**PROXY STATEMENT**

**FOR THE ANNUAL MEETING OF STOCKHOLDERS**

**TO BE HELD dECEMBER 29, 2017**

**To Our Stockholders:**

This proxy statement (this “Proxy Statement”) is furnished in connection with the solicitation of proxies by the Board of Directors (our “Board of Directors” or “Board”) of DGSE Companies, Inc., a Nevada corporation (the “Company,” “we,” “us,” “our,” and “DGSE”), to be used at our Annual Meeting of Stockholders to be held in a conference room at the Holiday Inn located at 6055 LBJ Freeway, Dallas, Texas 75240, on December 29, 2017 at 10:00 a.m. (local time), or at any adjournment or adjournments thereof. Our stockholders of record as of the close of business on December 1, 2017 (the “Record Date”) are entitled to vote at our annual meeting.

**Important Notice of Availability of Proxy Materials for the Annual Meeting of Stockholders to be held on December 29, 2017.**

**Our proxy materials, including our Proxy Statement for the 2017 Annual Meeting, 2016 Annual Report on Form 10-K for the year ended December 31, 2016 and proxy card, are being sent to security holders on December 8, 2017 and are available on the internet at [www.DGSECompanies.com](http://www.DGSECompanies.com).**

**VOTING PROCEDURES AND REVOCABILITY OF PROXIES**

The accompanying proxy card is designed to permit each of our stockholders as of the Record Date to vote on each of the proposals properly brought before the annual meeting. As of the Record Date, there were 26,943,131 shares of our common stock, par value \$0.01 per share (our "Common Stock"), issued and outstanding and entitled to vote at the annual meeting. Each outstanding share of our Common Stock is entitled to one vote.

The holders of a majority of our outstanding shares of Common Stock entitled to vote, present in person or by proxy, will constitute a quorum for the transaction of business at the annual meeting. If a quorum is not present, the annual meeting may be adjourned from time to time until a quorum is obtained.

Abstentions and broker non-votes will be counted for the purpose of determining whether a quorum is present. Abstentions, but not broker non-votes, are treated as shares present and entitled to vote. Broker non-votes are treated as shares present but not entitled to vote on the particular matter. Broker non-votes occur when nominees, such as banks and brokers holding shares on behalf of beneficial owners, do not receive voting instructions from the beneficial holders at least ten days before the meeting. If that happens, the nominees may vote those shares only on matters deemed "routine" by the NYSE American LLC (the "Exchange"), such as the ratification of auditors. Nominees cannot vote on non-routine matters unless they receive voting instructions from beneficial holders, resulting in so-called "broker non-votes."

Assuming that a quorum is present, directors will be elected by a plurality vote and the four nominees who receive the most votes will be elected. As a result, abstentions and broker non-votes, if any, will not affect the outcome of the vote on this proposal. There is no right to cumulative voting unless cumulative voting is requested at the Annual Meeting by a stockholder who has complied with the requirements set forth in our bylaws with respect to cumulative voting.

Assuming that a quorum is present, the ratification of the appointment of Whitley Penn as our independent registered public accountants for the fiscal year ending December 31, 2017 and approval of any other matter that may properly come before the annual meeting, requires the affirmative vote of a majority of the total votes cast on these proposals, in person or by proxy, is required to approve these proposals. As a result, abstentions and broker non-votes, if any, will not affect the outcome of the vote on these proposals because they are not considered votes cast. We believe that the proposal for the ratification of our independent registered public accounting firm is considered to be a “routine” matter, and hence we do not expect that there will be a significant number of broker non-votes on such proposal.

The accompanying proxy card provides space for you to vote in favor of, against or to withhold or abstain voting for: (i) the nominees for the Board of Directors identified herein; (ii) ratification of the appointment of Whitley Penn as our independent registered public accountants for the fiscal year ending December 31, 2017; (iii) adjournment of the annual meeting, if necessary, to solicit additional proxies in favor of proposals one through two; and (iv) transaction of such other business as may properly come before the meeting and any adjournment(s) thereof. Our Board of Directors urges you to complete, sign, date and return the proxy card in the accompanying envelope, which is postage prepaid for mailing in the United States.

When a signed proxy card is returned with choices specified with respect to voting matters, the proxies designated on the proxy card will vote the shares in accordance with the stockholder’s instructions. We have designated Bret Pedersen and Tim Natoli as proxies for the stockholders. If you desire to name another person as your proxy, you may do so by crossing out the names of the designated proxies and inserting the name of the other person to act as your proxy. In that case, it will be necessary for you to sign the proxy card and deliver it to the person named as your proxy and for the named proxy to be present and vote at the annual meeting. Proxy cards so marked should not be mailed to us.

If you sign your proxy card and return it to us and you have made no specifications with respect to voting matters, your shares will be voted FOR: (i) the election of the nominees for director identified herein; (ii) ratification of the appointment of Whitley Penn as our independent registered public accountants for the fiscal year ending December 31, 2017; (iii) adjournment of the annual meeting, if necessary, to solicit additional proxies in favor of proposals one through two; and (iv) transaction of such other business as may properly come before the meeting and any adjournment(s) thereof.

You have the unconditional right to revoke your proxy at any time prior to the voting of the proxy by taking any act inconsistent with the proxy. Acts inconsistent with the proxy include notifying our Secretary in writing of your revocation, executing a subsequent proxy, or personally appearing at the annual meeting and casting a contrary vote. However, no revocation shall be effective unless at or prior to the annual meeting we have received notice of such revocation.

At least ten (10) days before the annual meeting, we will make a complete list of the stockholders entitled to vote at the annual meeting open to the examination of any stockholder for any purpose germane to the meeting. The list will be open for inspection during ordinary business hours at our executive offices located at 13022 Preston Road, Dallas, Texas 75240, and will also be made available to stockholders present at the meeting.

**PROPOSAL ONE:****ELECTION OF DIRECTORS**

Four directors are proposed to be elected at the annual meeting. If elected, each director will hold office until the next annual meeting of stockholders or until his successor is elected and qualified. The election of directors will be decided by a plurality vote.

The four nominees for election as directors to serve until the next annual meeting of stockholders and until their successors have been duly elected and qualified are John R. Loftus, Joel S. Friedman, Jim R. Ruth, and Alexandra C. Griffin. All four nominees are members of our current Board of Directors, and have served since January 2017. All nominees have consented to serve if elected and we have no reason to believe that any of the nominees named will be unable to serve. If any nominee becomes unable to serve: (i) the shares represented by the designated proxies will be voted for the election of a substitute as our Board of Directors may recommend; or (ii) our Board of Directors may fill the vacancy at a later date after selecting an appropriate nominee.

The Compliance, Governance and Nominating Committee of the Board nominated the individuals named below for election to our Board of Directors, and information regarding the background and qualifications of each of the nominees is set forth below. ## **BOARD OF DIRECTORS AND COMMITTEES**

During the latter part of December 2016 and the fiscal year 2017, up to the time of the release of the proxy materials, two executive officers resigned from their respective roles. Matthew M. Peakes tendered his resignation as Chairman of the Board, President and Chief Executive Officer effective on December 10, 2016. On December 12, 2016, John R. Loftus was elected to the position of the Chairman of the Board, President and Chief Executive Officer. William LeRoy resigned as a member of the Board effective June 30, 2017. A replacement for Mr. LeRoy has not been identified at this time.

All three of our independent directors elected at our last annual stockholders meeting held on December 7, 2016 resigned. On January 12, 2017, J Marcus Scudder tendered his resignation as Lead Independent Director and Chairman of the Audit Committee to the Board of Directors of DGSE and the other committees of the Board on which he served. On January 12, 2017, Michael J. Noel tendered his resignation as a member of the Board of Directors of DGSE and Chairman of the Compliance, Governance, and Nominating Committee to the Board and the other committees of the Board on which he served. On January 12, 2017, Douglas J. Lattner tendered his resignation as a member of the Board and Chairman of the Compensation Committee to the Board and the other committees of the Board on which he served. On January 17 and January 18, 2017, we elected new independent board members, Joel S. Friedman, age 48, as Lead Independent Director and Chairman of the Compensation Committee to the Board along with being a member of the Audit and Compliance, Governance and Nominating committees, Alexandra C. Griffin, age 27, as Chairman of the Audit Committee to the Board, along with being a member of the Compensation and Compliance, Governance and Nominating Committees, and Jim R. Ruth, age 52, as Chairman of the Compliance, Governance and Nominating Committee to the Board, along with being a member of the Audit and Compensation Committees.

Our Board is currently composed of five directors, with one position currently vacant. Our Board has determined that current board members Joel S. Friedman, Alexandra C. Griffin and Jim R. Ruth are “independent” under the standards of the SEC and the Exchange. Under applicable SEC and Exchange rules, the existence of certain “related person” transactions above certain thresholds between a director and us are required to be disclosed and preclude a finding by our Board that the director is independent. In addition to transactions required to be disclosed under SEC rules, our Board considered certain other relationships in making its independence determinations, and determined in each case that such other relationships did not impair the director’s ability to exercise independent judgment on our behalf.

Our directors are elected at an annual meeting of our shareholders by the holders of shares entitled to vote in the election of directors, except in the case of vacancy, which can be filled by an affirmative vote of a majority of the remaining directors. Each director is elected to serve until the annual meeting of shareholders following his election or until he chooses to resign from his position.

## **Board Meetings**

Our Board meets as often as necessary to perform its duties and responsibilities. During Fiscal 2016, the Board met four times in person or telephonically. All members of our Board were present at and participated in all meetings and all members attended the 2016 annual meeting. In addition, our Board acted by written consent one time. Management also regularly conferred with directors between meetings regarding our affairs.

## **Audit Committee**

The Audit Committee, established in accordance with Section 3(a)(58)(A) of the Exchange Act, consisting of all three independent directors of our Board, is chaired by Alexandra C. Griffin, who is also an “audit committee financial expert,” as that term is defined in Item 407(d)(5)(ii) of Regulation S-K, promulgated under the Securities Act. Ms. Griffin is “independent,” as defined by the listing standards of the Exchange. The other members of the Audit Committee are Joel S. Friedman and Jim R. Ruth. The Audit Committee is primarily tasked with overseeing our financial reporting process, evaluation of independent auditors and, where appropriate, exercising its duty to replace our independent auditors. Management is responsible for preparing our financial statements, and the independent auditors are responsible for auditing those financial statements. During Fiscal 2016, the Audit Committee met four times in person or telephonically.

In addition to their regular activities, the Audit Committee is available to meet with the independent auditors, the Chief Executive Officer or the Chief Financial Officer whenever a special situation arises and meets as often as necessary to perform its duties and responsibilities. The charter for the Audit Committee is available under the “Investors” menu of our corporate website at [www.DGSECompanies.com](http://www.DGSECompanies.com). We certify that we have adopted a formal written audit committee charter and that the Audit Committee reviews and reassesses the adequacy of the charter annually.

## **Audit Committee Report**

The Audit Committee has reviewed and discussed the audited financial statements with management and Whitley Penn LLP (“Whitley Penn”), our independent registered accounting firm, and all matters required to be discussed by the American Institute of Certified Public Accountants, Professional Standards, Vol. 1, AU Section 380, as adopted by the Public Company Accounting Oversight Board (“PCAOB”) in Rule 3200T.

The Audit Committee has received written disclosures and the letter from Whitley Penn required by applicable rules of the PCAOB regarding Whitley Penn's communications with the Audit Committee concerning independence, and the Audit Committee has discussed with Whitley Penn its independence.

Based on the review and discussions noted in the preceding two paragraphs, the Audit Committee recommended to the Board that the audited financial statements for the year ended December 31, 2016 and 2015 be included in our annual report on Form 10-K with the SEC.

All 3 independent directors, Joel S. Friedman, Alexandra C. Griffin and Jim R. Ruth, are members of the Audit Committee. The Audit Committee acts pursuant to our Audit Committee Charter. Each of the members of the Audit Committee qualifies as an independent director under the current listing standards of the Exchange.

### **Compensation Committee**

On August 31, 2012, the Board approved the creation of a Compensation Committee comprised of our independent directors. The Compensation Committee is chaired by Joel S. Friedman and is primarily concerned with reviewing, approving and determining the compensation of our executive officers to ensure that we employ ethical compensation standards and that our executive officers are fairly compensated based upon their performance and contribution to us. The Compensation Committee meets as often as necessary to perform its duties and responsibilities. During Fiscal 2016, the Compensation Committee met four times in person or telephonically. We have adopted a formal written Compensation Committee Charter, and the Compensation Committee reviews and reassesses the adequacy of the charter annually. The charter for the Compensation Committee is available under the “Investors” menu of our corporate website at [www.DGSECompanies.com](http://www.DGSECompanies.com).

### **Compliance, Governance, and Nominating Committee**

On January 17, 2013, the Board approved the creation of a Nominating and Corporate Governance Committee comprised of our independent directors, and on February 20, 2015, the Board approved a resolution, which changed the name of this committee to the Compliance, Governance, and Nominating Committee, and also delegated certain additional responsibilities to the committee. The Compliance, Governance, and Nominating Committee is chaired by Jim R. Ruth and is primarily concerned with matters relating to the Company’s director nominations process and procedures, developing and maintaining the Company’s corporate governance policies, monitoring the Company’s compliance with its code of conduct and ethics, and any related matters required by the federal securities laws. The Committee will consider any nominations of director candidates validly made by stockholders in accordance with applicable laws, rules and regulations and the provisions of the Company’s charter documents. The Compliance, Governance, and Nominating Committee meets as often as necessary to perform its duties and responsibilities. During Fiscal 2016, the Compliance, Governance, and Nominating Committee met once. We have adopted a formal written Compliance, Governance, and Nominating Committee Charter, and the Compliance, Governance, and Nominating Committee reviews and reassesses the adequacy of the charter annually. The charter for the Compliance, Governance and Nominating Committee is available under the “Investors” menu on our corporate website at [www.DGSECompanies.com](http://www.DGSECompanies.com). All nominees standing for election as a member of our Board were selected by the Compliance, Governance, and Nominating Committee, based on a review of each individual’s background, credentials and business experience.

## **Leadership**

Pursuant to our bylaws, the Chairman of our Board shall be and is our Chief Executive Officer. On June 11, 2014, the Board passed a resolution to create the role of Lead Independent Director. The independent directors elected Joel S. Friedman to fill that role. The Lead Independent Director consults with the Chairman in setting the schedule and agenda for Board meetings, coordinates and moderates executive sessions of the independent directors, acts as a liaison between the independent directors and the Chairman, and assists the Board and officers in providing oversight for the Company's governance guidelines and policies. As noted above, Mr. Friedman also serves as chairman of the Compensation Committee.

Pursuant to our bylaws, the Chairman of our Board and Chief Executive Officer presides, when present, at all meetings of the shareholders and at all meetings of our Board. The Chairman of our Board and Chief Executive Officer generally supervises over our affairs, has general and active control of all of our business and sees that all orders and resolutions of our Board and our shareholders are carried into effect. We have determined this leadership structure appropriate given the need for a centralized model of oversight.

## **Risk Oversight**

Like other companies, we face a variety of risks, including investment risk, liquidity risk, and operational risk. Our Board believes an effective risk management system should: (i) timely identify the material risks that we face; (ii) communicate necessary information with respect to material risks to senior executives and, as appropriate, to the Board or the relevant committee of our Board of Directors; (iii) implement appropriate and responsive risk management strategies consistent with our risk profile; and, (iv) integrate risk management into decision-making. Our Board is tasked with overseeing risk oversight, and periodically meets with management and advisors regarding the adequacy and effectiveness of our risk management processes and to analyze the most likely areas of future risk for us. In addition to the formal compliance program, our Board encourages management to promote a corporate culture that incorporates risk management into our corporate strategy and day-to-day business operations.

## **Code of Business Conduct & Ethics and Related Party Transaction Policy**

We have adopted a Code of Business Conduct and Ethics that applies to our directors, officers and employees, as well as a Related Person Transaction Policy, that applies to our directors (and director nominees), executive officers (or persons performing similar functions), and certain of our family members, affiliates, associates and/or related persons, as well as stockholders owning at least 5% of our Common Stock. The latest copies of our Code of Business Conduct and Ethics, and Related Person Transaction Policy are available under the "Investors" menu on our corporate website at

www.DGSECompanies.com. Any transactions between us and our officers, directors, principal shareholders, or other affiliates have been on terms no less favorable to us than the Board believes could be obtained from unaffiliated third parties on an arms-length basis. We intend to disclose future amendments to these policies, or waivers of such provisions, at the same location on our website and also in public filings.

## Shareholder Communication

Shareholders may send communications to our Board, individual directors or officers through our Investor Relations Department, Attn: Secretary, c/o DGSE Companies, Inc., 13022 Preston Road, Dallas, TX 75240, by phone at 972-587-4021, or via email at investorrelations@dgse.com. The Secretary will forward all shareholder communications that, in his judgment, are appropriate for consideration by members of our Board. Comments or questions regarding our accounting, internal controls or auditing matters will be referred to members of the Audit Committee. Comments or questions regarding the nomination of directors and other corporate governance matters will be referred to our Compliance, Governance, and Nominating Committee.

## EXECUTIVE COMPENSATION

Our Board is responsible for establishing and administering our executive compensation and employee benefit programs in the context of our overall goals and objectives. This Board duty has been delegated to the Compensation Committee of our Board of Directors (the “Compensation Committee”) in accordance with the Compensation Committee’s Charter. The Compensation Committee reviews the executive compensation program at least annually and approves appropriate modifications to executive officer compensation, including specific amounts and types of compensation. The Compensation Committee is responsible for establishing the compensation of the CEO and CFO. The Compensation Committee establishes the annual compensation of the non-employee directors and oversees our equity compensation plans, including the administration of our stock-based compensation plans.

The objectives of our compensation program are to: (i) provide a competitive, comprehensive compensation package to attract, retain and motivate highly talented personnel at all levels of our organization; and, (ii) provide incentives and rewards for implementing and accomplishing our short-term and long-term strategic and operational goals and objectives. Therefore, we strive to structure compensation packages that are competitive within the industry, while maintaining and promoting our interests, as well as the interests of our shareholders.

We believe that specific levels of executive compensation should reflect the responsibilities of each position within our Company, the relative value of the position and the competition for quality, key personnel in our industry. Our executive compensation program includes three primary components:

*Base salary.* Base salary is the guaranteed element of an executive’s annual cash compensation. The level of base salary reflects the Compensation Committee’s assessment of the employee’s long-term performance, his or her skill set and the market value of that skill set.

*Annual cash bonus opportunities.* Performance-based incentive cash bonuses are intended to reward executives for achieving specific financial and operational goals both at a corporate and an individual level.

*Long-term incentive awards.* Long-term incentives are provided through grants of stock options and restricted stock units intended to encourage our executives to take steps that they believe are necessary to ensure our long-term success, and to align their interests with our other shareholders.

### Advice of Compensation Consultant

In February 2015, as part of a set of corporate governance reforms that the Board implemented, the Compensation Committee recommended and the Board approved an Executive Compensation Policy. As part of this policy, the Compensation Committee is required to retain an independent compensation consultant at least once every three years to review the Company's compensation philosophy and plan to ensure that the criteria, factors, and policies and procedures for determining compensation comport with current best practices. Such consultant shall make recommendations to the Compensation Committee and/or the entire Board regarding any appropriate actions to better align executive and director compensation with shareholder interests and long-term value creation. Accordingly, in 2016, the Compensation Committee retained an independent compensation consultant, Paradox Compensation Advisors ("Paradox"), to analyze our executive compensation program as compared to our peers. Paradox also advised the Compensation Committee regarding appropriate elements of a competitive executive compensation structure, including fixed and at-risk elements, short-term and long-term incentives, and cash and equity components. Paradox reported the results of its analysis of our total executive compensation packages for positions held by members of our executive leadership team, as well as specific components of these packages, as compared to executives holding similar positions as similar-sized companies and/or labor market peers in related industries.

## **Outstanding Equity Awards at Fiscal Year End**

In March 2016, the Compensation Committee granted 162,720 Restricted Stock Units (“RSUs”) to the Company’s then independent Board members. Each RSU was convertible into one share of Common Stock, par value \$0.01, of the Company without additional payment pursuant to the terms of the Restricted Stock Unit Award Agreement, dated March 24, 2016, between the Issuer and each recipient (the “RSU Award Agreement”). One-fourth (or 40,680) of the RSUs vested and were exercisable as of the date of the grant, and an additional one-fourth of the RSUs (calculated using the total number of RSUs at the time of grant) vested and were exercisable at the end of each subsequent quarter ending December 31, 2016, subject to each recipients continued status as an Independent Board Member on each such date and other terms and conditions of set forth in the RSU Award Agreement. Upon resignation of service of the recipient to the Company, other than by reason of death or disability, any RSUs that had not vested would have been forfeited and the award of such units would have terminated. As of December 31, 2016, all RSUs held by the then independent Board members were fully vested.

On April 27, 2016, the Board awarded Matthew Peakes, the Company’s former Chief Executive Officer, and Nabil J. Lopez, the Company’s former Chief Financial Officer, a total of 75,000 and 50,000 RSUs, respectively, as compensation for their service as executives of the Company. For Mr. Peakes, one-fourth (or 18,750), and for Mr. Lopez, one-fourth (or 12,500) of the RSUs were to vest ratably in equal annual installments over a four year period beginning on April 27, 2017, subject to a continued status as an employee on each such date and other terms and conditions set forth in the RSU Award Agreement, dated April 27, 2016. Each vested RSU is convertible into one share of our Common Stock, par value \$0.01, without additional consideration. Upon termination of service of the employee, other than by death or disability, any RSUs that have not vested will be forfeited and the award of such units shall terminate. As a result of his resignation effective August 15, 2016, all 50,000 RSUs awarded to Mr. Lopez were forfeited. As a result of the continued employment of Matthew Peakes on April 27, 2017, his first annual installment (or 18,750) RSUs became vested. As a result of Matthew Peakes resignation effective June 30, 2017, all further service RSUs awarded to Mr. Peakes were forfeited. In addition to the RSU grant above for Matthew Peakes and Nabil Lopez, the compensation committee granted an additional 75,000 and 50,000, respectively, performance based RSUs to the executives that were to vest ratably over a four year period beginning April 27, 2017 if certain financial performance criteria are achieved. As a result of his resignation effective August 15, 2016, all 50,000 of such RSUs awarded to Mr. Lopez were forfeited. As a result of the financial performance being below the minimum level, no RSUs were vested on the first annual installment. As a result of Matthew Peakes resignation effective June 30, 2017, all 75,000 performance RSUs awarded to Mr. Peakes were forfeited.

The following table sets forth information concerning outstanding RSUs that have not vested for each name executive officer as of the end of Fiscal 2016:

Name and Principal Position	Number of Securities Underlying Unvested RSUs (#)	Market Value of Securities Underlying		
		Unvested RSUs as of December 31, 2016	RSU Exercise Price (\$)	RSU Vesting Date
Matthew M. Peakes Former Chief Executive Officer	150,000	\$ 186,000	(1)	(2)

- 1) All stock issued pursuant to RSUs will be granted at no cost to the recipient. The Company will recognize stock compensation expense based on the market price of the stock on the date that it issues, pursuant to the RSUs.

On April 27, 2016, the Compensation Committee awarded Matthew Peakes, the Company's former Chief Executive Officer, a total of 75,000 RSUs as compensation for his service as an executive of the Company. For Mr. Peakes, one-fourth (or 18,750), of the RSUs were to vest ratably in equal annual installments over a four year period beginning on April 27, 2017, subject to a continued status as an employee on each such date and other terms and conditions set forth in the RSU Award Agreement, dated April 27, 2016. As a result of Matthew Peakes resignation effective June 30, 2017, all further RSUs awarded to Mr. Peakes were forfeited. In addition, the Compensation Committee granted an additional 75,000 performance based RSUs to Mr. Peakes that were to vest ratably over a four year period beginning April 27, 2017 if certain financial performance criteria are achieved. As a result of the financial performance being below the minimum level, no RSUs were vested on the first annual installment. As a result of Matthew Peakes resignation effective June 30, 2017, all performance RSUs awarded to Mr. Peakes were forfeited.

### Compensation of Directors

During 2016, each director was paid \$36,000 per year, to be paid in \$9,000 quarterly increments due on the last day of each quarter. In addition, each director was paid \$5,000 per month, from February through June, for time spent on a Special Committee to consider transactions relating to the Elemetal Agreement as referenced in the Related Party Transactions. In addition, each independent director was issued 40,680 RSUs per annum in equity awards that vest ratably over a one year period at the end of each quarter. Similar to the RSUs granted to management and certain employees, if the independent directors terminate their service with the Company, other than by death or disability,

any RSUs that have not vested will be forfeited and the award will terminate. The full Board subsequently approved these recommendations.

Beginning in January 2017, the Compensation Committee recommended that independent directors be paid cash compensation of \$10,000 per year, to be paid in \$2,500 quarterly increments due on the day of each quarterly board meeting. No other compensation is to be paid. The full Board subsequently approved these recommendations.

Of the options issued under the 2004 Plan, as of December 31, 2016, 845,634 have been exercised, 599,000 have expired, and 15,000 remain outstanding. ## **CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS**

From time to time, we engage in business transactions with our shareholders, Elemetal, NTR and other related parties. Set forth below in the section entitled “Related Party Transactions” is a summary of such transactions.

### **Relationship with Elemetal, LLC**

Elemetal is a global precious metals conglomerate based in Dallas, Texas. Its principal holdings include: Elemetal Refining, LLC (formerly known as OPM Metals or OPM), the Ohio-based, American-owned refiner of “good delivery” gold and silver; Elemetal Direct, a Texas-based wholesale dealer of precious metals; Elemetal Capital, LLC, a leading market maker in the bullion and precious metals industries; Provident Precious Metals LLC, an online retailer of bullion and precious metal products; and Elemetal Recycling, LLC (formerly known as Echo Environmental), a Texas-based firm focusing on electronic waste recycling and precious metal recovery.

Through a series of transactions beginning in 2010, NTR Metals, LLC (“NTR”) became the largest shareholder of our common stock, par value \$0.01 per share (“Common Stock”). In April 2012, NTR announced its merger with OPM, the largest American-owned refiner of “good delivery” gold and silver. The combined company was originally called Global Metals Holdings, LLC, and has since been rechristened as Elemetal. In January 2013, NTR announced it would contribute 4,393,142 of its shares of our Common Stock to Elemetal, in exchange for ownership units in Elemetal. NTR also agreed to contribute its option to buy 5,000,000 additional shares of DGSE Common Stock at \$15 a share, which expired unexercised on October 25, 2016. On December 9, 2016, DGSE and NTR closed the transactions contemplated by the Stock Purchase Agreement dated June 20, 2016 (the “Elemetal Agreement”) whereby DGSE issued NTR 5,948,560 shares of Common Stock for \$0.41 per share in exchange for the cancellation and forgiveness of indebtedness under a Loan Agreement dated July 19, 2012 and an associated Revolving Credit Note (which indebtedness and accrued interest was \$2,438,909). Also on the same date and pursuant to the Elemetal Agreement, DGSE issued Elemetal 8,536,585 shares of its Common Stock for \$0.41 per share and a warrant to purchase an additional 1,000,000 shares of Common Stock at an exercise price of \$0.65 per share, exercisable within two years after December 9, 2016, in exchange for the cancellation and forgiveness of \$3,500,000 of trade payables owed to Elemetal as a result of bullion-related transactions. Following these stock issuances Elemetal owns

12,814,727 shares of Common Stock (47.7%) (excluding shares that may be purchased upon exercise of the warrant) and NTR owns 6,365,460 shares of Common Stock (23.7%).

In addition to being our largest shareholder, Elemetal and its affiliates are also our primary supplier for bullion products and is our primary refiner of recyclable precious metal. These and other transactions with Elemetal are more fully described in Note 13 to our consolidated financial statements, Related Party Transactions.

### **Related Party Transactions**

DGSE has a corporate policy governing the identification, review, consideration and approval or ratification of transactions with related persons, as that term is defined in the Instructions to Item 404(a) of Regulation S-K, promulgated under the Securities Act (“Related Party”). Under this policy, all Related Party transactions are identified and approved prior to consummation of the transaction to ensure they are consistent with DGSE’s best interests and the best interests of its stockholders. Among other factors, DGSE’s Board considers the size and duration of the transaction, the nature and interest of the of the Related Party in the transaction, whether the transaction may involve a conflict of interest and if the transaction is on terms that are at least as favorable to DGSE as would be available in a comparable transaction with an unaffiliated third party. DGSE’s Board reviews all Related Party transactions at least annually to determine if it is in DGSE’s best interests and the best interests of DGSE’s stockholders to continue, modify, or terminate any of the Related Party transactions. DGSE’s Related Person Transaction Policy is available for review in its entirety under the “Investors” menu of the Company’s corporate relations website at [www.DGSECompanies.com](http://www.DGSECompanies.com).

Elemetal is DGSE’s largest shareholder. Elemetal and its affiliates are also DGSE’s primary refiner and bullion trading partner. In Fiscal 2016, 25% of sales and 27% of purchases were transactions with Elemetal, and in the same period of Fiscal 2015, these transactions represented 24% of DGSE’s sales and 26% of DGSE’s purchases. On December 9, 2016, DGSE and Elemetal closed the transactions contemplated by the Elemetal agreement whereby DGSE issued Elemetal 8,536,585 shares of its common stock and a warrant to purchase an additional 1,000,000 shares to be exercised within two years after December 9, 2016, in exchange for the cancellation and forgiveness of \$3,500,000 of trade payables owed to Elemetal as a result of bullion-related transactions. As of December 31, 2016, the Company was obligated to pay \$4,107,425 to Elemetal as a trade payable, and had a \$40,627 receivable from Elemetal. As of December 31, 2015, the Company was obligated to pay \$4,176,037 to Elemetal as a trade payable, and had a \$169,136 receivable from Elemetal. For the year ended December 31, 2016 and 2015, the Company paid Elemetal \$240,004 and \$187,888, respectively, in interest on the Company’s outstanding payable.

On July 19, 2012, the Company entered into the Loan Agreement with NTR, pursuant to which NTR agreed to provide the Company with a guidance line of revolving credit in an amount up to \$7,500,000. The Loan Agreement anticipated termination—at which point all amounts outstanding thereunder would be due and payable—upon the earlier of: (i) August 1, 2014; (ii) the date that is twelve months after DGSE receives notice from NTR demanding the repayment of the Obligations; (iii) the date the Obligations are accelerated in accordance with the terms of the Loan Agreement; or, (iv) the date on which the commitment terminates under the Loan Agreement. In connection with the Loan Agreement, DGSE granted a security interest in the respective personal property of each of its subsidiaries. The loan carried an interest rate of two percent (2%) per annum for all funds borrowed pursuant to the Loan Agreement. Proceeds received by DGSE pursuant to the terms of the Loan Agreement were used for repayment of all outstanding financial obligations incurred in connection with that certain Loan Agreement, dated as of December 22, 2005, between DGSE and Texas Capital Bank, N.A., and additional proceeds were used as working capital in the ordinary course of business. On February 25, 2014, we entered into a one-year extension of the Loan Agreement with NTR, extending the termination date to August 1, 2015, and on February 4, 2015, we entered into an additional two-year extension, extending the termination date to August 1, 2017. On December 9, 2016, DGSE and NTR closed the transactions contemplated by the Elemental Agreement whereby DGSE issued NTR 5,948,560 shares of common stock in exchange for the cancellation and forgiveness of the loan principal and accrued interest totaling \$2,438,909. As of December 31, 2016 and 2015, the outstanding balance of the NTR loan was \$0 and \$2,303,359 respectively. In the year ended December 31, 2016 and 2015, the Company paid NTR \$43,723 and \$45,810, respectively, in interest on the Company's line of credit.

In April 2013, DGSE moved its principal corporate offices to 15850 Dallas Parkway, Suite 140, Dallas, Texas. This property is owned by an affiliate of Elemental and also serves as their headquarters. DGSE leased space in the building subject to a lease that expired in December 2015. The Company continued to pay this lease on a month-to-month basis with no increase in the rent until our new Midtown retail location was completed in December 2016. The Midtown location is large enough to facilitate the retail space and our corporate offices. For the year ended December 31, 2016 and 2015, the Company recognized rent expense of \$90,000 and \$50,500, respectively, related to this lease.

In the fourth quarter of Fiscal 2013, the Company established a wholly owned subsidiary named Carbon Fund One, LLC to act as the general partner (the "General Partner") for Carbon Fund One, LP (the "Fund"), which was established at the same time. The Fund was an investment fund specializing in the buying and selling of gemstones. The General Partner receives a one percent ownership interest of the Fund, and is paid 2% carried interest on assets under management by the Fund, and 20% of net earnings before distributions to the limited partners. The Fund was intended to provide an investment vehicle for individuals interested in investment opportunities in diamonds and gemstones, and provide incremental value to the Company's shareholders by utilizing the Company's expertise, infrastructure, and retail and wholesale customer base, to generate additional profit through earnings from its role as General Partner. Ultimately DGSE's management made the decision to end its involvement in the Fund, and the General Partner has wound down the Fund's activities and liquidated all remaining inventory. The Fund transacted business with the Company from time to time, including buying gemstones from and selling gemstones to the Company. In Fiscal 2016, the Company made no sales to the Fund, had no purchases from the Fund, and owed the Fund nothing as of December 31, 2016 in trade payables. In Fiscal 2015, the Company made no sales to the Fund, had purchases of \$5,665 from the Fund, and owed the Fund nothing as of December 31, 2015 in trade payables. Additionally, in Fiscal 2016, the General Partner generated no loss from its role with the Fund, while in the same period of 2015, the General Partner generated net loss of \$1,334. The loss in 2015 was driven by low activity within the Fund, combined with expenses

related to the shutdown of the Fund.

On April 19, 2017, DGSE entered into a non-binding letter of intent with Elemetal and Elemetal Recycling, LLC (“Recycling”) and together with Elemetal, (“Sellers”) to purchase and acquire Recycling’s interest in and to the tangible personal property assets, including inventory, located at 2101 W. Belt Line Road, Carrollton, Texas (the “Belt Line Location”) and certain equipment located at 10707 Composite Drive, Dallas, Texas, and the accounts receivables of Recycling arising from the conduct by Recycling of its business at the Belt Line Location. In consideration for the assets, DGSE would pay Recycling \$ 16,000,000 in cash along with paying Recycling approximately \$3,800,000 owed by DGSE, or any of its subsidiaries, as a result of bullion-related transactions. Thus the cash purchase price along with paying the bullion-related obligation is expected to be approximately \$19,000,000. DGSE would also accept an assignment from Recycling of their rights and obligations under their existing lease for the Belt Line Location and would assume the accounts payables and other liabilities of Recycling arising from the conduct of business at the Belt Line Location. The letter of intent is non-binding and is subject to numerous conditions, including negotiation and execution of a definitive agreement, approval of the Boards of the parties and approval of Elemetal’s members. No assurance can be made that DGSE will be able to negotiate a mutually satisfactory definitive agreement with Recycling or that the contemplated approval will be obtained.

**PROPOSAL TWO**

**RATIFICATION OF THE APPOINTMENT OF**

**WHITLEY PENN AS INDEPENDENT AUDITORS OF DGSE**

**FOR THE FISCAL YEAR ENDING DECEMBER 31, 2017**

The Audit Committee has appointed Whitley Penn as our independent registered accountants to audit our financial statements for the fiscal year ending December 31, 2017, and has further directed that management submit the selection of independent registered accountants for ratification by our stockholders at the annual meeting. Stockholder ratification of the selection of Whitley Penn is not required by our bylaws or otherwise. However, we are submitting the selection of Whitley Penn to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will reconsider whether or not to retain Whitley Penn. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent accounting firm at any time during the year if it is determined that such a change would be in the best interests of DGSE and our stockholders.

Representatives of the firm of Whitley Penn are expected to be present at our annual meeting and will have an opportunity to make a statement, if they so desire, and will be available to respond to appropriate questions.

In accordance with the requirements of the Sarbanes-Oxley Act of 2002 and the Audit Committee's charter, all audit and audit-related work and all non-audit work performed by our independent accountants, Whitley Penn, is approved in advance by the Audit Committee, including the proposed fees for such work. The Audit Committee is informed of each service actually rendered.

The following table presents fees for the audits of our annual Consolidated Financial Statements for Fiscal 2016 and Fiscal 2015.

Type of Fees	2016	2015
Audit Fees	\$206,000	\$229,257
Tax Fees	14,800	31,450
Total	220,800	\$260,707

The amounts for audit fees include generally the fees charged for: (i) the audit of our annual consolidated financial statements included in the Company's Form 10-K; and, (ii) the reviews of our quarterly consolidated financial

statements included in the Company's Forms 10-Q. The tax fees were primarily for tax return preparation and tax-related services, including the preparation of all applicable state tax returns.

All audit services were pre-approved by the Audit Committee, which concluded that the provision of such services by Whitley Penn LLP was compatible with the maintenance of that firm's independence in the conduct of its auditing functions. The Audit Committee's pre-approval policy: (i) identifies the guiding principles that must be considered by the audit committee in approving services to ensure that Whitley Penn LLP's independence is not impaired; (b) describes the audit, and tax services that may be provided; and (c) sets forth pre-approval requirements for all permitted services. Under the policy, all services to be provided by Whitley Penn LLP must be pre-approved by the Audit Committee.

We originally engaged the firm of Whitley Penn in May 2012, as our principal independent accountant to audit our financial statements. The members of our Board of Directors unanimously approved the engagement of Whitley Penn. Prior to the engagement of Whitley Penn, neither we nor any person on our behalf consulted Whitley Penn regarding either: (i) the application of accounting principles to a specified completed or proposed transaction or the type of audit opinion that might be rendered on our financial statements; or, (ii) any matter that was the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K, promulgated under the Securities Act and the related instructions to such Item) or a reportable event (as defined in Item 304(a)(1)(v) of Regulation S-K, promulgated under the Securities Act).

The Board of Directors has instructed the investor relations department to forward such correspondence only to the intended recipients; however, the Board has also instructed the investor relations department, prior to forwarding any correspondence, to review such correspondence and, in its discretion, not to forward certain items if they are deemed of a personal, illegal, commercial, offensive or frivolous nature or otherwise inappropriate for the Board's consideration. In such cases, that correspondence will be forwarded to our corporate secretary for review and possible
