The Performance Stock Units were initially granted in 2013, and the amount of Performance Stock Units eligible for vesting is subject in part to achievement of financial performance goals during 2013 and/or combined 2013-2014. The Performance Stock Units vest in three tranches, with 33 1/3% of the award earned, based on achievement of financial performance goals during 2013, vesting on the first, second and third anniversaries of the grant date, in each case if the executive is still an employee on the applicable vesting date. Based on achievement of combined 2013-2014 financial performance goals, additional Performance Stock Units may vest on the second and third anniversaries of the grant date.
