-

**ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.**

Insignia Solutions plc. (“Insignia”) has amended a license agreement originally entered into in 2005 with a wireless technology provider. Under the amended terms of the agreement the wireless company will pay Insignia \$1.45 million in license fees over the next eight months, upon completion of certain engineering milestones, for a perpetual license to Insignia’s client and server technologies. Additional license fees will be paid on a per device license basis for Insignia’s FOTA client. The amendment also restricted the license to shipping Insignia’s technologies bundled with the customer’s products for use limited to certain vertical markets, and grants certain limited exclusivity provisions for those markets.

---
