**SUPPLEMENT TO PROXY STATEMENT
FOR THE 2012 ANNUAL MEETING OF POWER REIT**

YOUR VOTE IS VERY IMPORTANT

PLEASE VOTE TODAY !

May 18, 2012

FROM: David H. Lesser, Chairman & CEO

55 Edison Avenue

West Babylon, New York 11704

Dear Fellow Shareholder,

Our records indicate that you are one of our largest shareholders.

As you know, the 2012 Annual Meeting of Shareholders of Power REIT is fast approaching and your voting support for the incumbent Board is very important. By now you may have received proxy materials from an opposition group led by Paul Dorsey (“Dorsey”) that is seeking to take replace your entire Board through a hostile proxy battle despite having a minimal ownership stake. Mr. Dorsey has no experience running a public company or a real estate investment trust.

Very similar to his rhetoric in his failed proxy campaign last year, Dorsey's statements are full of inaccuracies that are so substantial, selectively presented and repeatedly uncorrected that, in our opinion, they must be designed to mislead you. Example: Dorsey would have you believe that the Keystone Property Trust (NYSE:KTR) transaction was a poor investment of mine earlier in my business career. The facts say otherwise:

Mr. Lesser's track-record with KTR:

1. Cumulative returns assumes dividends were re-invested; initial share price of \$11.00 and exit share price of \$23.80 in 2004

Your company is in good hands with the current Board and Management

As the largest shareholder in Power REIT, my interests are directly aligned with other shareholders. Unlike Dorsey and his group, your Board and management team have a solid business plan for growing the company that is designed to create shareholder value.

We cannot help but question the motives or judgment of the Dorsey Group

I have personally reached out to the Dorsey group nominees several times but have not received the courtesy of a reply. Dorsey owns 0.06% of the total shares outstanding and he has not increased his holdings in over a year, and his other nominees do not own any shares. Further, three of the four Dorsey nominees seemingly have no public board experience (including Mr. Dorsey). By the Dorsey group's own admission in recent filings with the SEC, they have no management team to run the company. Dorsey has not reached out to the Company to express concerns, discuss a business plan or participate in the nomination process for Trustees. Instead, he has launched this hostile, unwarranted and costly proxy fight for replacement of the entire Board of your company. Don't let that happen. Vote **FOR** your highly qualified, incumbent Board of Trustees today.

Vote FOR the Trust's nominees today on the enclosed voting form, as soon as possible

As a company, we appreciate your continued interest and support. We welcome the opportunity to review our business plans and address any questions or concerns you may have. **We also encourage you to review our latest investor presentation and full response to the Dorsey proxy fight on our website: www.pwreit.com under "Investor Relations".**

Please do not hesitate to contact us at ir@pwreit.com or at **212-750-0373** if you have any questions or comments.

Sincerely,

/s/ David H. Lesser
