

**Item 1.01. Entry into a Material Definitive Agreement**

Effective May 1, 2006, Century Aluminum Company (“Century”, “we” or “us”) entered into employment and severance protection agreements with Robert R. Nielsen, who succeeded Gerald J. Kitchen as Executive Vice President, General Counsel and Secretary of the Company effective May 1, 2006. Under the terms of his employment agreement, Mr. Nielsen will receive a base salary of \$350,000 per annum and will be eligible to receive an annual performance-based cash bonus under the Company's incentive compensation plan of up to 100% of his base salary, subject to the discretion of the Compensation Committee. Mr. Nielsen's annual cash bonus for 2006 will be no less than \$122,500. The agreement provides that Mr. Nielsen will receive options to purchase 25,000 shares of the Company's common stock and a one-time grant of 15,000 time vested performance shares. The options will vest over a period of two years, with one-third vesting on each of his employment date, the one year anniversary of his employment date and the two year anniversary of his employment date, and will be exercisable at an exercise price equal to the price of Century's common stock on the last trading day immediately preceding his employment date. The shares of restricted stock will vest one-third each on the one, two and three year anniversaries of his employment date. Mr. Nielsen will also be eligible to participate in certain of Century's incentive compensation and benefit plans, including our Amended and Restated 1996 Stock Incentive Plan, which provides for the award of options and performance shares, and the Supplemental Retirement Income Benefit Plan, which provides select senior executives with supplemental benefits in addition to the benefits they are entitled to receive under our qualified retirement plans.

Under Mr. Nielsen's severance protection agreement, if Mr. Nielsen's employment is terminated within 36 months following a change in control of Century either: (i) by Century for any reason other than cause or disability, or (ii) by Mr. Nielsen for good reason, he will receive a lump sum payment equal to three times the aggregate of the highest base salary and the highest bonus received by Mr. Nielsen in any of the most recent five years. Also, upon a change in control, the exercisability of stock options and the vesting of performance shares held by Mr. Nielsen will be accelerated. The agreement also provides for additional payments to fully offset any excise taxes payable by Mr. Nielsen as a result of the payments and benefits provided for under the agreement.

The foregoing descriptions of the material terms of Mr. Nielsen's employment and severance protection agreements are qualified by reference to the full text of such agreements, which are attached hereto as Exhibits 10.1 and Exhibit 10.2, respectively.

On April 29, 2006 our Compensation Committee approved a base salary of \$325,000 for Mr. Gerald J. Kitchen, our former Executive Vice President, General Counsel, Chief Administrative Officer and Secretary. The new base salary is effective as of January 1, 2006. In addition, our Compensation Committee approved a cash bonus of \$100,000 under Century's incentive compensation plan, for the portion of 2006 Mr. Kitchen was our employee.
