**Item 2.05 Costs Associated with Exit or Disposal Activities.**

On October 31, 2014, we implemented a reduction of our workforce to reduce our fixed costs. The reduction includes development and game-testing, selling and marketing, and support personnel. We are currently not developing any significant new games for release in fiscal 2015. We expect to incur charges of approximately \$0.3 million to \$0.4 million through December 31, 2014 relating to this reduction in force, consisting primarily of one-time severance payments and other termination benefits.

As discussed in our quarterly report on Form 10-Q for the quarterly period ended July 31, 2014, we have suffered losses that raise substantial doubt about our ability to continue as a going concern. Accordingly, we are evaluating various alternatives, including reducing operating expenses and personnel costs, securing additional financing for future business activities, and other strategic alternatives including a sale or merger of our company.
