## Section 8 – Other Events

### Item 8.01 Other Events.

The board of directors (the “Board”) of Overseas Shipholding Group, Inc. (the “Company”) has approved changes to the stock ownership guidelines for senior management employees (the “Guidelines”). The Guidelines generally require that during each fiscal quarter, senior management employees maintain ownership of at least a specific number of shares of the common stock of the Company (“Common Stock”). A copy of the Guidelines was filed as Exhibit 99.1 to the Company’s Current Report on Form 8-K filed with the Commission on January 25, 2010. In connection with the decline in the price of Common Stock, the Board has waived, effective April 18, 2013, the quarterly stock ownership requirements in the Guidelines (1) provided that no employee may sell Common Stock if he possesses material, nonpublic information about the Company, and (2) provided further that any employee possessing nonpublic information about the Company’s cash balances may sell shares of Company common stock only (i) during the five business day period after the second business day after the filing of a Current Report on Form 8-K with the United States Securities and Exchange Commission of a Monthly Operating Report for the Company which discloses the Company’s cash balances as of the last day of the second month prior to the date of such filing and (ii) if the nonpublic information such employee possesses about the Company’s cash balances is not material.
