Item 3.01 Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.

On April 1, 2010, Senesco Technologies, Inc. (the "Company") received a notice from the NYSE Amex LLC ("NYSE") providing notification that, the Company does not meet one of the NYSE's continued listing standards as set forth in Part 10 of the NYSE company guide and the Company has therefore become subject to the procedures and requirements of Section 1009 of the NYSE company guide. Specifically, the Company is not in compliance with Section 704 of the NYSE company guide in that it failed to hold its annual meeting of stockholders during the year ended December 31, 2009.

To maintain an NYSE listing, the Company must submit a plan by April 15, 2010 advising the NYSE of action it has taken, or will take that would bring the Company into compliance with the continued listing standards by July 1, 2010. We are taking steps to prepare and submit such a plan to the NYSE on or before April 15, 2010.

The Listings Qualifications Department of the NYSE will evaluate the Company's plan and determine whether it reasonably demonstrates the Company's ability to regain compliance with the continued listing standards by July 1, 2010. If the NYSE accepts the Company's plan, the Company may be able to continue its listing during the plan period provided that the Company demonstrates progress consistent with its plan and complies with other applicable NYSE listing qualifications. If the Company fails to submit a satisfactory plan or fails to demonstrate progress consistent with the plan accepted by the NYSE, the NYSE may initiate delisting procedures. During the plan period the Company will be subject to periodic review to determine whether the Company is making progress consistent with the plan.
