Ader Group Issues Open Letter To IGT Employee Stockholders

Available at www.RESCUEIGT.com, Employees Are Encouraged to Vote GOLD

NEW YORK, Feb. 11, 2013 /PRNewswire/ -- The Ader Group today issued an open letter to employees holding shares of International Game Technology.

The letter highlighted a number of points, including:

IGT employees own more than 6X the beneficial ownership of the current non-employee directors and, like all stockholders, deserve to be well-represented in the boardroom;

- Recent IGT customer and investor public comments which were critical of the path the current board has taken;

- The Ader Group's vision for a reinvigorated IGT to improve shareholder value; and

The incumbent independent directors' repeated refusal to engage in a meaningful dialogue to create shareholder value for all IGT stockholders.

The Ader Group is urging shareholders to vote the **GOLD** proxy card to elect its three highly-qualified, forward-looking nominees, Raymond J. Brooks, Jr. , Charles N. Mathewson and Daniel B. Silvers , at IGT's upcoming annual meeting scheduled for March 5, 2013.

The letter is available by visiting www.RESCUEIGT.com (on the "Filings & Presentations" page) and the text of the letter follows:

February 10, 2013

Dear Employee Stockholders of IGT:

YOU CAN IMPROVE THE FUTURE OF YOUR INVESTMENT

IT IS IMPORTANT THAT YOU VOTE THE GOLD PROXY CARD TODAY!

Together, employees own more than 1.2% of IGT's outstanding shares—or more than six times the beneficial ownership of the current non-employee directors. Like IGT's employees, the Ader Group holds a significant position in IGT, with beneficial ownership representing more than 3% of IGT's outstanding shares—or more than 15 times the beneficial ownership of the current non-employee directors. We believe the Ader Group's interests are strongly aligned with those of ALL IGT investors, including yours.

It is clear from the numerous supportive calls and emails we have received, that many employees, like us, have been frustrated by the decline in IGT's stock price in recent years. We are confident that long-time employees used to be filled with pride when they walked through a casino and saw IGT games dominating the floor. Unfortunately, IGT's

market presence is not what it once was. However, our vision for IGT is to work with management and the board to focus the company on groundbreaking innovation and content in its core casino gaming business. We believe such reinvigorated focus will lead to improved customer relations, market penetration and financial performance, thereby driving growth in profitability and shareholder value.

Despite the Ader Group's clear interest in improving shareholder value, the incumbent independent directors have refused our repeated attempts to engage in a meaningful dialogue. Indeed, rather than focusing their efforts on articulating how the incumbent board might create value for shareholders, they seem to have resorted to making a series of personal attacks on the Ader Group and our nominees.

Recently, Orange Capital, a significant IGT shareholder, publicly voiced its support for the Ader Group's agenda and asked our board to seat our nominees. Even more notably, Steve Wynn, one of IGT's most important customers, expressed his concern about the nature of IGT's response to the Ader Group's efforts to improve shareholder value, and questioned whether the response is an "attempt to distract shareholder attention from current performance."

No matter how the incumbent board—and their army of highly-compensated outside advisors—try to spin the upcoming vote on directors, this election is not about the past. This election is about the future of our company and the value of our personal investment in IGT. Now is the time for change. Now is the time for shareholders to have a strong voice in the boardroom.

The Ader Group seeks to elect Ray Brooks , Chuck Mathewson and Daniel Silvers to our company's board on the **GOLD** proxy card. These highly-qualified, independent, forward-looking nominees are committed to looking out for the best interests of all IGT shareholders. If elected, our nominees will work on the Board level to:

- Re-engage with IGT's customers to improve their confidence in the company;
- Revitalize the internal culture in order to stimulate and reward innovation;
- Refocus internal efforts on the company's core slot machine and systems business; and
- Initiate a strategic review to improve the implementation of the company's social gaming effort.

Regrettably, it appears that employee shareholders may not have had access to all the facts about our solicitation, as some have reportedly had difficulty accessing the Ader Group's website: www.RESCUEIGT.com from work. We urge all employee shareholders to access our website from other locations, so that you have the opportunity to fully consider our concerns, the qualifications of our nominees and our plan to create shareholder value.

Once you have reviewed the Ader plan, we have no doubt that you will agree that (1) change is needed at the Company and (2) the Ader Group's nominees are the best candidates to implement that change.

Help us to reinvigorate the culture of IGT and restore its entrepreneurial spirit in the core casino gaming business. Please vote your GOLD proxy card TODAY by internet, telephone or by signing, dating and returning your GOLD proxy card. Remember—as the Company recently disclosed, all employee shareholder voting decisions are confidential.

You may also want to keep in mind that if you try to lodge a "protest" and vote against the IGT nominees on the White proxy card, it will not have the same effect as voting FOR the Ader nominees on the **GOLD** proxy card. **In order to support the Ader nominees, it is important that you use the GOLD proxy card.** If you have inadvertently already submitted a White proxy card, you have every right to change your vote by promptly voting again using the GOLD proxy card. **Only your latest dated vote counts.**

If you need assistance in voting your IGT shares on the GOLD proxy card, please call the firm assisting us in the solicitation of proxies, Innisfree M&A Incorporated, toll-free at (877) 825-8621.

We look forward to seeing many of you at IGT's annual meeting, and to working with you in the future to build a better company.

Thank you for your support.
