**Item 1.01 Entry into a Material Definitive Agreement**

On June 30, 2006 Ascendia Brands, Inc. (the Registrant) entered into a Second Amended and Restated Securities Purchase Agreement (the Securities Purchase Agreement) with Prencen, LLC (Prencen) and Prencen Lending LLC (Prencen Lending). The Securities Purchase Agreement amends and restates certain agreements entered into on October 1, 2005 and amended on November 16, 2005.

## Edgar Filing: ASCENDIA BRANDS, INC. - Form 8-K

Under the Securities Purchase Agreement, the Registrant will issue and sell to Prencen Lending at the closing (the Closing) senior secured convertible notes (the Notes) in the principal amount of \$91 million, which Notes shall be secured by all of the Company's and its subsidiaries assets and guaranteed by all of the Company's subsidiaries. The proceeds from the sale of the Notes will be used to repay the balance outstanding under the Bridge Term Loan Agreement dated November 15, 2005 between the Registrant, Prencen Lending (as Agent and Lender) and Highgate House Funds, Ltd, including accrued interest, to effect certain redemptions of the Registrant's Series A Preferred Stock in the aggregate amount of roughly \$3.7 million, to pay fees and expenses associated with the closing of the Securities Purchase Agreement and for general corporate purposes.

The Notes will have a term of 10 years (subject to certain put and call rights described below) and will bear interest at the rate of 9 percent *per annum*, provided that during the first six months of the term, the Registrant will have the option to accrue and capitalize interest. If the Registrant consummates an Acquisition (as defined in the Notes), it may elect to defer and capitalize interest for the balance of the term of the Notes.

Any portion of the balance due under the Notes will be convertible at any time, at the option of the holder(s), into the common stock of the Registrant (Conversion Shares) at a price of \$1.75 per share (subject to certain anti-dilution adjustments), provided that the holders may not, except in accordance with the terms of the Notes, convert any amounts due under the Notes if and to the extent that, following such a conversion, the holder and any affiliate would collectively beneficially own more than 9.99 percent of the aggregate number of shares of common stock of the Registrant outstanding following such conversion.

At any time after the fifth anniversary of the issuance of the Notes, the Registrant or any holder may redeem all or any portion of the balance outstanding under the Notes at a premium of 5 percent. The Notes are redeemable by the holder(s) at any time upon the occurrence of an event of default or a change in control of the Registrant, at a premium of 25 and 20 percent, respectively. In addition, upon the consummation of an Acquisition, the Registrant may redeem, at a premium of 15 percent, a portion of the principal amount of the Notes equal to the difference between the then outstanding principal amount of the Notes and \$51 million.

The Notes rank as senior secured debt of the Registrant, provided however that the Notes will be subordinated to a revolving credit facility, on terms and conditions reasonably satisfactory to Prencen Lending, of up to \$13 million secured by U.S. inventory and accounts receivable. The Notes will also be subordinated to indebtedness, on terms and conditions reasonably satisfactory to Prencen Lending, incurred in connection with an Acquisition, in an amount up to \$250 million.

In connection with the transactions contemplated by the Securities Purchase Agreement, the Registrant will also issue certain warrants entitling the holders thereof to purchase shares of its common stock (Warrant Shares). At the Closing, the Registrant will issue to Prencen (i) 3,053,358 Series A Warrants at an exercise price of \$2.10 per share and (ii) up to 3,000,000 Series B Warrants, the exact number of Series B Warrants and the exercise price of the Series B Warrants (which may range from \$1.15 to \$1.95) shall be determined in accordance with the terms of the Series B Warrants. The Warrants may not be exercised if and to the extent that, following such exercise, the holder and any affiliate would collectively beneficially own more than 9.99 percent of the aggregate number of shares of common stock of the Registrant outstanding following such exercise.

At the Closing, the Registrant will enter into an Amended and Restated Registration Rights Agreement (Registration Rights Agreement) in favor of Prencen and Prencen Lending with respect to the Conversion Shares, Warrant Shares and any common stock of Registrant currently held or subsequently acquired by Prencen or Prencen Lending (Registrable Securities). Under the Registration Rights Agreement, the Registrant will be required to file a Registration Statement with respect to the Registrable Securities not less than 60 days following Closing, and to use its best efforts to have such Registration Statement declared effective not more than the earlier of 120 days following the filing deadline or 180 days following the Closing. The Registration Rights Agreement contains customary penalties for the failure to comply with such deadlines or to maintain the effectiveness of the Registration statement.

At the Closing, the Registrant is required to pay Prentice Capital Management, LP, an affiliate of Prencen and Prencen Lending, a closing fee of \$3,667,500 and to reimburse Prencen and Prencen Lending for certain disbursements related to the transaction. In addition, the Registrant will pay fees and expenses of \$5,524,121 to Stanford Group Company (Stanford). At the Closing, the Registrant will also issue Stanford warrants for the purchase of its common stock as follows: (i) 137,615 warrants at an exercise price of \$3.76 per share, and (ii) 552,632 warrants at an exercise price of \$4.37 per share.
