Company, Bank of America, N.A., as Administrative Agent, and Citizens Bank of Pennsylvania. At the Company's option, borrowings under the Credit Agreement will bear interest at LIBOR plus 75-90 basis points depending on the level of borrowing under the credit facility, or at the prime rate or if higher, 50 basis points above the federal funds rate. The Credit Agreement further contains certain customary restrictive financial and operating covenants which, among other things, require the Company to (i) maintain certain minimum cash and short-term investment levels, (ii) maintain minimum financial performance requirements as measured by the Company's income or loss before taxes with certain adjustments, and (iii) limit or prohibit the incurrence of certain indebtedness and liens, judgments above a threshold amount for which a reserve is not maintained, and certain other activities outside of the ordinary course of business. Borrowings under the Credit Agreement can be used for general corporate purposes including capital expenditures, working capital, letters of credit, certain permitted acquisitions and investments, cash dividends and stock repurchases. As of December 28, 2005, the Company did not have any amounts outstanding under the Credit Agreement.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On December 28, 2005, the Company entered into the Credit Agreement, the material terms and conditions of which are described in Item 1.01 above and are incorporated herein by reference.
