Item 1.01 Entry Into a Material Definitive Agreement

On January 17, 2007, bioMETRX, Inc. (the “Company”) entered into several agreements with BLX Funding LLC (“BLX”) whereby BLX will purchase the Company’s accounts receivable in factoring transactions.

Pursuant to the agreements, BLX will purchase accounts receivables from the Company and varying discounts from the face value of the individual accounts receivable dependent upon the age of the receivable. The discounts range from 2.5% for receivables 30 days or less to 15% for receivables that are older than 90 days. BLX will advance to the Company 80% of the face amount of each of the accounts receivable it elects to purchase.

In addition to the factoring arrangement, the Company and BLX entered into a Funding Agreement whereby BLX arranged to provide the Company with Letters of Credit necessary for the Company to acquire the goods required to fulfill outstanding purchase orders. As of the date hereof, BLX has opened a Letter of Credit on behalf of the Company in the amount of \$1,040,400 for the benefit of the Company’s third party manufacturer. Pursuant to the Funding Agreement, the Company will pay BLX 2.5% of the Letter of Credit amount for the first 30 days, thereafter the Company has agreed to pay BLX .84% of the Letter of Credit amount for each additional 10 day period the Letter of Credit is outstanding beyond the initial 30 day period. In addition, the Company paid BLX prior to opening the Letter of Credit an amount equal to .5% of the Letter of Credit amount to cover costs incurred by BLX with the opening of the Letter of Credit.

As a condition precedent to the obligation of BLX entering into the various agreements and arrangements with the Company, its CEO was required to provide BLX a Performance Guaranty guarantying (a) the due and punctual performance by the Company of the representations contained in the agreements (b) the payment (and not merely the collectibility) of any loss, liability or expense incurred by BLX in the event any one or more of the representations is untrue in any respect or fail to be performed and (c) the payment (and not merely the collectibility) of any other obligation owed by the Company to BLX of any nature. The Company has agreed to issue the CEO 50,000 shares of its common stock as consideration for providing the Company his guarantee and the Company has agreed to make additional financial accommodations to the CEO in the event there is a demand or claim against Mr. Basile arising out of the personal guarantee.
