## **PART II**

(b) The description of the Company’s Common Stock that is contained in the Company’s Form 10 Registration Statement, including any amendment or report filed for the purpose of updating that description.

## Edgar Filing: First Foundation Inc. - Form S-8

All documents subsequently filed by us pursuant to Sections 13(a), 13(c), 14 or 15(d) of the Exchange Act (other than reports furnished under Item 2.02 or Item 7.01 of Form 8-K and the exhibits furnished with those Form 8-K reports that are related to those Items), prior to the filing of a post-effective amendment which indicates that all securities offered have been sold or which deregisters all securities then remaining unsold, shall be deemed to be incorporated by reference in this registration statement and to be part hereof from the date of filing such documents.

For purposes of this registration statement, any statement in a document incorporated by reference shall be deemed to be modified or superseded to the extent that a statement contained in this registration statement or any later filed documents modify or supersede a statement in such earlier document. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this registration statement.

### Item 4. Description of Securities.

Not applicable.

### Item 5. Interests of Named Experts and Counsel.

Stradling Yocca Carlson & Rauth, a Professional Corporation, which provides legal services to the Company, has rendered the legal opinion set forth in Exhibit 5.1 to this registration statement. Shareholders of Stradling Yocca Carlson & Rauth own a total of 8,500 shares of the Company's common stock.

Item 6. Indemnification of Directors and Officers.

Section 317 of the California Corporations Code (the “Corporations Code”) authorizes a court to award, or a corporation’s Board of Directors to authorize the indemnification by the corporation of directors and officers who are parties or are threatened to be made parties to any proceeding (with certain exceptions) by reason of the fact that the person is or was an agent of the corporation, against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with the proceeding if that person acted in good faith and in a manner the person reasonably believed to be in the best interests of the corporation. Section 204 of the Corporations Code provides that this limitation on liability has no effect on a director’s liability (a) for acts or omissions that involve intentional misconduct or a knowing and culpable violation of law, (b) for acts or omissions that a director believes to be contrary to the best interests of the corporation or its shareholders or that involve the absence of good faith on the part of the director, (c) for any transaction from which a director derived an improper personal benefit, (d) for acts or omissions that show a reckless disregard for the director’s duty to the corporation or its shareholders in circumstances in which the director was aware, or should have been aware, in the ordinary course of performing a director’s duties, of a risk of a serious injury to the corporation or its shareholders, (e) for acts or omissions that constitute an unexcused pattern of inattention that amounts to an abdication of the director’s duty to the corporation or its shareholders, (f) under Section 310 of the Corporations Code (concerning contracts or transactions between the corporation and a director), or (g) under Section 316 of the Corporations Code (directors’ liability for improper dividends, loans and guarantees).

Section 317 does not extend to acts or omissions of a director in his capacity as an officer. Furthermore, Section 317 has no effect on claims arising under federal or state securities laws and does not affect the availability of injunctions and other equitable remedies available to our shareholders for any violation of a director’s fiduciary duty to us or our shareholders.

Our articles of incorporation eliminate the liability of each of our directors for monetary damages to the fullest extent permissible under California law. Our articles of incorporation further authorizes us to provide indemnification to our officers and directors to the fullest extent permissible under California law and in excess of that otherwise permitted under Section 317 of the California Corporations Code. Our amended and restated bylaws also provide for similar indemnification of our officers and directors to the maximum extent permitted by California law.

In 2007, the Company’s shareholders approved indemnification agreements to be entered into by the Company with its directors and executive officers and authorized the Company to enter into such agreements with its directors and officers. These agreements require the Company, among other things, (i) to indemnify their respective directors and officers against certain liabilities that may arise by reason of their status or service as directors or officers (other than liabilities arising from actions not taken in good faith or in a manner the indemnitee believed to be opposed to the best interests of the Company, (ii) to advance the expenses such directors or executive officers may incur as a result of or in connection with the defense of any proceeding brought against them as to which they could be indemnified, subject to an undertaking by the indemnified party to repay such advances if it is ultimately determined that he or she is not entitled to indemnification, and (iii) to obtain officers’ & directors’ liability insurance if available on reasonable terms.

We have obtained directors' and officers' liability insurance for our directors and officers.

The foregoing summaries are necessarily subject to the complete text of the California Corporations Code, our articles of incorporation, our amended and restated bylaws and the indemnification agreements referred to above and are qualified in their entirety by reference thereto.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling our Company as described above, we have been informed that in the opinion of the Commission, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable. We believe that our articles of incorporation and the indemnification agreements are necessary to attract and retain qualified persons as directors and executive officers.

Item 9. Undertakings.

(a) We hereby undertake:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

i. To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*Provided however*, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) We hereby undertake that, for purposes of determining any liability under the Securities Act, each filing of our annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
