PART III--NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, N-SAR, or the transition report or portion thereof could not be filed within the prescribed period. (Attach Extra Sheets if Needed)

Metromedia International Group, Inc. (the "Registrant") is unable to timely file its Form 10-K due to the additional time that was required by the finance teams of the Registrant's PeterStar and Magticom business ventures to prepare and finalize their US GAAP financial results, which in turn has significantly delayed the completion of audit procedures by the Registrant's outside independent accountants for these business ventures. The Registrant recently completed its review of the final US GAAP financial results reports for PeterStar and Magticom and the Registrant is in the process of finalizing its consolidated financial statements and management's discussion and analysis of the Company's financial condition and results of operation.

The Registrant will file its annual report on Form 10-K as soon as possible.

If answer is no, identify report(s). Yes No

- (3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

Edgar Filing: METROMEDIA INTERNATIONAL GROUP INC - Form NT 10-K

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Due to the restructuring initiatives undertaken by the Registrant since first quarter 2003, including sales of non-core businesses, reductions in corporate overhead cash burn-rate and business acquisitions made by the Registrant's subsidiary PeterStar, the Registrant anticipates significant changes for the year ended December 31, 2004 compared to the year ended December 31, 2003.

The Registrant presently anticipates reporting consolidated revenues of \$80.6 million for the year ended December 31, 2004 compared to consolidated revenues of \$73.1 million for the year ended December 31, 2003. In addition, the Registrant anticipates reporting consolidated net loss attributable to common stockholders in the range of \$(22.2) million to \$(23.6) million (\$(0.24) to \$(0.25) loss per common share) for the year ended December 31, 2004 compared to a consolidated net loss attributable to common stockholders of \$(7.0) million (\$(0.07) loss per common share) for the year ended December 31, 2003.

The significant change is principally due to the Registrant's recognition of gains of \$24.6 million and \$12.8 million related to retirement of debt and disposition of businesses, respectively for the year ended December 31, 2003. Such items were partially offset by a \$10.3 million increase in the results of equity in income of unconsolidated investees (principally Magticom) and a reduction in selling general and administrative expenses in the range of \$12.6 million to \$14.0 million, principally due to reductions in corporate overhead.

However, since the audit of the consolidated results of the Registrant have not yet been finalized, the audited results ultimately reported in the Registrant's Annual Report on Form 10-K for the year ended December 31, 2004 may differ from those reported above.
