Our Form 10-Q for the quarter ended June 30, 2004 could not be filed within the prescribed time period because of a delay in the completion of the notes to our

Edgar Filing: LIVEPERSON INC - Form NT 10-Q

unaudited interim condensed consolidated financial statements. This delay is unrelated to, and does not affect, our results of operations for three and six months ended June 30, 2004. However, because this Form 12b-25 requires us to provide an explanation of any anticipated significant change in results of operations from the corresponding period for the last fiscal year that will be reflected by the earnings statements to be included in the Form 10-Q, we are attaching the information below. The anticipated changes described below are unrelated to the unaudited interim condensed consolidated financial statement note disclosure which is the cause of the delay of our Form 10-Q.

In the Form 10-Q, we expect to report the following results of operations for the three and six months ended June 30, 2004:

Revenue. We expect to report that total revenue increased to \$4.3 million and \$8.4 million in the three and six months ended June 30, 2004 from \$2.8 million and \$5.4 million in the comparable periods in 2003. This increase is primarily attributable to increased revenue from existing clients, the addition of new clients and to a lesser extent, to the acquisition of the Island Data customer contracts and associated rights in December 2003.

Cost of Revenue. We expect to report that cost of revenue increased to \$694,000 and \$1.4 million in the three and six months ended June 30, 2004 from \$514,000 and \$1.0 million in the comparable periods in 2003. This increase is primarily related to the acquisition of the Island Data customer contracts and associated rights in December 2003, as well as increased usage from existing clients and the addition of new clients.

Product Development. We expect to report that product development costs increased to \$516,000 and \$955,000 for the three and six months ended June 30, 2004 from \$419,000 and \$751,000 in the comparable periods in 2003. This increase is attributable to an increase in the number of LivePerson product development personnel, and to a lesser extent, to an increase in outsourced labor costs related to the continuing development of our product line as we broaden the range of services we offer to include a fully integrated, multi-channel software platform.

Sales and Marketing. We expect to report that sales and marketing expenses increased to \$1.2 million and \$2.4 million in the three and six months ended June 30, 2004 from \$856,000 and \$1.6 million in the comparable periods in 2003. This increase is primarily attributable to an increase in sales and marketing personnel as a result of the expansion of our sales force, and, to a lesser extent, to an increase in on-line advertising and marketing expenses related to our increasing efforts to enhance our brand recognition and to increased sales lead activity.

General and Administrative. We expect to report that general and administrative expenses increased to \$1.0 million and \$1.9 million in the three and six months ended June 30, 2004 from \$786,000 and \$1.6 million in the comparable periods in 2003. This increase is primarily attributable to increases in professional services and to an increase in recruitment costs related to the expansion of our sales force.

Amortization of Other Intangibles. We expect to report that amortization expense was \$179,000 and \$358,000 in the three and six months ended June 30, 2004 and relates to acquisition costs recorded as a result of our acquisition of certain identifiable assets of Island Data Corporation. Amortization expense was \$253,000 and \$507,000 in the three and six months ended June 30, 2003 and relates to acquisition costs recorded as a result of our acquisition of the

Edgar Filing: LIVEPERSON INC - Form NT 10-Q

NewChannel customer contracts and associated rights in July 2002.

Non-Cash Compensation Expense, Net. We expect to report that we recorded non-cash compensation expense of \$69,000 and \$129,000 in the three and six months ended June 30, 2004 and \$42,000 and \$48,000 in the comparable periods in 2003.

Restructuring Charge. In the three months ended June 30, 2003, we recorded an additional restructuring charge of approximately \$1.0 million related to our 2001 restructuring initiatives. This charge reflected the amount of the judgment in a previously disclosed arbitration proceeding in excess of the \$350,000 provision initially provided for in connection with our original restructuring plan in 2001. Because our June 30, 2003 interim financial statements were not yet filed with the SEC when we received notification of the judgment, the recording of this charge in the three months ended June 30, 2003 was required pursuant to SFAS No. 5, "Accounting for Contingencies" and Statement of Auditing Standards No. 1, "Codification of Auditing Standards and Procedures, section 560 -- Subsequent Events."

Other Income. We expect to report that interest income was \$11,000 and \$23,000 for the three and six months ended June 30, 2004 and \$6,000 and \$19,000 in the comparable periods in 2003, respectively, and consists of interest earned on cash and cash equivalents generated by the receipt of proceeds from our initial public offering in 2000 and preferred stock issuances in 2000 and 1999, and to a lesser extent, to cash provided by operating activities. We expect to report that other expense was \$0 and \$8,000 for the three and six months ended June 30, 2003 and was related to the write-off of our accumulated other comprehensive loss in connection with the closing of our operations in the United Kingdom.

Net Income (Loss). We expect to report that we had net income of \$703,000 and \$1.4 million in the three and six months ended June 30, 2004 compared to a net loss of \$1.0 million and \$1.1 for the comparable periods in 2003.
