ANNUAL MEETING OF STOCKHOLDERS
November 10, 2009

GENERAL

This Proxy Statement is furnished to stockholders of Kentucky First Federal Bancorp (“Kentucky First” or the “Company”) in connection with the solicitation by the Board of Directors of the Company of proxies to be used at the Annual Meeting of Stockholders (the “Annual Meeting”) which will be held at First Federal Center on the campus of Hazard Community and Technical College located at One Community College Drive, Hazard, Kentucky on Tuesday, November 10, 2009, at 3:30 p.m., Eastern time, and at any adjournment thereof. The accompanying Notice of Annual Meeting and proxy card and this Proxy Statement are being first mailed to stockholders on or about October 9, 2009.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE 2009
ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON NOVEMBER 10, 2009

This Proxy Statement and the Company’s 2009 Annual Report on Form 10-K are available electronically at <https://materials.proxyvote.com/491292>

VOTING AND REVOCABILITY OF PROXIES

Stockholders who execute proxies retain the right to revoke them at any time. Unless so revoked, the shares represented by properly executed proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies may be revoked by written notice to Thomas F. Skaggs, Secretary of the Company, at the address shown above, by filing a later-dated proxy prior to a vote being taken on a particular proposal at the Annual Meeting or by attending the Annual Meeting and voting in person. The presence of a stockholder at the Annual Meeting will not in itself revoke such stockholder’s proxy.

Proxies solicited by the Board of Directors of the Company will be voted in accordance with the directions given therein. Where no instructions are indicated, proxies will be voted “FOR” the nominees for director set forth below and “FOR” the ratification of the appointment of Crowe Horwath LLP as the Company’s independent public accountants for the year ending June 30, 2010. The proxy confers discretionary authority on the persons named therein to vote with respect to the election of any person as a director where the nominee is unable to serve or for good cause will not serve, and matters incident to the conduct of the Annual Meeting. If any other business is presented at the Annual Meeting, proxies will be voted by those named therein in accordance with the determination of a majority of the

Board of Directors. Proxies marked as abstentions will not be counted as votes cast. Shares held in “street name” which have been designated by brokers on proxies as not voted (“broker non-votes”) will not be counted as votes cast. Proxies marked as abstentions or as broker non-votes, however, will be treated as shares present for purposes of determining whether a quorum is present.

VOTING SECURITIES AND SECURITY OWNERSHIP

The securities entitled to vote at the Annual Meeting consist of the Company's common stock, par value \$0.01 per share (the "Common Stock"). Stockholders of record as of the close of business on September 30, 2009 (the "Record Date") are entitled to one vote for each share of Common Stock then held. As of the Record Date, there were 7,905,120 shares of Common Stock issued and outstanding. The presence, in person or by proxy, of at least a majority of the total number of shares of Common Stock outstanding and entitled to vote will be necessary to constitute a quorum at the Annual Meeting. Because First Federal MHC owns in excess of 50% of the outstanding shares of Kentucky First Common Stock, the votes it casts will insure the presence of a quorum. Persons and groups beneficially owning more than 5% of the Common Stock are required to file certain reports with respect to such ownership pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"). The following table sets forth information regarding the shares of Common Stock beneficially owned as of the Record Date by persons who beneficially own more than 5% of the Common Stock, each of the Company's directors, the executive officers of the Company named in the Summary Compensation Table set forth under "Executive Compensation – Summary Compensation Table," and all of the Company's directors and executive officers as a group.

 PROPOSAL I — ELECTION OF DIRECTORS

General

The Company's Board of Directors consists of seven members, all of whom are independent under the listing standards of the Nasdaq Stock Market, except Tony D. Whitaker and Don D. Jennings. In determining that Director Stephen G. Barker is independent, the Board of Directors considered that he had been paid \$12,000 in legal fees for services provided to First Federal of Hazard during the year ended June 30, 2009. The Company's Bylaws require that directors be divided into three classes, as nearly equal in number as possible, with approximately one-third of the directors elected each year. At the Annual Meeting, three directors will be elected for a term expiring at the 2012 annual meeting. The Board of Directors has nominated Stephen G. Barker, David R. Harrod, and Tony D. Whitaker to each serve as a director for a three-year period. Each of the nominees is currently a member of the Board. Pursuant to the Company's Bylaws, there is no cumulative voting for the election of directors. As a result, directors are elected by a plurality of the votes present in person or by proxy at a meeting at which a quorum is present. This means that the nominees receiving the greatest number of votes will be elected.

It is intended that the persons named in the proxies solicited by the Board of Directors will vote for the election of the named nominees. If a nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such substitute as the Board of Directors may recommend or the size of the Board may be reduced to eliminate the vacancy. At this time, the Board knows of no reason why a nominee might be unavailable to serve.

The following table sets forth, for each nominee for director and continuing director of the Company, his age, the year he first became a director of the Company, First Federal Savings and Loan Association of Hazard ("First Federal of Hazard") or First Federal Savings Bank of Frankfort ("First Federal of Frankfort") and the expiration of his term as a director. All such persons were appointed as directors of the Company in March 2005 upon the formation and organization of the Company. Directors Barker, Ecton, Gorman and Whitaker also serve on the Board of Directors of the Company's wholly owned subsidiary, First Federal of Hazard, and Directors Harrod and Regan also serve on the Board of Directors of the Company's wholly owned subsidiary, Frankfort First Bancorp, Inc. ("Frankfort First"), and Frankfort First's wholly owned subsidiary, First Federal of Frankfort. Director Jennings also serves on the Board of Directors of First Federal of Frankfort.

Since 2000, he has served as Vice President and Chief Financial Officer of Frankfort First. In March 2007, he was named President of First Federal of Frankfort having served as Vice President and Treasurer since 2000. He has been employed by First Federal of Frankfort since 1997. Committees of the Board of Directors

The Board of Directors of the Company meets quarterly and may have additional special meetings. During the year ended June 30, 2009, the Board of Directors of the Company met five times. No director attended fewer than 75% in the aggregate of the total number of Company Board of Directors meetings held during the year ended June 30, 2009 and the total number of meetings held by Committees on which he served during such fiscal year.

Audit Committee. The Company has a separately designated Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act. During the fiscal year ended June 30, 2009, the Board of Directors' Audit Committee consisted of Directors Harrod (Chairman), Ecton, Gorman and Regan. Each of the members of the Audit Committee is "independent" under the listing standards of the Nasdaq Stock Market. The Company's Board of Directors has determined that one member of the Audit Committee, David R. Harrod, qualifies as an "audit committee financial expert" under the rules of the Nasdaq Stock Market.

The function of the Audit Committee is to review and discuss the audited financial statements with management, internal audit and the independent auditors; to determine the independent auditors' qualifications and independence; to engage the independent auditors of the Company; to review the internal audit function and internal accounting controls; to review the internal audit plan; to review the Company's compliance with legal and regulatory requirements; and to review the Company's auditing, accounting and financial processes generally. The Audit Committee operates under a written charter, a copy of which was filed as Exhibit A of the 2008 Proxy Statement. The Audit Committee met five times during the year ended June 30, 2009.

Compensation Committee. The Board of Directors has a Compensation Committee consisting of Directors Ecton, Gorman and Regan (Chairman). The Compensation Committee evaluates the compensation and fringe benefits of the directors, officers and employees and recommends changes. The Compensation Committee reviews all components of compensation, including salaries, cash incentive plans, equity incentive plans and various employee benefit matters. Decisions by the Compensation Committee with respect to the compensation of executive officers are approved by the full Board of Directors. The Chief Executive Officer makes recommendations to the Compensation Committee regarding compensation of directors and executive officers other than himself, but final compensation decisions are made by the Board of Directors based on the recommendation of the Compensation Committee. The Compensation Committee met twice during the year ended June 30, 2009.

The Compensation Committee operates under a written charter that establishes the Compensation Committee's responsibilities. The Compensation Committee and the Board of Directors review the Charter periodically to ensure that the scope of the Charter is consistent with the Compensation Committee's expected role. Under the Charter, the Compensation Committee is charged with general responsibility for the oversight and administration of the Company's compensation program. The Charter vests in the Compensation Committee principal responsibility for determining the compensation of the Chief Executive Officer based on the Compensation Committee's evaluation of his performance. The Charter also authorizes the Compensation Committee to engage consultants and other professionals without management approval to the extent deemed necessary to discharge its responsibilities. The Compensation Committee Charter is not available via a Company website, but it was attached to the Company's proxy statement prepared in connection with the Company's 2007 annual meeting of stockholders.

Nominating/Corporate Governance Committee. The Board of Directors' Nominating/Corporate Governance Committee nominates directors to be voted on at the Annual Meeting and recommends nominees to fill any vacancies on the Board of Directors. The Nominating/Corporate Governance Committee consists of Directors Ecton (Chairman), Gorman, Harrod and Regan. The members of the Nominating/Corporate Governance Committee are "independent directors" as defined under the listing standards of the Nasdaq Stock Market. The Board of Directors has adopted a Charter for the Nominating/Corporate Governance Committee, a copy of which was filed as Exhibit B of the 2008 Proxy Statement. The Nominating/Corporate Governance Committee met one time during the fiscal year ended June 30, 2009.

It is the policy of the Nominating/Corporate Governance Committee to consider director candidates recommended by security holders who appear to be qualified to serve on the Company's Board of Directors. Any stockholder wishing to recommend a candidate for consideration by the Nominating/Corporate Governance Committee as a possible director nominee for election at an upcoming annual meeting of stockholders must provide written notice to the Nominating/Corporate Governance Committee of such stockholder's recommendation of a director nominee no later than the July 1st preceding the annual meeting of stockholders. Notice should be provided to: Secretary, Kentucky First Federal Bancorp, P.O. Box 1069, Hazard, Kentucky 41702-1069. Such notice must contain the following information:

- The name of the person recommended as a director candidate;
- All information relating to such person that is required to be disclosed in solicitations of proxies for election of directors pursuant to Regulation 14A under the Securities Exchange Act of 1934;
- The written consent of the person being recommended as a director candidate to being named in the proxy statement as a nominee and to serving as a director if elected;
- As to the shareholder making the recommendation, the name and address, as he or she appears on the Company's books, of such shareholder; provided, however, that if the shareholder is not a registered holder of the Company's common stock, the shareholder should submit his or her name and address, along with a current written statement from the record holder of the shares that reflects ownership of the Company's common stock; and
- A statement disclosing whether such shareholder is acting with or on behalf of any other person and, if applicable, the identity of such person.

In its deliberations, the Nominating/Corporate Governance Committee considers a candidate's personal and professional integrity, knowledge of the banking business and involvement in community, business and civic affairs, and also considers whether the candidate would provide for adequate representation of the banks' market areas. Any nominee for director made by the Nominating/Corporate Governance Committee must be highly qualified with regard to some or all the attributes listed in the preceding sentence. In searching for qualified director candidates to fill vacancies in the Board, the Nominating/Corporate Governance Committee solicits the Company's then current directors for the names of potential qualified candidates. Moreover, the Nominating/Corporate Governance Committee may ask its directors to pursue their own business contacts for the names of potentially qualified candidates. The Nominating/Corporate Governance Committee would then consider the potential pool of director candidates, select a candidate based on the candidate's qualifications and the Board's needs, and conduct a thorough investigation of the proposed candidate's background to ensure there is no past history that would cause the candidate not to be qualified to serve as a director of the Company. In the event a stockholder has submitted a proposed nominee, the Nominating/Corporate Governance Committee would consider the proposed nominee in the same manner in which the Nominating/Corporate Governance Committee would evaluate nominees for director recommended by directors.

With respect to nominating an existing director for re-election to the Board of Directors, the Nominating/Corporate Governance Committee will consider and review an existing director's Board and committee attendance and performance, length of Board service, experience, skills and contributions that the existing director brings to the Board and independence.

Board Policies Regarding Communications with the Board of Directors and Attendance at Annual Meetings. The Board of Directors maintains a process for stockholders to communicate with the Board of Directors. Stockholders wishing to communicate with the Board of Directors should send any communication to Secretary, Kentucky First Federal Bancorp, P.O. Box 1069, Hazard, Kentucky 41702-1069. All communications that relate to matters that are within the scope of the responsibilities of the Board and its Committees are to be presented to the Board no later than its next regularly scheduled meeting. Communications that relate to matters that are within the responsibility of one of the Board Committees are also to be forwarded to the Chair of the appropriate Committee. Communications that relate to ordinary business matters that are not within the scope of the Board's responsibilities, such as customer complaints, are to be sent to the appropriate officer. Solicitations, junk mail and obviously frivolous or inappropriate communications are not to be forwarded, but will be made available to any director who wishes to review them.

Directors are expected to prepare themselves for and to attend all Board meetings, the Annual Meeting of Stockholders and the meetings of the Committees on which they serve, with the understanding that on occasion a director may be unable to attend a meeting. All directors attended the Company's 2008 annual meeting of stockholders held on November 11, 2008.

In addition to establishing a base salary, the Agreements provide for, among other things, participation in stock-based and other benefit plans, as well as certain fringe benefits.

The Agreements also provide that Kentucky First, First Federal of Hazard and First Federal of Frankfort may terminate the employment of Messrs. Whitaker, Jennings, or Hulette for cause, as defined in the Agreements, at any time. No compensation or benefits are payable upon termination of either officer for cause. Each of the officers may also voluntarily terminate his employment by providing 90 days prior written notice. Upon voluntary termination, the officer receives only compensation and vested benefits through the termination date.

The Agreements terminate upon the officer's death, and his estate receives any compensation due through the last day of the calendar month of death. The Agreements also allow the appropriate boards to terminate the employment of Messrs. Whitaker, Jennings, or Hulette due to disability, as defined in the Agreements. A disabled executive receives any compensation and benefits provided for under the agreement for any period prior to termination during which the executive was unable to work due to disability. Messrs. Whitaker, Jennings, and Hulette also may receive disability benefits under First Federal of Hazard's or First Federal of Frankfort's long-term disability plan(s) without reduction for any payments made under the Agreement. During a period of disability, to the extent reasonably capable of doing so, Messrs. Whitaker, Jennings and Hulette agree to provide assistance and undertake reasonable assignments for the employers.

The Agreements also require Messrs. Whitaker, Jennings, and Hulette to agree not to compete with Kentucky First, First Federal of Hazard or First Federal of Frankfort for one year following a termination of employment, other than in connection with a change in control. Kentucky First, First Federal of Hazard or First Federal of Frankfort will pay or reimburse Messrs. Whitaker, Jennings, and Hulette for all reasonable costs and legal fees paid or incurred by him in any dispute or question of interpretation regarding the Agreements, if the executive is successful on the merits in a legal judgment, arbitration proceeding or settlement. The Agreements also provide Messrs. Whitaker, Jennings, and Hulette with indemnification to the fullest extent legally allowable.

Under the Agreements, if either Kentucky First, First Federal of Hazard or First Federal of Frankfort terminates the employment of Messrs. Whitaker, Jennings, or Hulette without cause, or if Messrs. Whitaker, Jennings, or Hulette resigns under specified circumstances that constitute constructive termination, he receives his base salary and continued employee benefits for the remaining term of the Agreement, as well as continued health, life and disability coverage under the same terms such coverage is provided to other senior executives, or comparable individual coverage.

Under the Agreements, if, within one year after a change in control (as defined in the Agreements), any of Messrs. Whitaker, Jennings, or Hulette voluntarily terminate his employment under circumstances discussed in the Agreement, or involuntarily terminates employment, the executive receives a cash payment equal to three times his

average annual compensation over the five most recently completed calendar years preceding the change in control. He also receives continued employee benefits and health, life and disability insurance coverage for thirty-six months following termination of employment.

Section 280G of the Internal Revenue Code provides that severance payments that equal or exceed three times the individual's "base amount" are deemed to be "excess parachute payments" if they are contingent upon a change in control. Individuals receiving excess parachute payments are subject to a 20% excise tax on the amount of the payment in excess of their base amount, and the employer is not entitled to deduct any parachute payments over the base amount. The Agreements limit payments made to Messrs. Whitaker, Jennings and Hulette in connection with a change in control to amounts that will not exceed the limits imposed by Section 280G.

Equity Grants

The Company granted each of the named executive officers equity awards of restricted stock and stock options in 2006. Upon a change in control, all outstanding stock options become immediately exercisable and the restrictions on restricted stock immediately lapse. Had a change in control occurred as of June 30, 2009, Messrs. Whitaker, Jennings and Hulette would have immediately vested in 16,800, 6,100 and 6,100 shares, respectively, of restricted stock, with a value of \$202,608, \$73,566, and \$73,566, respectively, at June 30, 2009 based on the closing sale price for the Kentucky First common stock as quoted on the Nasdaq Global Market. In addition, had a change in control occurred as of June 30, 2009, Messrs. Whitaker, Jennings and Hulette would have immediately vested in options to acquire 42,000, 20,800 and 20,800 shares, respectively, of Kentucky First common stock.

Outstanding Equity Awards at Fiscal Year End

The following table provides certain information with respect to the number of shares of Company common stock represented by outstanding stock options held by the named executive officers as of June 30, 2009.

Name	Option Awards			Stock Awards		
	Number of Securities Underlying Unexercised Options (#) Exercisable	Number of Securities Underlying Unexercised Options (#) Unexercisable (1)	Option Exercise Price (\$)	Option Expiration Date	Number of Shares or Units of Stock That Have Not Vested (#) (1)	Market Value of Shares or Units of Stock That Have Not Vested (\$ (2)
Tony D. Whitaker	63,000	42,000	\$ 10.10	12/13/2015	16,800	\$ 202,608
R. Clay Hulette	31,200	20,800	10.10	12/13/2015	6,100	73,566
Don D. Jennings	31,200	20,800	10.10	12/13/2015	6,100	73,566

(1) Unvested options and restricted stock awards vest in two equal installments on December 13, 2009 and 2010.

(2) Calculated based on the product of the number of shares of unvested stock and the closing sale price for the Common Stock on June 30, 2009 as reported on the Nasdaq Global Market.

Retirement Plan. First Federal of Hazard employees, including Mr. Whitaker, participate in the Financial Institution Retirement Plan (the "Retirement Plan") to provide retirement benefits for eligible employees. Messrs. Jennings and Hulette participate in a similar plan for First Federal of Frankfort employees. Employees are eligible to participate in the Retirement Plan after the completion of one year of employment and attainment of age 21. The formula for normal retirement benefits payable annually is 2%, under the First Federal of Hazard Retirement Plan, and 1.25%, under the First Federal of Frankfort Retirement Plan, of the average of the participant's highest five years of compensation multiplied by the participant's years of service. Participants in the First Federal of Hazard Retirement Plan may also receive a reduced early retirement benefit under the Retirement Plan upon attainment of age 45 and satisfaction of the Retirement Plan's vesting requirements. Participants generally have no vested interest in Retirement Benefits prior to their completion of five years of service. Following the completion of five years of vesting service, or upon attainment of age 65, death or termination of employment due to disability, participants automatically become 100% vested in their accrued benefit under the Retirement Plan. The amounts of benefits paid under the Retirement Plan are not reduced for any social security benefit payable to participants. Benefits under the First Federal of Frankfort Retirement Plan may be paid in a lump sum, while the First Federal of Hazard Retirement Plan does not allow for a lump sum payment of accrued benefits; however, Mr. Whitaker may elect to be paid in a lump sum as a result of previous participation in a comparable plan at another financial institution.

The present value of accumulated benefits for the First Federal of Hazard Retirement Plan is calculated using the accrued benefit multiplied by a present value factor based on an assumed age 65 retirement date, the 1994 Group Annuity Mortality table projected five years and an interest rate of 5.00% for 50% of the benefit and 7.75% for 50% of the benefit, discounted to current age at an assumed interest rate of 7.75%.

Supplemental Executive Retirement Plan. First Federal of Hazard has implemented a supplemental executive retirement plan ("SERP") to provide for supplemental retirement benefits with respect to the employee stock ownership plan ("ESOP") and retirement plan. The SERP provides participating executives with benefits otherwise limited by certain provisions of the Internal Revenue Code or the terms of the ESOP loan. Specifically, the SERP will provide benefits to designated officers that cannot be provided under the pension plan or the ESOP as a result of limitations imposed by the Internal Revenue Code, but that would have been provided under such plans, but for these Internal Revenue Code limitations. In addition to providing for benefits lost under tax-qualified plans as a result of the Internal Revenue Code limitations, the SERP will also provide supplemental benefits upon a change of control prior to the scheduled repayment of the ESOP loan. Generally, upon a change in control, the SERP will provide participants with a benefit equal to what they would have received under the ESOP, had they remained employed throughout the term of the loan, less the benefits actually provided under the ESOP on the participant's behalf. A participant's benefits generally become payable upon a change in control of Kentucky First or its subsidiaries. The Board has designated Tony D. Whitaker as a participant in the SERP.

First Federal of Hazard may utilize a grantor trust in connection with the SERP, in order to set aside funds that ultimately may be used to pay benefits under the SERP. The assets of the grantor trust will remain subject to the claims of general creditors in the event of insolvency, until paid to a participant according to the terms of the SERP. No amounts have been accrued to date under the SERP for Mr. Whitaker.

DIRECTOR COMPENSATION

The following table provides the compensation received by individuals who served as non-employee directors of the Company during the 2009 fiscal year. This table excludes perquisites, which did not exceed \$10,000 in the aggregate for each director.

Herman D. Regan, Jr.	12,600	16,968	7,350	1,680	38,598

- (1) Reflects the dollar amount recognized for financial statement reporting purposes in accordance with SFAS 123(R). Amounts represent the vesting of 1,680 shares of restricted stock in fiscal 2009 for each of the directors. For further information regarding the expense recognized for stock awards, see footnote A-11 to the Notes to the Consolidated Financial Statements contained in the Company's Annual Report to Stockholders filed as Exhibit 13 to the Company's Annual Report as Form 10-K. The award recipients receive dividends on unvested awards of restricted stock; such dividends are reported under the column "All Other Compensation" on the above table. At June 30, 2009, each director had outstanding unvested restricted stock awards for 3,360 shares of Common Stock.
- (2) Reflects the dollar amount recognized for financial statement reporting purposes in accordance with FAS 123(R) during the year ended June 30, 2009, based upon a fair value of \$1.75 for options granted in the year ended June 30, 2006 using the Black-Scholes option pricing model. For further information regarding the assumptions used to compute fair value, see footnote A-11 to the Notes to the Consolidated Financial Statements contained in the Company's Annual Report to Stockholders filed as Exhibit 13 to the Company's Annual Report as Form 10-K. At June 30, 2009, each director had outstanding options to acquire 8,400 shares of Common Stock.
- (3) The amounts reported in the "All Other Compensation" column for the year ended June 30, 2009 consist of dividends on restricted stock.

Fees. Each nonemployee director of the Company receives a quarterly retainer of \$900, and each member of the Kentucky First Audit Committee receives \$900 per meeting attended on a date on which there is not also a meeting of the full Board of Directors. Officers of Kentucky First who are directors are not compensated for their service as directors. Directors who also serve as directors of First Federal of Hazard receive \$10,800 annually plus \$400 for serving on the investment committee. Directors who also serve as directors of First Federal of Frankfort receive \$9,000 annually plus \$100 for certain committee meetings. Officers of either Bank who are also directors are not compensated for their service as directors.

TRANSACTIONS WITH RELATED PERSONS

First Federal of Hazard and First Federal of Frankfort both offer loans to their directors and executive officers. These loans were made in the ordinary course of business on substantially the same terms, including interest rates and

collateral, as those prevailing at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features. Under current law, the Banks' loans to directors and executive officers are required to be made on substantially the same terms, including interest rates, as those prevailing for comparable transactions with other persons and must not involve more than the normal risk of repayment or present other unfavorable features. Furthermore, all loans to such persons must be approved in advance by a disinterested majority of the Company's Board of Directors. At June 30, 2009, loans to directors and executive officers and their affiliates totaled \$386,577, or 0.7%, of the Company's stockholders' equity, at that date.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors (the "Audit Committee") has:

1. Reviewed and discussed with management the audited financial statements for the fiscal year ended June 30, 2009.
2. Discussed with the Company's independent auditors the matters required to be discussed by Statement of Accounting Standards No. 61, as the same was in effect on the date of the Company's financial statements; and
3. Received the written disclosures and the letter from the Company's independent auditors required by the Public Company Accounting Oversight Board regarding the independent auditor's communications with the Audit Committee concerning independence and has discussed with the independent accountant the independent accountant's independence.

Based on the foregoing review and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements for the fiscal year ended June 30, 2009 be included in the Company's Annual Report on Form 10-K for the year ended June 30, 2009.

The Audit Committee has reviewed the nonaudit services currently provided by the Company's independent auditor and has considered whether the provision of such services is compatible with maintaining the independence of the Company's independent auditors.

RELATIONSHIP WITH INDEPENDENT AUDITORS

BKD LLP ("BKD") served as the Company's independent accountants to audit the Company's consolidated financial statements for the fiscal years ended June 30, 2009 and 2008.

As reported on Form 8-K filed on August 20, 2009, the Company formally notified BKD that BKD would not be retained as the Company's independent registered public accounting firm for the fiscal year ending June 30, 2010. However, BKD was engaged to audit the Company's consolidated financial statements for the fiscal year ended June 30, 2009, and, in fact, issued their audit opinion on the Company's consolidated financial statements on September 28, 2009.

BKD's reports on the Company's consolidated financial statements for the fiscal years ended June 30, 2009 and 2008 did not contain an adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles. During the Company's two most recent fiscal year ends (the fiscal years ended June 30, 2009 and 2008) and through September 28, 2009, there were no disagreements with BKD on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of BKD, would have caused BKD to make reference to the subject

matter of the disagreements in their reports on the Company's consolidated financial statements for such years. During the Company's two most recent fiscal year ends (the fiscal years ended June 30, 2009 and 2008) and the subsequent interim period from July 1, 2009 through September 28, 2009, there were no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K. During the Company's two most recent fiscal year ends (the fiscal years ended June 30, 2009 and 2008) and the subsequent interim period from July 1, 2009 through September 28, 2009, the Company did not consult with BKD, regarding applications of accounting principles to any specified transaction or any other matters or "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K. BKD has provided the Company with a copy of BKD's letter addressed to the Securities and Exchange Commission stating that BKD agrees with the disclosures made by the Company in response to Item 304(a) of Regulation S-K.

The Audit Committee has voted to engage Crowe Horwath, LLP, as the Company's successor independent audit firm. The Audit Committee's decision to change firms was based on a solicitation of bids for its audit services. From this process, it was determined that Crowe Horwath, LLP, would be less expensive.

PROPOSAL II — RATIFICATION OF APPOINTMENT OF AUDITORS

The Audit Committee of the Board of Directors has approved the Company's arrangements with Crowe Horwath LLP to be the Company's auditors for the 2010 fiscal year, subject to ratification by the Company's stockholders. There are no plans for a representative of either BKD LLP or Crowe Horwath LLP to be present at the 2009 Annual Meeting.

The appointment of the auditors must be approved by a majority of the votes cast by the stockholders of the Company at the Meeting. The Board of Directors recommends that shareholders vote "FOR" the ratification of the appointment of auditors.

AUDIT AND OTHER FEES PAID TO INDEPENDENT ACCOUNTANT

Fees billed by the Company's independent accountant for the fiscal years ended June 30, 2009 and 2008 were \$95,035 and \$103,000, respectively.

Audit Fees

The aggregate fees billed by the Company's independent accountant for the audit of the Company's annual financial statements were \$77,800 and \$72,050 for the fiscal years ended June 30, 2009 and 2008, respectively.

Audit Related Fees

These fees include review of quarterly reports on Form 10-Q as filed by Kentucky First. The Company's independent accountant received \$16,005 for the fiscal year ended June 30, 2009 and \$14,550 for the fiscal year ended June 30, 2008.

Tax Fees

The aggregate fees billed by the Company's independent accountant for tax services for the fiscal years ended June 30, 2009 and 2008 were \$1,230 and \$1,450, respectively. The fees are for services including review of tax returns as prepared by the Company's staff.

All Other Fees

The aggregate fees billed by the Company's independent accountant for all other services, exclusive of the fees disclosed above, rendered during the fiscal years ended June 30, 2009 and 2008 were \$0 and \$14,950, respectively. For the year ended June 30, 2008, these services consisted of assistance with various accounting entries associated with Fin 48 and ESOP, as well as internal work on the audit.

Pre-Approval of Services by the Independent Auditor

The Audit Committee does not have a policy for the pre-approval of nonaudit services to be provided by the Company's independent auditor. Any such services would be considered on a case-by-case basis. All nonaudit services provided by the independent auditors in fiscal years 2009 and 2008 were approved by the Audit Committee. However, certain services such as the review of the Company's public filings, review of the Company's tax returns, and general discussions with management regarding accounting issues, which may be construed as necessary for the accurate completion of the audit, are approved in advance on an annual basis.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Pursuant to regulations promulgated under the Exchange Act, the Company's officers and directors and all persons who own more than 10% of the Common Stock ("Reporting Persons") are required to file reports detailing their ownership and changes of ownership in the Common Stock and to furnish the Company with copies of all such ownership reports that are filed. Based solely on the Company's review of the copies of such ownership reports which it has received in the past fiscal year or with respect to the past fiscal year, or written representations that no annual report of changes in beneficial ownership were required, the Company believes that during fiscal year 2009 all Reporting Persons have complied with these reporting requirements.

OTHER MATTERS

The Board of Directors is not aware of any business to come before the Annual Meeting other than those matters described above in this proxy statement and matters incident to the conduct of the Annual Meeting. However, if any other matters should properly come before the Annual Meeting, it is intended that proxies in the accompanying form will be voted in respect thereof in accordance with the determination of a majority of the Board of Directors.

MISCELLANEOUS

The cost of soliciting proxies will be borne by the Company. The Company will reimburse brokerage firms and other custodians, nominees and fiduciaries for reasonable expenses incurred by them in sending proxy materials to the beneficial owners of Common Stock. In addition to solicitations by mail, directors, officers and regular employees of the Company may solicit proxies personally or by telegraph or telephone without additional compensation.

The Company's 2009 Annual Report to Stockholders, including financial statements, is being mailed to all stockholders of record as of the close of business on the Record Date. Any stockholder who has not received a copy

of such Annual Report may obtain a copy by writing to the Secretary of the Company. The Annual Report is not to be treated as a part of the proxy solicitation material or as having been incorporated herein by reference.

STOCKHOLDER PROPOSALS

For consideration at the Annual Meeting, a stockholder proposal must be delivered or mailed to the Company's Secretary no later than October 19, 2009. In order to be eligible for inclusion in the proxy materials of the Company for the Annual Meeting of Stockholders for the fiscal year ending June 30, 2010, any stockholder proposal to take action at such meeting must be received at the Company's executive offices at P.O. Box 1069, Hazard, Kentucky 41702-1069 by no later than June 11, 2010. Any such proposals shall be subject to the requirements of the proxy rules adopted under the Exchange Act.
