On July 30, 2010, Gran Tierra Energy Inc. (“Gran Tierra”) and Solana Resources Limited, a wholly-owned indirect subsidiary of Gran Tierra (“Solana”), entered into a \$100,000,000 credit facility pursuant to a Credit Agreement, dated as of July 30, 2010, by and among Gran Tierra, Solana, BNP Paribas, as administrative agent and global coordinator, and the lenders from time to time party thereto (the “Credit Agreement”). Availability under the Credit Agreement is determined by a proven reserves-based borrowing base, and remains subject to the satisfaction of conditions precedent set forth in the Credit Agreement. The Credit Agreement has a three-year term commencing on the date on which the conditions precedent are satisfied. The initial borrowing base is \$20,000,000, and the borrowing base will be re-determined semi-annually based on reserve evaluation reports, subject to a maximum of \$100,000,000. The Credit Agreement includes a letter of credit sub-limit of up to \$20,000,000. Amounts drawn down under the Credit Agreement bear interest, at Gran Tierra’s option at a eurodollar rate plus 3.5% per annum, or an alternate base rate plus 2.5% per annum. Undrawn amounts under the Credit Agreement bear interest at 1.5% per annum, based on the average daily amount of unused commitments. A letter of credit participation fee of 1.75% per annum will accrue on the average daily amount of letter of credit exposure. Under the terms of the Facility, Gran Tierra is required to maintain compliance with specified financial and operating covenants.

In connection with entering into the Credit Agreement, and as a condition precedent to borrowing loans thereunder, Gran Tierra, Solana, and certain of Gran Tierra’s other direct and indirect subsidiaries expect to enter into certain ancillary agreements (the “Related Agreements”), including but not limited to:

- a guarantee and collateral agreement;

- one or more securities pledge agreements executed and delivered by Gran Tierra Exchangeco and Gran Tierra Callco ULC respecting all of the issued and outstanding shares in Solana and Gran Tierra Exchangeco;
- a deposit account control agreement among Gran Tierra Energy Colombia, the Administrative Agent and JPMorgan Chase Bank, N.A.;
- a deposit account control agreement among Solana Petroleum Exploration, the Administrative Agent and BNP Paribas New York Branch, as depositary; and

·Release of Share Pledge Agreement, dated as of August 24, 2009, by and between Gran Tierra and Standard Bank.
