**Item 1.01 Entry into a Material Definitive Agreement.**

On February 4, 2015, ClearSign Combustion Corporation (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) with MDB Capital Group, LLC (the “Underwriter”), relating to an underwritten public offering, for the issuance and sale of 2,600,000 shares of the Company’s common stock, par value \$0.0001 per share, at a public offering price of \$5.85 per share, less underwriting discounts and commissions, pursuant to an effective registration statement on Form S-3 (File No. 333-188381) and a related prospectus supplement filed with the Securities and Exchange Commission. Under the terms of the Underwriting Agreement, the Company also granted the Underwriter an option exercisable for 45 days to purchase up to an additional 390,000 shares from the Company at the public offering price, less underwriting discounts and commissions, to cover over-allotments.

The Company expects the net proceeds from the offering to be approximately \$14,162,400, or approximately \$16,307,010 if the Underwriter exercises its over-allotment option to purchase additional shares in full, after deducting underwriting discounts and commissions and estimated offering expenses. The Company intends to use the net proceeds from this offering for general corporate and working capital purposes.

The Underwriting Agreement contains customary representations, warranties and agreements by the Company, customary conditions to closing, indemnification obligations of the Company and the Underwriter, including for liabilities under the Securities Act of 1933, as amended, various other obligations of the parties, and termination provisions. The offering is expected to close on or about February 10, 2015, subject to the closing conditions contained in the Underwriting Agreement.

The above description of the Underwriting Agreement is qualified in its entirety by reference to the full text of the Underwriting Agreement, a copy of which is filed as Exhibit 1.1 hereto and is incorporated herein by reference.

Richardson & Patel LLP, counsel to the Company, has issued an opinion to the Company, dated February 5, 2015, regarding the validity of the shares of common stock to be issued and sold in the offering. A copy of the opinion is filed as Exhibit 5.1 to this Current Report on Form 8-K.
