PART III
NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, N-CSR or the transition report or portion thereof, could not be filed within the prescribed time period.

Grand Toys International Limited (the "Company") is unable to file its Annual Report on Form 20-F for the Annual Period ended December 31, 2007 within the prescribed time period because, as previously disclosed, the Company is in the process of liquidating its subsidiary, Hua Yang Printing Holdings Co., Ltd. ("Hua Yang") and has filed a winding up petition with respect to such subsidiary with the High Court of Hong Kong. Consequently, financial statements for Hua Yang are not available and BDO McCabe Lo Limited, the Company's independent accounting firm, is unable to complete its audit of the Company's consolidated financial statements, of which the financial statements of Hua Yang form a significant part.

The Company does not expect that its Annual Report on Form 20-F will be filed on or before the fifteenth calendar day following the required filing date as prescribed in Rule 12b-25 and the Company is unable to determine at this time when it will be able to file such report.

PART IV — OTHER INFORMATION

(1) Name and telephone number of person to contact in regard to this notification:

(Telephone Number)

(2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s).

Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof?

Yes No

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Company is unable to make a reasonable estimate regarding whether there have been any significant changes in operations from the corresponding period for the last fiscal year because financial statements for Hua Yang are not available. However, Hua Yang contributed 47.1% of total net sales in the year ended December 31, 2006, so the deterioration in Hua Yang's business that has occurred over the last 12 months can be anticipated to be significant for the Company's results of operations for the year ended December 31, 2007.
