TARO PROVIDES RESULTS FOR THREE MONTHS ENDED MARCH 2012

Net Sales Increases 35%, Operating Income Increases 98%

Hawthorne, NY, May 24, 2012 - Taro Pharmaceutical Industries Ltd. (NYSE: TARO) (“Taro,” or the “Company”) today provided unaudited financial results for the three month period ended March 31, 2012.

Quarter Three Months ended March 31, 2012 Highlights - compared to the same period in 2011

Net sales of \$145.1 million, increased \$37.4 million, or 34.7%

Gross profit, as a percentage of net sales was 68.3%, compared to 58.6%

Selling, marketing, general and administrative expenses increased \$0.6 million, however, as a percentage of net sales decreased to 15.9%, compared to 20.8%

Operating income increased 98.3% to \$66.2 million, or 45.6% of net sales, compared to \$33.4 million, or 31.0% of net sales

Net income attributable to Taro was \$47.3 million compared to \$25.7 million, a \$21.6 million increase, resulting in diluted earnings per share of \$1.06 compared to \$0.58.

Cash Flow and Balance Sheet Highlights

Cash flow from operations was \$78.1 million for the quarter ended March 31, 2012, compared to \$24.4 million in the same period in 2011

Cash, including marketable securities, increased \$75.5 million to \$334.3 million from December 31, 2011.

Mr. Kal Sundaram, Taro’s recently appointed Chairman commented, “We are pleased with the quarter’s results and the consistent progress that we continue to make. As we have stated in the past, a portion of our revenue and profit growth is the result of pricing opportunities, the sustainability of which is uncertain. We intend to ramp up our R&D expenditures in order to improve and grow our pipe-line of quality products in order to remain competitive in a highly-competitive market.”

Mr. Sundaram added, “I look forward to working with the entire Taro management team as we continue to move the Company forward, and build upon the progress and success that Taro has achieved, particularly in the past eighteen months.”

FDA Approvals and Filings

During the quarter, Taro received one Supplemental New Drug Application approval from the U.S. Food and Drug Administration (“FDA”) for Daranide® (Dichlorophenamide) Tablets 50mg. Taro also received one Abbreviated New Drug Application (“ANDA”) approval in May 2012 (Escitalopram Oxalate Oral Solution, 5mg (base)/5mL). The total number of products awaiting approval at the FDA is sixteen ANDAs and one New Drug Application.

Taro Changing its Fiscal Year End to March 31

Taro’s Board of Directors approved a change in the Company’s fiscal year end from December 31 to March 31. The new fiscal year end was effectuated to align Taro's fiscal reporting period and its annual budget planning with that of its major shareholder, Sun Pharmaceutical Industries Ltd. (“Sun Pharma,” Reuters: SUN.BO, Bloomberg: SUNP IN, NSE: SUNPHARMA, BSE: 524715). A report on Form 20-F with unaudited results will be filed with the U.S. Securities and Exchange Commission (“SEC”) by the Company to cover the transition period from January 1, 2012 to March 31, 2012 (“Transition Report”).

The Company cautions that the foregoing financial information is presented on an unaudited basis and is subject to change. In addition to filing a Transition Report, final audited results for the transition period will be included in the Company’s Annual Report on Form 20-F for the fiscal period from April 1, 2012 to March 31, 2013.

SAFE HARBOR STATEMENT

The unaudited consolidated financial statements have been prepared on the same basis as the annual consolidated financial statements and, in the opinion of management, reflect all adjustments necessary to present fairly the financial condition and results of operations of the Company. The unaudited consolidated financial statements should be read in conjunction with the Company’s audited consolidated financial statements included in the Company’s Annual Report on Form 20-F, as filed with the SEC.

Certain statements in this release are forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements include, but are not limited to, statements that do not describe historical facts and statements that refer or relate to events or circumstances the Company “estimates,” “believes,” or “expects” to happen or similar language, and statements with respect to the Company’s financial performance, availability of financial information, and estimates of financial results and financial information for 2012. Although the Company believes the expectations reflected in such forward-looking statements to be based on reasonable assumptions, it can give no assurances that its expectations will be attained. Factors that could cause actual results to differ include the evaluation of the Sun Pharma tender offer by Taro’s Board of Directors, acceptance of the offer by Taro shareholders, approval, if any required, by regulatory authorities, actions of the Company's lenders and creditors, general domestic and international economic conditions, industry and market conditions, changes in the Company's financial position, litigation brought by any party in any court in Israel, the United States, or any country in which Taro operates, regulatory actions and legislative actions in the countries in which Taro operates, and other risks

detailed from time to time in the Company's SEC reports, including its Annual Reports on Form 20-F. Forward-looking statements are applicable only as of the date on which they are made. The Company undertakes no obligations to update, change or revise any forward-looking statement, whether as a result of new information, additional or subsequent developments or otherwise.
