund's investment manager, which should also result in better service for the Fund. The Board also considered that adoption of the New Agreement would not cause the Fund to incur any additional fees or expenses.

In connection with its review of the New Agreement, the Board of Directors of the Fund requested and reviewed, with the assistance of its own legal counsel, materials and information furnished by CIBC World Markets and Advantage. These materials included information regarding CIBC World Markets and its personnel, operations and financial condition.

Edgar Filing: INDIA FUND INC /NY NEW - Form DEF 14A

In approving the New Agreement, the Board of Directors of the Fund focused primarily on the nature, quality and scope of the services provided to date by ILFS to the Fund and to be performed by Advantage India, Inc., and the fact that the ILFS Agreement and the New Agreement, including the terms relating to the services to be performed thereunder by Advantage India, Inc., and the expenses and fees payable to ILFS and Advantage India, Inc., are substantially similar. In connection with these primary considerations, comparisons were made between the New Agreement and similar arrangements by other investment companies, particularly with regard to levels of fees, and the benefits to Advantage India, Inc. because of its relationship with the Fund. In particular, the Fund's Board of Directors considered the commitment of CIBC World Markets to provide capital, personnel and various resources to Advantage India, Inc. to enable it to provide high quality services to the Fund.

9

Based upon its review of the above factors, the Board of Directors of the Fund concluded that the New Agreement is in the best interests of the Fund and its stockholders. If approved, the New Agreement will take effect promptly following the Annual Meeting and effectiveness of Advantage India, Inc.'s registration as an investment adviser.

If the New Agreement is not approved or if Advantage India, Inc. is not successful in obtaining registration as an investment adviser, the Board of Directors will consider whether it should take any other action in connection with seeking any other country adviser for the Fund.

Certain directors and officers of the Fund may have a substantial interest in the approval of the New Agreement as a result of their interests in Advantage or affiliates thereof, as described above under "Proposal 1: Election of Directors."

Required Vote

As provided by the 1940 Act, approval of the New Agreement will require the affirmative vote of a "majority of the outstanding voting securities" of the Fund, which means the affirmative vote of the lesser of (a) 67% or more of the outstanding shares present or represented at the Annual Meeting, if holders of more than 50% of the outstanding shares of the Fund entitled to vote are present or represented by proxy at the Annual Meeting, or (b) more than 50% of the outstanding shares of the Fund entitled to vote.

THE BOARD OF DIRECTORS OF THE FUND, INCLUDING A MAJORITY OF THE DIRECTORS WHO ARE NOT "INTERESTED PERSONS" (AS DEFINED IN 1940 ACT) OF THE FUND, ADVANTAGE, ADVANTAGE INDIA, INC., CIBC WORLD MARKETS OR THEIR AFFILIATES, RECOMMEND THAT THE STOCKHOLDERS OF THE FUND VOTE IN FAVOR OF THE NEW AGREEMENT.

Dear Sirs:

This will confirm the agreement among the undersigned (the "Investment Manager") and you (the "Country Adviser") as follows:

1. The Investment Manager has been employed pursuant to a management agreement dated as of November 3, 1997 between an investment company (the "Company") registered under the Investment Company Act of 1940, as amended (the "1940 Act") and the Investment Manager. The Company engages in the business of investing and reinvesting its assets in the manner and in accordance with the investment objective and limitations specified in the Company's Articles of Incorporation, as amended from time to time in the Registration Statement on Form N-2, as in effect from time to time, and in such manner and to such extent as may from time to time be authorized by the Board of Directors of the Company. expense to the Company, as it may deem appropriate regarding research and statistical data or otherwise.

16

5. In consideration of the services to be rendered by the Country Adviser under this agreement, the Investment Manager shall pay the Country Adviser a monthly fee in United States dollars on the fifth business day of each month for the previous month as agreed from time to time by the Investment Manager and the Country Adviser but not to exceed the annual rate of 1.10% of the Fund's average weekly net assets. If the fee payable to the Investment Adviser pursuant to this paragraph 5 begins to accrue before the end of any month or if this agreement terminates before the end of any month, the fee for the period from such date to the end of such month or from the beginning of such month to the date of termination, as the case may be, shall be prorated according to the proportion which such period bears to the full month in which such effectiveness or termination occurs.

6. The Country Adviser represents and warrants that it will be duly registered and authorized as an investment adviser under the Investment Advisers Act of 1940, as amended (the "Advisers Act"), and the Country Adviser agrees to maintain effective all requisite registrations, authorizations and licenses, as the case may be, until termination of this Agreement.

7. This agreement shall continue in effect until two years from the date hereof and shall continue in effect thereafter for successive annual periods, provided that such continuance is specifically approved at least annually (a) by the vote of a majority of the Company's outstanding voting securities (as defined in the 1940 Act) or by the Company's Board of Directors and (b) by the vote, cast in person at a meeting called for the purpose, of a majority of the Company's directors who are not parties to this agreement or "interested persons" (as defined in the 1940 Act) of any such party. Notwithstanding the above, this Agreement (a) may nevertheless be terminated at any time, without penalty, by the Company's Board of Directors, by vote of holders of a majority of the outstanding voting securities (as defined in the 1940 Act) of the Company or by the Investment Manager, upon 60 days' written notice delivered to each party hereto, and (b) shall automatically be terminated in the event of its assignment (as defined in the 1940 Act). Any such notice shall be deemed given when received by the addressee.

8. Nothing herein shall be deemed to limit or restrict the right of the Country Adviser, or any affiliate of the Country Adviser, or any employee of the Country Adviser, to engage in any other business or to devote time and attention to the management or other aspects of any other business, whether of a similar or dissimilar nature, or to render services of any kind to any other corporation, firm, individual or association. Nothing herein shall be construed as constituting the Country Adviser an agent of the Investment Manager or the Company.

9. This Agreement shall be governed by the laws of the State of New York; provided, however, that nothing herein shall be construed as being inconsistent with the 1940 Act.
