DISSENTER'S RIGHTS OF APPRAISAL

The Stockholders have no right under the Nevada Revised Statutes, the Company's articles of incorporation consistent with above or Bylaws to dissent from any of the provisions adopted in the Amendments.

AMENDMENT TO ARTICLES OF INCORPORATION

TO INCREASE THE NUMBER OF AUTHORIZED SHARES

OF COMMON STOCK FROM 500,000,000 TO 800,000,000

The Company's Articles of Incorporation, as amended (the "Articles of Incorporation") authorizes the maximum number of shares outstanding at any time shall be eight hundred million (800,000,000) shares of Common Stock. On October 23, 2012, the Board of Directors approved an amendment to the Articles of Incorporation to authorize eight hundred million (800,000,000) shares of Common Stock. The Board of Directors is authorized to fix the number of shares of and to determine or alter the rights, preferences, privileges and restrictions granted to or imposed upon the Common Stock. On January 3, 2013, the holders of a majority of the voting rights of the Company approved the Amendment by written consent.

The general purpose and effect of the amendment to the Company's Articles of Incorporation in authorizing eight hundred million (800,000,000) additional shares of Common Stock will be to use such additional shares of common stock for general corporate purposes, including acquisitions, equity financings, stock dividends, stock splits or other recapitalizations, and grants of stock options. When the Board of Directors deem it to be in the best interests of the Company and the Stockholders to issue additional shares of Common Stock in the future from authorized shares, the Board of Directors generally will not seek further authorization by vote of the Stockholders, unless such authorization is otherwise required by law or regulations.

The additional authorized shares of Common Stock could have an anti-takeover effect. If the Company's Board of Directors desires to issue additional shares in the future, such issuance could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary corporate transaction opposed by the Company.

Neither our charter nor our by-laws presently contain any provisions having anti-takeover effects and this proposal is not a plan by management to adopt a series of amendments to the Company's charter or by-laws to institute an anti-takeover provision. The Company does not have any plans or proposals to adopt other provisions or enter into other arrangements that may have material anti-takeover consequences

EFFECTIVE DATE OF AMENDMENT

Pursuant to Rule 14c-2 under the Exchange Act, the filing of the Amendment to the Articles of Incorporation with the Nevada Secretary of State or the effective date of such filing, shall not occur until a date at least twenty (20) days after the date on which this Information Statement has been mailed to the Stockholders. The Company anticipates that the actions contemplated hereby will be effected on or about the close of business on April 11, 2013.

By Order of the Board of Directors
