State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q,10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

On September 18, 2009, the Indiana Department of Financial Institutions and the Office of Thrift Supervision closed Irwin Financial's two subsidiary financial institutions and appointed the FDIC as receiver for such financial institutions. Given that Irwin Financial's principal assets were the capital stock of its subsidiary banks, Irwin Financial then filed a voluntary petition for relief under Chapter 7 of Title 11 of the United States Code on September 18, 2009 in the United States Bankruptcy Court for the Southern District of Indiana, Indianapolis Division. As a consequence of the actions of the FDIC, the Indiana Department of Financial Institutions and the Office of Thrift Supervision described above, all of Irwin Financial's active material operations have ceased and no material business is being conducted at this time other than collecting certain funds and other business that is consistent with the winding up and liquidation of Irwin Financial's affairs. All of such activities are being conducted under the control of the Bankruptcy Trustee. Irwin Financial has no accounting staff or other employees and, consequently, no internal ability to prepare conventional financial statements or the other required disclosures in a Form 10-Q in compliance with applicable rules. The Trustee would be forced to expend limited estate assets to hire an independent accounting firm to prepare such statements. Further, most of the information that would be necessary to prepare financial statements properly and reliably was seized as a part of the books and records of Irwin Financial's subsidiary banks and is presently unavailable to the Trustee or to any independent accounting firm the Trustee might hire.

Part IV - Other Information

Yes No

If answer is no, identify report(s).

3. Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

As a consequence of the seizure of its subsidiary financial institutions by federal and state regulators, all of Irwin Financial's active material operations have ceased, and no material business is being conducted at this time other than collecting certain funds and other business that is consistent with the winding up and liquidation of Irwin Financial's affairs. As stated above, Irwin Financial and the Trustee have no access to financial records for periods prior to the bankruptcy filing. Consequently, it is not possible to determine or make a reasonable estimate of the results. At present it is also impossible to determine accurately the amount of assets (including tax assets) that will be available to pay creditors, although it is apparent that no funds will likely be available for distribution to holders of Irwin Financial's common stock.
