**Item 4.02 Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review.**

On May 6, 2015, the Audit Committee of the Board of Directors of Tecnoglass Inc. (the “Company”) and management determined that the Company’s previously-filed quarterly reports on Form 10-Q for the quarters ended March 31, 2014, June 30, 2014 and September 30, 2014 (collectively, the “Quarterly Financial Statements”), should no longer be relied upon.

In reviewing the Quarterly Financial Statements, the Company has identified an error in the Condensed Consolidated Statement of Cash Flows for the three months ended March 31, 2014 resulting from an incorrect classification of proceeds received from its 2013 merger and equity issuance. In accordance with accounting guidance presented in ASC 250-10 and SEC Staff Accounting Bulletin No. 99, Materiality, the Company’s management assessed the materiality of the error and concluded it was material to the Company’s previously reported Condensed Consolidated Statement of Cash Flows for the three months ended March 31, 2014, six months ended June 30, 2014 and nine months ended September 30, 2014. Accordingly, the Company will be restating these Condensed Consolidated Statements of Cash Flows to correct the error. The restatements had no effect on the Company’s previously reported Condensed Consolidated Balance Sheets, Condensed Statements of Operations and Comprehensive Income for these periods.

A tabular summary of the restatements that will be made is presented below (all \$ amounts in thousands):

	Condensed Consolidated Statement of Cash Flows Three months ended March 31, 2014

The Company corrected the Condensed Consolidated Statement of Cash Flow in connection with the filing of its Form 10-Q for the three months ended March 31, 2015 filed on May 7, 2015 and anticipates filing the corrections to its Quarterly Financial Statements on Forms 10-Q/A for the periods ended June 30, 2014 and September 30, 2014 in the near future. The correction of the error did not impact the Company's 2014 Form 10-K, which was filed with the Securities and Exchange Commission on April 15, 2015.

The Audit Committee and our management discussed with the Company's former independent registered public accounting firm, the matters disclosed under this Item 4.02(a).

Forward-looking statements include, among others, statements about our plans to restate our consolidated financial statements and amend prior SEC filings, the timing of such restatement, and the restatement’s effect on our prior consolidated financial statements.
