- Item 1.01. Entry into a Material Definitive Agreement.  
Item 1.02. Termination of a Material Definitive Agreement.  
Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On December 9, 2010, AllianceBernstein L.P. (“AllianceBernstein”) entered into a committed, unsecured three-year senior revolving credit facility in an original principal amount of \$1.0 billion with Sanford C. Bernstein & Co., LLC (a wholly-owned subsidiary of AllianceBernstein, “SCB” and, together with AllianceBernstein, the “Borrowers”), as an additional Borrower, Bank of America, N.A., as Administrative Agent, Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities LLC and Citigroup Global Markets Inc., as Joint Lead Arrangers and Joint Book Managers, and the other lenders party thereto (the “2010 Credit Facility”).

The 2010 Credit Facility replaces AllianceBernstein’s existing \$1.95 billion of committed credit lines (comprised of two separate lines – a \$1.0 billion committed, unsecured revolving credit facility in the name of AllianceBernstein, which had a scheduled expiration date of February 17, 2011, and SCB’s \$950 million committed, unsecured revolving credit facility, which had a scheduled expiration date of January 25, 2011), both of which were terminated upon the effectiveness of the 2010 Credit Facility. AllianceBernstein has agreed to guarantee the obligations of SCB under the 2010 Credit Facility.

The 2010 Credit Facility will be available for AllianceBernstein’s and SCB’s business purposes, including the support of AllianceBernstein’s \$1.0 billion commercial paper program. Both AllianceBernstein and SCB can draw directly under the 2010 Credit Facility and management expects to draw on the 2010 Credit Facility from time to time.

The 2010 Credit Facility contains affirmative, negative and financial covenants, which are customary for facilities of this type, including, among other things, restrictions on dispositions of assets, restrictions on liens, a minimum interest coverage ratio and a maximum leverage ratio. The 2010 Credit Facility also includes customary events of default (with customary grace periods, as applicable), including provisions under which, upon the occurrence of an event of default, all outstanding loans may be accelerated and/or the lenders’ commitments may be terminated. Also under such provisions, upon the occurrence of certain insolvency or bankruptcy related events of default, all amounts payable under the 2010 Credit Facility would automatically become immediately due and payable, and the lenders’ commitments would automatically terminate.

The 2010 Credit Facility provides for possible increases in principal amount by up to an aggregate incremental amount of \$250.0 million, any such increase being subject to the consent of the affected lenders. Amounts under the 2010 Credit Facility may be borrowed, repaid and reborrowed by the Borrowers from time to time until the maturity of the facility. Voluntary prepayments and commitment reductions requested by the Borrowers are permitted at any time without fee (other than customary breakage costs relating to the prepayment of any drawn loans) upon proper notice and subject to a minimum dollar requirement. Borrowings under the 2010 Credit Facility bear interest at a rate per annum, which will be, at the Borrowers’ option, a rate equal to an applicable margin, which is subject to adjustment based on the credit ratings of AllianceBernstein, plus one of the following indexes: LIBOR; a floating base rate; or the Federal Funds rate.

Certain of the lenders provide or have provided other financial services to AllianceBernstein and its affiliates, including cash management, equipment financing and leasing services, derivative arrangements, trading, credit and non-credit bank services.

The foregoing does not constitute a complete summary of the terms of the 2010 Credit Facility, and reference is made to the complete text of the credit agreement, which is attached hereto as Exhibit 10.01.
