### PART I. INFORMATION REQUIRED IN THE SECTION 10(a) PROSPECTUS

The information required by Part I is included in documents to be sent or given to participants in the Registrant's 2004 Global Share Option Plan and the Registrant's 2005 U.S. Stock Option and Incentive Plan pursuant to Rule 428(b)(1) of the Securities Act of 1933, as amended (the "Securities Act").

### PART II. INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

#### Item 3. Incorporation of Documents by Reference

The Registrant is subject to the informational and reporting requirements of Sections 13(a), 13(c), 14 and 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and in accordance therewith files reports, proxy statements and other information with the Securities and Exchange Commission (the "Commission"). The following documents, which are on file with the Commission, are incorporated in this Registration Statement by reference:

- (1) The Registrant's latest annual report filed pursuant to Section 13(a) or 15(d) of the Exchange Act, or the latest prospectus filed pursuant to Rule 424(b) under the Securities Act that contains audited financial statements for the Registrant's latest fiscal year for which such statements have been filed.
- (2) All other reports filed pursuant to Section 13(a) or 15(d) of the Exchange Act since the end of the fiscal year covered by the document referred to in (1) above.

All documents subsequently filed by the Registrant pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment which indicates that all shares of Common Stock offered hereby have been sold or which deregisters all shares of Common Stock then remaining unsold, shall be deemed to be incorporated by reference herein and to be part hereof from the date of the filing of such documents. Any statement contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

#### Item 4. Description of Securities

## Edgar Filing: BRAINSTORM CELL THERAPEUTICS INC - Form S-8

The Registrant's authorized capital consists of 200,000,000 shares of Common Stock, par value \$.00005 per share and 40,000,000 of preferred stock, par value \$.00005 per share. On February 8, 2006, there were 22,469,683 shares of Common Stock issued and outstanding. Each record holder of Common Stock is entitled to one vote for each share held on all matters properly submitted to the shareholders for their vote. The Articles of Incorporation do not permit cumulative voting for the election of directors, and shareholders do not have any preemptive rights to purchase shares in any future issuance of the Registrant's Common Stock.

Because the holders of shares of the Registrant's Common Stock do not have cumulative voting rights, the holders of more than 50% of the Registrant's outstanding shares, voting for the election of directors, can elect all of the directors to be elected, if they so choose. In such event, the holders of the remaining shares will not be able to elect any of the Registrant's directors.

2

The holders of shares of Common Stock are entitled to dividends, out of funds legally available therefor, when and as declared by the Board of Directors. The Board of Directors has never declared a dividend and does not anticipate declaring a dividend in the future. In the event of liquidation, dissolution or winding up of the affairs of the Registrant, holders are entitled to receive, ratably, the net assets of the Registrant available to shareholders after payment of all creditors.

To the extent that additional shares of the Registrant's Common Stock are issued, the relative interests of existing shareholders may be diluted.

### Item 5. Interests of Named Experts and Counsel

Not applicable.

### Item 6. Indemnification of Directors and Officers

Pursuant to Washington state law, a corporation may indemnify an individual made a party to a proceeding because the individual is or was a director against liability incurred in the proceeding if the individual acted in good faith; and he or she reasonably believed that, in the case of conduct in the individual's official capacity with the corporation, his or her conduct was in its best interests; in cases not involving his or her official capacity, his or her conduct was at least not opposed to its best interests; and in the case of any criminal proceeding, he or she had no reasonable cause to believe the conduct was unlawful. A corporation is prohibited from indemnifying a director in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation; or in connection with any other proceeding charging improper personal benefit to the director, whether or not involving action in the director's official capacity, in which the director was adjudged liable on the basis that personal benefit was improperly received by the director.

Article XI of the Registrant's Articles of Incorporation, as amended, provides that the Registrant will indemnify its directors to the full extent permitted under Washington state law. Section 10 of the Registrant's Bylaws provides that the Registrant will indemnify and hold harmless each person who was, is or is threatened to be made a party to or is otherwise involved in any threatened proceedings by reason of the fact that he or she is or was a director or officer of the Registrant or is or was serving at the request of the Registrant as a director, officer, partner, trustee, employee or agent of another entity, against all losses, claims, damages, liabilities and expenses

actually and reasonably incurred or suffered in connection with such proceeding.

Article X of the Registrant's Articles of Incorporation, as amended, eliminates a director's personal liability for monetary damages for conduct as a director to the Registrant and its stockholders to the full extent permitted by Washington state law.

The Registrant maintains an insurance policy on behalf of its directors and officers, covering certain liabilities which may arise as a result of the actions of the directors and officers.

The Registrant has entered into agreements with all of its officers affirming the Registrant's obligation to indemnify them to the fullest extent permitted by law and providing various other protections.

### Item 7. Exemption from Registration Claimed

### Item 9. Undertakings

1. The undersigned Registrant hereby undertakes:

(1) To file, during any period in which it offers or sells securities, a post-effective amendment to this Registration Statement to include any additional or changed material information on the plan of distribution.

(2) For determining liability under the Securities Act, treat each post-effective amendment as a new Registration Statement of the securities offered, and the offering of the securities at that time to be the initial bona fide offering.

(3) File a post-effective amendment to remove from registration any of the securities that remain unsold at the end of the offering.

(4) For determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities, the Registrant undertakes that in a primary offering of securities of the Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the Registrant relating to the offering required to be filed pursuant to Rule 424;

(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the Registrant or used or referred to by the Registrant;
