Item 1.01. Entry into a Material Definitive Agreement.

The information disclosed under Item 2.01 of this Current Report on Form 8-K (the "Form 8-K") is incorporated herein by reference.

Item 2.01 Completion of Acquisition or Disposition of Assets.

On Friday, September 25, 2009, GTY MD Leasing, Inc. ("MD Leasing"), a wholly-owned subsidiary of Getty Realty Corp. (the "Company"), acquired 36 Exxon-branded gasoline stations and convenience store properties (the "Properties") for \$49.0 million in a sale/leaseback transaction with White Oak Petroleum LLC ("White Oak"). MD Leasing and the Company financed this transaction with \$24.5 million of borrowings under the Company's existing \$175.0 million credit facility and \$24.5 million of indebtedness under a new \$25.0 million term loan agreement with TD Bank, N.A. as described below in Item 2.03.

The Properties were acquired by MD Leasing in a simultaneous closing of two separate but interconnected transactions, one involving ExxonMobil Corporation ("ExxonMobil") and White Oak, and the other involving White Oak and MD Leasing. In the dual closing, White Oak acquired the Properties from ExxonMobil and then sold them to, and simultaneously leased them back from, MD Leasing. The lease between MD Leasing, as lessor, and White Oak, as lessee, governing the properties is a unitary triple net lease agreement (the "Unitary Lease"), with an initial term of 20 years, and options for up to three successive renewal terms of 10 years each. The Unitary Lease requires White Oak to pay a fixed annual rent for the Properties (the "Rent") of \$5,635,000 in monthly installments of \$469,583 each that are due and payable in advance on the first business day of each month. Commencing on the first anniversary of the date of the Unitary Lease and on every anniversary thereafter, the Rent will be increased by two and one half percent (2.5%) of the Rent payable for the immediately preceding year. As a triple net lessee, White Oak is also required to pay amounts relating to taxes, assessments, licenses and permit fees, charges for public utilities and all governmental charges pertaining to the Properties, all as described in the Unitary Lease.

A copy of the Unitary Lease is attached to the Form 8-K as Exhibit 10. 1 and is incorporated by reference as though it was fully set forth herein. The foregoing summary of the Unitary Lease is not intended to be complete and is qualified in its entirety by the complete text of the Unitary Lease.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information disclosed under Item 2.01 of the Form 8-K is incorporated herein by reference.

On September 25, 2009, the Company and two of its wholly-owned subsidiaries (Getty Properties Corp. and MD Leasing) entered into a \$25.0 million term loan agreement (the "Loan Agreement") with TD Bank, N.A.. The Company borrowed \$24.5 million under the term loan to finance a portion of the purchase price of the Properties. The term loan is payable in thirty-six (36) equal and consecutive monthly installments of principal of \$65,000 each. The final installment of all unpaid principal and all accrued and unpaid interest outstanding is due on September 25, 2012. The unpaid principal balance of the term loan bears a variable interest rate based upon the greater of three and one half percent (3.5 %) or an amount based upon the London Interbank Offered Rate plus a margin of three and one tenth percent (3.1%), as described in the Loan Agreement. Upon the occurrence of an event of default, as described in the Loan Agreement, the per annum rate of interest on all outstanding principal under the term loan will be increased by three hundred (300) basis points. As of the date of the Form 8-K, the current interest rate for borrowings under the term loan is three and one half percent (3.5%).

The Loan Agreement contains customary terms and conditions, including financial covenants of the Company regarding its total liabilities to asset value, total secured indebtedness to total asset value, fixed charge coverage ratio, tangible net worth, total unsecured indebtedness to unencumbered asset value, unsecured debt service coverage ratio, unencumbered asset value, and unencumbered asset value of a single asset, and other customary covenants, including limitations on the Company's ability to incur debt, enter into liens, engage in certain fundamental changes, pay dividends and modify the Unitary Lease.

A copy of the Loan Agreement is attached to the Form 8-K as Exhibit 10. 2 and is incorporated by reference as though it were fully set forth herein. The foregoing summary of the Loan Agreement is not intended to be complete and is qualified in its entirety by the complete text of the Loan Agreement.

Item 9.01. Financial Statements and Exhibits.

It is impracticable to provide the required pro forma financial information showing the impact on the Company's historical financial statements of the acquired Properties described in Item 2.01 above at the time of this filing and no such financial information is available at this time. The Company hereby confirms that it intends to file the required financial information on or before 71 days after the date the Form 8-K must be filed.
