Item 1.02. Termination of a Material Definitive Agreement.

As previously disclosed in Note 8 to the Unaudited Condensed Consolidated Financial Statements of Fortress International Group, Inc. (the “Company”) filed with the Company’s Form 10-Q for the quarterly period ending March 31, 2012, the Company and its subsidiaries Innovative Power Systems, Inc., VTC, L.L.C., Total Site Solutions Arizona, LLC, and Alletag Builders, Inc. (together with the Company, collectively, “Borrowers”) have failed to comply with certain financial covenants under Borrowers’ credit facility with Wells Fargo Bank, National Association (“Lender”) pursuant to a Credit Agreement and ancillary documents (collectively, the “Credit Agreement”). The maximum amount of funds available under the Credit Agreement was \$2,000,000, and the Credit Agreement was set to expire by its terms on November 1, 2012. On July 10, 2012, the Company received notice that, effective June 28, 2012, Lender was terminating the Credit Agreement and all future availability of funds under the Credit Agreement because of Borrowers’ failure to comply with certain financial covenants under the Credit Agreement. At the time of termination of the Credit Agreement, Borrowers had no outstanding borrowings under the Credit Agreement. No penalties, fees, charges or assessments are due to Lender in connection with the termination of the Credit Agreement. Management believes that the termination of the Credit Agreement will not have a material adverse effect on the Company's business, operating results, and financial condition and that the Company's current cash and cash equivalents and expected future cash generated from operations will satisfy over the next twelve months the expected working capital, capital expenditure, and financing obligations of the Company. The Company is considering the need and likely costs of a new credit facility and may in the future seek a new financing relationship.
