Item 2.03 - Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On August 27, 2013, Escalade, Incorporated (“Escalade”) and each of its domestic subsidiaries (collectively with Escalade, the “Company”) entered into a First Amended and Restated Credit Agreement (“Restated Credit Agreement”) with its issuing bank, JPMorgan Chase Bank, N.A. (“Chase”), and the other lenders identified in the Restated Credit Agreement (collectively, the “Lender”). The Restated Credit Agreement amends and restates the existing Credit Agreement dated as of April 30, 2009, as amended by the Amendments First through Tenth, between Escalade and the Lender. This Form 8-K describes the primary changes to the existing Credit Agreement. For the entire text of the Restated Credit Agreement (without exhibits and schedules), please see Exhibit 10.1. attached hereto.

Under the terms of the Restated Credit Agreement, the Lender has made available to Escalade a senior revolving credit facility in the maximum amount of up to \$22,000,000.00 (the “Revolving USD Facility”) and a term loan in the principal amount of \$5,000,000.00 (the “Term Loan”). Escalade is required to repay the outstanding principal balance of the Revolving USD Facility, including all accrued and unpaid interest thereon, on August 27, 2016 (the “Revolving USD Loan Maturity Date”). Escalade may prepay the Revolving USD Facility, in whole or in part, and reborrow prior to the Revolving USD Loan Maturity Date. Escalade is required to repay the outstanding principal balance of the Term Loan, including all accrued and unpaid interest thereon, on August 27, 2016. Beginning with the calendar quarter ending September 30, 2013, Escalade is required to make repayments of the principal balance of the Term Loan in equal installments of \$250,000 per calendar quarter, with interest accrued thereon. Principal amounts repaid in respect of the Term Loan may not be re-borrowed.

In addition, Escalade and JPMorgan Chase Bank, N.A., London Branch have entered into a letter agreement amending the overdraft facility dated May 27, 2010 to reduce the amount of the overdraft facility from €2,000,000.00 to €1,000,000.00. The letter agreement modifying the overdraft facility is attached hereto as Exhibit 10.2.

The Restated Credit Agreement allows Escalade to request the issuance of letters of credit of up to \$5,000,000.00, subject to the aggregate undrawn amount of a letter of credit issued by The Bank of New York Trust Company, N.A. for the account of Martin Yale Industries, Inc. Each loan, other than a Eurodollar Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Base Rate. Loans comprising each Eurodollar Borrowing shall bear interest at the Adjusted LIBO Rate for the interest period in effect plus the Applicable Rate. Applicable Rate means the applicable rate per annum set forth below, based upon Escalade’s Funded Debt to Adjusted Ratio as of the most recent determination date:

In addition, each direct and indirect domestic subsidiary of Escalade has unconditionally guaranteed all of the indebtedness of Escalade arising under the Restated Credit Agreement and has secured its guaranty with a first priority security interest and lien on all of its assets. The Pledge and Security Agreement dated April 30, 2009 by and between Escalade and Chase, and each Pledge and Security Agreement dated April 30, 2009 by and between each such Escalade subsidiary and Chase continue in full force and effect, as amended by the Master Amendment to Pledge and Security Agreements dated May 31, 2010 entered into by Chase, Escalade and each such subsidiary. The Unlimited Continuing Guaranty dated April 30, 2009 applicable to each of Escalade's domestic subsidiaries continues in full force and effect without change.

Under the terms of the Restated Credit Agreement, the Company is subject to financial covenants relating to Fixed Charge Coverage Ratio, Minimum Tangible Net Worth, and Funded Debt to Adjusted EBITDA.

Furthermore, the terms of the Restated Credit Agreement continue to require the Company to comply with various covenants and negative covenants customary for facilities of this type. Those negative covenants include restrictions on the Company's ability to pay cash dividends, to repurchase shares in excess of \$1,000,000 in the aggregate, to repurchase fractional shares in excess of \$500,000 in the aggregate, and to incur certain indebtedness.
