### **Employment Agreements and Potential Payments Upon Termination or Change in Control**

The Company has an employment agreement with each of Richard L. Soloway and Jorge Hevia. The agreement with Mr. Soloway, entered into on June 26, 2003, is for a five year period, and then year to year unless notice of termination is given at least six months prior to the end of the then applicable term. The Agreement provides for a minimum annual salary to be adjusted for inflation and discretionary annual incentive compensation. Mr. Soloway's agreement contains non-compete restrictions during his employment and for one year after termination for any reason. The agreement also provides for termination payments to Mr. Soloway upon death, disability, termination by the Company other than for Cause, as defined, termination by Mr. Soloway for Good Reason, as defined, and termination by Mr. Soloway in the event of a change in control. In the event of death, the termination payment equals one year's salary payable over one year plus a bonus calculated on a pro rata basis through the end of the fiscal quarter immediately preceding death. In the event of disability, the Company must pay Mr. Soloway an amount equal to 60% of his annual salary through the term of the agreement plus his bonus on a pro rata basis through the end of the fiscal quarter preceding the sixth month of his disability. In the event the Company terminates Mr. Soloway other than for Cause or if Mr. Soloway terminates for Good Reason, the Company must pay Mr. Soloway, in a lump sum, an amount equal to three times his annual salary plus the bonus paid to him for the year prior to his termination. If during the term there should be a change in control, then Mr. Soloway is entitled to terminate his employment, and the Company is required to pay him, an amount equal to 299% of the average of the prior five calendar years' total compensation, subject to certain limitations. The Company's option plans provide for the accelerated vesting of unvested options upon a change in control.

Had Mr. Soloway's employment terminated on June 30, 2015 after a change in control, the Company would have been required to pay him \$2,286,438 pursuant to his employment agreement. In addition, assuming a change of control on June 30, 2015, vesting of options to purchase 14,000 shares of Common Stock of the Company would have been accelerated. The value of such accelerated options would have been \$9,556 based upon the closing price per share of \$5.73 of the Company's Common Stock on the NASDAQ Global Market on June 30, 2015.

Under such agreement, had Mr. Soloway's employment terminated on June 30, 2015 on account of (i) death, (ii) disability or (iii) by the Company other than for Cause, or by Mr. Soloway for Good Reason, the Company would have been required to pay him \$669,877, \$401,926 and \$2,534,631, respectively.

Mr. Hevia's agreement, as amended, terminates in October 2016 and provides for an annual salary of \$305,813 and for a bonus arrangement for fiscal 2015 based upon increases in net sales. Mr. Hevia's agreement, as amended, provides for payment equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause or upon a change in control of the Company. Had either of such events occurred on June 30, 2015, the Company would have been required to pay him \$240,303.

In addition, the Company has a severance agreement with Kevin S. Buchel providing for payments equal to nine months of salary and six months of health insurance in the event of a non-voluntary termination of employment without cause. Had Mr. Buchel's employment been terminated on June 30, 2015 non-voluntarily without cause, the Company would have been required to pay him \$223,619, pursuant to such severance agreement. Mr. Buchel's bonus arrangement for fiscal 2015 was based upon increases in each of net sales and net income.

Mr. Carrieri's bonus arrangement for fiscal 2015 was based upon increases in net sales.

In the event of a change of control on June 30, 2015, vesting of options to purchase 7,000 shares of Common Stock of the Company would have been accelerated for each of Messrs. Hevia, Buchel and Carrieri. The value of such accelerated options would have been \$7,990 for each of Messrs. Hevia, Buchel and Carrieri, based upon the closing price per share of \$5.73 of the Company's Common Stock on the NASDAQ Global Market on June 30, 2015.

Each of the severance agreements with Mr. Hevia and Mr. Buchel contains non-compete restrictions for three years after the employee's termination of employment.

### **Certain Transactions**

On September 17, 2013 the Company repurchased 50,000 shares of its Common Stock from its Chief Executive Officer, Richard L. Soloway. The purchase price was \$5.70 per share, the previous business day's closing price on NASDAQ, for an aggregate purchase price of \$285,000. The repurchase was to provide Mr. Soloway with the funds for the tax liability associated with the exercise of 135,000 options granted to him under the Company's 2002 Employee Stock Option Plan. The repurchase by the Company was approved by the Board of Directors of the Company, including all of the independent directors.

### Policy on Audit Committee Pre-Approval of Audit and Permissible Non-Audit Services of Independent Auditors

The Audit Committee specifically pre-approves all audit and permissible non-audit services provided by the independent auditors. These services may include audit services, audit-related services, tax services and other services. Pre-approval may be provided for up to one year. Each pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the services provided by the independent auditors in accordance with this pre-approval, and the fees for the services performed to date.
