There is no judgment, injunction, order or decree binding upon Schick or any Significant Subsidiary which has or would reasonably be expected to have the effect of, in any material respect, prohibiting or materially impairing any business practice of Schick or such Significant Subsidiary, any acquisition of property by Schick or such Significant Subsidiary or the conduct of business by Schick or such Significant Subsidiary as currently conducted. Neither Schick nor any Significant Subsidiary has ever been or is now subject to the United States Food and Drug Administration's Application Integrity Policy.

(b) Permits. Schick and its Significant Subsidiaries hold, to the extent necessary under Legal Requirements, all Permits that are material to and required for the operation of the business of Schick or its Significant Subsidiaries, as currently conducted, except where the failure to hold such Permits would not reasonably be expected to have a Material Adverse Effect on Schick (collectively, the "Schick Permits"). (b) Indemnification Agreements. Schedule 2.9(b) identifies each Contract and any Persons covered by such Contract to which Schick or any of its Significant Subsidiaries is a party providing that such Person will either be indemnified or otherwise reimbursed in respect of claims that may be made against such Person, and/or attorneys fees therefor, relating to such Person's employment, officership or directorship with Schick or such Significant Subsidiary.

(b) Breach of Contracts. All Schick Material Contracts are valid and in full force and effect except to the extent they have previously expired in accordance with their terms or except if the failure to be in full force and effect, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Schick. Neither Schick nor any Significant Subsidiary has violated any provision of, or committed or failed to perform any act which with or without notice, lapse of time or both would constitute a default under the provisions of, any Schick Material Contract, except in each case for those violations and defaults which, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect with respect to Schick.

Any material contributions (including all employer contributions and employee salary reduction contributions), premiums or other payments that are due have been made to or in respect of each such Employee Plan and an accrual has been made on the books of Schick or the relevant Significant Subsidiary in accordance with U.S. GAAP for all material benefits accrued and material contributions due as of the date hereof. Each Schick Lease is in full force and effect, and no material breach or default exists by Schick or any Significant Subsidiary (or, to the Knowledge of Schick, by any other party thereto), nor has any event or condition occurred which could (with the giving of notice or the passage of time or both) constitute a material breach or default, under any Schick Lease.

Except for advisory fees payable to UBS Securities LLC by Schick, neither Schick nor any Subsidiary of Schick has incurred, or will incur, directly or indirectly, any liability for brokerage or finders' fees or agents' commissions or any similar charges in connection with this Agreement or any transaction contemplated by this Agreement.

2.17 Filings with SEC. Since January 1, 2001, Schick has made all filings with the SEC that it has been required to make under the Securities Act and the Securities Exchange Act (collectively the "Public Reports"). As of their respective dates, each of the Public Reports complied with the requirements of the Securities Act or the Securities Exchange Act, as the case may be, in all material respects. Except as set forth on Schedule 2.17, and to the extent corrected prior to the date hereof by a subsequently filed Public Report, none of the Public Reports, as of their respective dates, contained any untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading. Schick has made available to Luxco a correct and complete copy of each Public Report (together with all exhibits and schedules thereto and as amended to date not otherwise available over the Internet).

2.18 The Proxy Statement; Disclosure. The Proxy Statement will comply with the Securities Exchange Act. None of the information supplied or to be supplied by or on

2.21 Delaware 203; Takeover Statute. The Schick Board has taken all actions necessary to ensure that the restrictions contained in Section 203 of the DGCL applicable to a "business combination" (as defined in such Section) will not apply to the execution, delivery or performance of this Agreement or any of the other Transaction Documents or the consummation of the transactions contemplated hereby or thereby, including the issuance of the Schick Shares. The execution, delivery and performance of this Agreement or any of the other Transaction Documents and the consummation of the transactions contemplated hereby or thereby will not cause to be applicable to Schick any "fair price," "moratorium," "control share acquisition" or other similar antitakeover statute or regulation enacted under state or federal laws.

any other securities of Sirona or any options, warrants, calls or rights to acquire any such capital stock or other securities except for purchases, redemptions or other acquisitions of securities from officers, directors, employees or other services providers in the ordinary course of business; (c) except as required by the pronouncements of the Financial Accounting Standards Board or the accounting standards bodies in Germany that become or have become, effective as to Sirona after June 30, 2005, any material change in accounting methods, principles or practices employed by Sirona or any of its Significant Subsidiaries; or (d) any action or event that would have required the consent of Schick pursuant to Section 5.2 of this Agreement had such action or event occurred after the date of this Agreement.

3.6 Taxes. Except as set forth in Schedule 3.6, Sirona and each of its Significant Subsidiaries have (i) filed all federal, state, local and foreign tax returns and reports required to be filed by them with respect to any taxable period ending on or before the Closing Date (taking into account extensions), (ii) paid or accrued all Taxes due and payable, and (iii) paid or accrued all Taxes for which a notice of assessment or collection has been received (other than amounts being contested in good faith by appropriate proceedings), except in the case of clause (i), (ii) or (iii) for any such filings, payments or accruals which are not reasonably likely, individually or in the aggregate, to have a Material Adverse Effect with respect to Sirona. Except as set forth in Schedule 3.6, no taxing authority has asserted any claim for Taxes which is unresolved, or to the Knowledge of Sirona, is threatening to assert any claims for Taxes, which claims, individually or in the aggregate, are reasonably likely to have a Material Adverse Effect with respect to Sirona. Sirona and each of its Significant Subsidiaries have withheld or collected and paid over to the appropriate governmental authorities (or are properly holding for such payment) all Taxes required by applicable law to be withheld or

collected, except for amounts which are not reasonably likely, individually or in the aggregate, to have a Material Adverse Effect with respect to Sirona. There are no Liens for Taxes upon the assets of Sirona or any of its Significant Subsidiaries (other than Liens for Taxes that are not yet due or that are being contested in good faith by appropriate proceedings), except for Liens which are not reasonably likely, individually or in the aggregate, to have a Material Adverse Effect with respect to Sirona.

3.7 Intellectual Property. Sirona and its Significant Subsidiaries own, or are licensed or otherwise possess legally enforceable rights to use, all Intellectual Property that is necessary to the continued conduct of the business of Sirona and its Significant Subsidiaries as currently conducted, subject to such exceptions that would not be reasonably likely to have a Material Adverse Effect with respect to Sirona. Except as set forth on Schedule 3.7 hereto, during the last three years, neither Sirona nor any of its Significant Subsidiaries has received any written notice of infringement of or conflict with asserted rights of others with respect to any material Intellectual Property that is owned or used by, or licensed to, Sirona or any Significant Subsidiaries.

3.8 Compliance with Laws; Permits.

(a) Compliance with Laws. Except as set forth on Schedule 3.8(a), Sirona and its Significant Subsidiaries have complied with, are not in violation of, and have not received any notices of violation with respect to, any applicable Legal Requirement with respect to the conduct of their businesses, or the ownership or operation of their businesses, except for failures to comply or violations which, individually or in the aggregate, have not had and are not

- 17 -

reasonably likely to have a Material Adverse Effect with respect to Sirona. There is no judgment, injunction, order or decree binding upon Sirona or any Significant Subsidiary which has or would reasonably be expected to have the effect of, in any material respect, prohibiting or materially impairing any business practice of Sirona or such Significant Subsidiary, any acquisition of property by Sirona or such Significant Subsidiary or the conduct of business by Sirona or such Significant Subsidiary as currently conducted. Neither Sirona nor any Significant Subsidiary has ever been or is now subject to the United States Food and Drug Administration's Application Integrity Policy.

(b) Permits. Sirona and its Significant Subsidiaries hold, to the extent necessary under Legal Requirements, all Permits that are material to and required for the operation of the business of Sirona or its Significant Subsidiaries, as currently conducted, except where the failure to hold such Permits would not reasonably be expected to have a Material Adverse Effect on Sirona (collectively, the "Sirona Permits"). No suspension or cancellation of any of the Sirona Permits is pending or, to the Knowledge of Sirona, threatened. Sirona is in compliance in all material respects with the terms of the Sirona Permits.

3.9 Litigation.

(a) Litigation Disclosure. Except as set forth on Schedule 3.9(a), there is (i) no Proceeding pending or, to the Knowledge of Sirona, threatened against Sirona or any of its Significant Subsidiaries; and (ii) no judgment, order, injunction, decree, stipulation or award (whether rendered by a court, administrative agency, or by arbitration, pursuant to a grievance or other procedure) against or relating to Sirona or any of its Significant

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

Subsidiaries which, in the case of either clause (i) above, if adversely determined, or clause (ii) above, would reasonably be expected to result in a loss to Sirona or any of its Significant Subsidiaries in excess of (euro)1,000,000 in each individual case.

(b) Indemnification Agreements. Schedule 3.9(b) identifies each Contract and any Persons covered by such Contract to which Sirona or any of its Significant Subsidiaries is a party providing that such Person will either be indemnified or otherwise reimbursed in respect of claims that may be made against such Person, and/or attorneys fees therefor, relating to such Person's employment, officership or directorship with Sirona or such Significant Subsidiary.

3.10 Material Contracts.

(a) Material Contracts. Except as otherwise set forth in Schedule 3.10 and Contracts solely between or among Sirona and/or its Subsidiaries neither Sirona nor any of its Significant Subsidiaries is a Party to or bound by any of the following (each, a "Sirona Material Contract"):

(i) any material Contract providing for bonuses, stock, options, stock purchases, profit sharing or the like;

(ii) any employment Contract or Contract for services (other than for services by independent contractors) which requires the payment of more than (euro)250,000 annually in total cash compensation;

- 18 -

(b) Breach of Contracts. All Sirona Material Contracts are valid and in full force and effect except to the extent they have previously expired in accordance with their terms or except if the failure to be in full force and effect, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect on Sirona. Neither Sirona nor any Significant Subsidiary has violated any provision of, or committed or failed to perform any act which with or without notice, lapse of time or both would

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

constitute a default under the provisions of, any Sirona Material Contract, except in each case for those violations and defaults which, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect with respect to Sirona.

3.11 Benefit Plans; Labor.

(a) Benefit Plans. Schedule 3.11(a) lists each material Employee Plan that Sirona or any of its Significant Subsidiaries maintains or to which any of Sirona or its Significant Subsidiaries contributes or with respect to which Sirona or any of its Significant Subsidiaries has any material liability; provided that Schedule 3.11(a) need not list individual bonuses or commissions paid or payable in the ordinary course of business. Each such Employee Plan (and each related trust, insurance contract, or fund) has been maintained, funded and administered in accordance with the terms of such Employee Plan, except as would not have a Material Adverse Effect on Sirona, and complies in form and in operation in all respects with all applicable Legal Requirements (either required as a matter of law or to obtain the intended tax treatment and tax benefits), except where the failure to comply would not have a Material Adverse Effect on Sirona. Any material contributions (including all employer contributions and employee salary reduction contributions), premiums or other payments that are due have been made to or in respect of each such Employee Plan and an accrual has been made on the books of Sirona or the

- 19 -

relevant Significant Subsidiary in accordance with German GAAP for all material benefits accrued and material contributions due as of the date hereof. Except as set forth on Schedule 3.11(a), neither Sirona nor any of its Significant Subsidiaries maintains, sponsors, contributes to or has any liability with respect to any Employee Plan that is a "defined benefit plan," a "multiemployer plan," a "multiple employer plan" or a "multiple employer welfare arrangement," within the meaning of applicable Legal Requirements. No director, officer, employee or other fiduciary of Sirona or any Significant Subsidiary has committed any material breach of fiduciary responsibility imposed by applicable Legal Requirements with respect to the Employee Plans listed on Schedule 3.11(a). No material prohibited transaction (as defined in applicable Legal Requirements) has occurred with respect to any Employee Plan of Sirona or any of its Significant Subsidiaries. Neither Sirona nor any Significant Subsidiary has any actual or potential material liability for death or medical benefits following separation from employment, other than those benefits required by applicable Legal Requirements.

(b) Labor. Except as set forth in Schedule 3.11(b), neither Sirona nor any of its Significant Subsidiaries is a party to or otherwise bound by any material collective bargaining agreement, Contract or understanding with a labor union or labor organization, nor is Sirona or any of its Significant Subsidiaries the subject of any material Proceeding asserting that Sirona or any of its Significant Subsidiaries has committed an unfair labor practice or is seeking to compel it to bargain with any labor union or labor organization nor, is there pending or, to the Knowledge of Sirona, threatened, any material labor strike, dispute, walkout, work stoppage, slow-down or lockout involving Sirona or any of its Significant Subsidiaries.

3.12 Property.

(a) Real Property. Sirona and its Subsidiaries have good and marketable title to the real properties set forth on Schedule 3.12(a) free and clear of Liens, except for Permitted Liens and except for matters that would not have a Material Adverse Effect with respect to Sirona. Schedule 3.12(a) sets

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

forth a list of all material real properties leased or occupied by Sirona or its Significant Subsidiaries for the operation of their respective business, including the address of each such property (the "Sirona Real Estate"). Other than any leases or occupancy agreements solely between or among Sirona and/or its Subsidiaries, Schedule 3.12(a) identifies all of the material leases or other occupancy agreements with respect to the Sirona Real Estate (the "Sirona Leases") and any material amendments or modifications to the Sirona Leases. Each Sirona Lease is in full force and effect, and no material breach or default exists by Sirona or any Significant Subsidiary (or, to the Knowledge of Sirona, by any other party thereto), nor has any event or condition occurred which could (with the giving of notice or the passage of time or both) constitute a material breach or default, under any Sirona Lease.

(b) Tangible Personal Property. Except as set forth on Schedule 3.12(b) hereto, (i) Sirona and each Significant Subsidiary has good title to all of the items of its tangible personal property reflected on the June 30, 2005 balance sheet contained in the Sirona Financials, except as sold or disposed of subsequent to the date thereof in the ordinary course of business, and (ii) all such tangible personal property is owned free and clear of all Liens, except for (A) Liens identified on Schedule 3.12(b), (B) Liens which, individually or in the aggregate, do not materially detract from the value, or materially interfere with the present use, of Sirona's

- 20 -

or any of its Significant Subsidiaries' aggregate tangible personal property (excluding any Liens in favor of any Related Party), and (C) Permitted Liens.

3.13 Insurance. Except as set forth on Schedule 3.13, (i) all of Sirona's and its Significant Subsidiaries' material policies and contracts for property, casualty and director's and officer's liability insurance or substantially identical policies (in terms of scope and level of coverage) (the "Sirona Insurance Policies") are in full force and effect, (ii) the Sirona Insurance Policies are in full force and effect and will not lapse or be subject to suspension, modification, revocation, cancellation, termination or non-renewal by reason of the execution, delivery or performance of this Agreement or of any transaction in connection with this Agreement, (iii) and are sufficient in all material respects for compliance with all applicable Legal Requirements, (iv) Sirona and its Significant Subsidiaries are current in all premiums or other payments due under each Sirona Insurance Policy and have otherwise performed in all material respects all of their respective obligations thereunder, and (v) neither Sirona nor its Significant Subsidiaries have received, during the past three years from any insurance carrier with which it has carried any material insurance, any refusal of coverage or notice of material limitation of coverage or any notice that a defense will not be afforded or will be afforded with reservation of rights.

3.14 Related Party Transactions. Indebtedness owing to Sirona or any Subsidiary.

3.16 Brokers' and Finders' Fees. Except as set forth on Schedule 3.16, neither Sirona nor any Subsidiary of Sirona has incurred, or will incur, directly or indirectly, any liability for brokerage or finders' fees or agents' commissions or any similar charges in connection with this Agreement or any transaction contemplated by this Agreement.

3.17 The Proxy Statement; Disclosure. ARTICLE 6 ADDITIONAL AGREEMENTS

6.1 Schick Stockholders Meeting; Preparation of the Proxy Statement.

(a) Schick Stockholders Meeting. Schick shall, as promptly as practicable after the SEC shall have approved or declined to review the Proxy Statement, duly call, give notice of, convene and hold a special meeting of its stockholders (the "Schick Stockholders Meeting") for the purpose of obtaining the Requisite Stockholder Approval, and subject to Section 6.4, the Schick Board shall recommend to the Schick Stockholders the approval and adoption of the Certificate Amendment, this Agreement and the Exchange Transactions (the "Company Recommendation") and shall include such recommendation in the Proxy Statement; provided, however, that the Schick Board shall not be required to make such Company Recommendation to the extent that it conflicts with a Company Adverse Recommendation Change already made in accordance with Section 6.4(c). Schick shall (i) use its reasonable best efforts to solicit from its stockholders proxies in favor of the approval of the Certificate Amendment, the Exchange Transactions and this Agreement and will take all other action reasonably necessary or advisable to secure such vote or consent of its stockholders and (ii) ensure that the Schick Stockholders Meeting is called,

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

noticed, convened, held and conducted, and that all proxies solicited by it in connection therewith are solicited in compliance with the DGCL, the Schick Charter Documents and all other applicable Legal Requirements. The foregoing shall be at Schick's expense. Luxco shall vote or cause to be voted any of the shares of Common Stock owned of record or beneficially by Luxco or any of its Subsidiaries in favor of the Certificate of Amendment and this Agreement and the transactions contemplated by this Agreement. Immediately following the Requisite Stockholder Approval, Schick shall file, and cause to become immediately effective, the Certificate Amendment with the Secretary of State of the State of Delaware in accordance with the DGCL.

- 29 -

(b) Proxy Statement. Subject to the terms and conditions of this Agreement, as soon as practicable following the date of this Agreement, Schick shall prepare and file with the SEC the Proxy Statement with respect to the approval of the Certificate of Amendment and the Exchange Transactions and the adoption of this Agreement at the Schick Stockholders Meeting, and use its reasonable best efforts to have the Proxy Statement cleared by the SEC and mailed to Schick's stockholders after the Proxy Statement has been cleared by the SEC. The Parties shall cooperate with each other in the preparation of the Proxy Statement. Sirona and Luxco shall at their own expense furnish all information concerning them as may be required by law and the Exchange Act in connection with the preparation, filing and distribution of the Proxy Statement, which shall include, without limitation, Sirona's audited consolidated financial statements for its two most recent fiscal years specified on Schedule 6.1(b) (the "Sirona Audited U.S. GAAP Financials"), and any unaudited financial statements for any interim period required by the U.S. federal securities laws, in each case prepared in accordance with U.S. GAAP. Sirona shall use its reasonable best efforts to deliver to Schick the Sirona Audited U.S. GAAP Financials and any unaudited financial statements for any such interim period as promptly as practicable. In the event the Sirona Audited U.S. GAAP Financials are not completed on or prior to December 15, 2005, Luxco shall reasonably consult with Schick promptly thereafter regarding the status of the Sirona Audited U.S. GAAP Financials and the efforts that have been made prior to such date with respect to the preparation thereof and shall allow Schick to reasonably meet and consult with the accountants preparing the Sirona Audited U.S. GAAP Financials to a reasonable extent regarding the same. The Proxy Statement shall comply as to form and content in all material respects with the applicable provisions of the federal securities laws. Luxco and its counsel shall be given a reasonable opportunity to review and comment upon the Proxy Statement and any amendment or supplement thereto prior to the filing thereof with the SEC, and Schick shall consider any such comments in good faith. Schick agrees to provide to Luxco and its counsel any comments which Schick or its counsel may receive from the staff of the SEC with respect to the Proxy Statement promptly after receipt thereof. The Parties agree to promptly correct any information provided by any of them for use in the Proxy Statement which shall have become false or misleading in any respect, and Schick further agrees to use its reasonable best efforts to cause such Proxy Statement as so corrected to be filed with the SEC and disseminated to Schick's stockholders, in each case as and to the extent required by the applicable provisions of the federal securities laws. Schick agrees to use its reasonable best efforts, after consultation with the other parties hereto, to respond promptly to any comments made by the SEC with respect to the Proxy Statement and any preliminary version thereto or amendment thereof, filed by it. Each of Luxco and Sirona agree to use its reasonable best efforts to promptly provide Schick with any information necessary to respond to any such comments made by the SEC. A copy of the opinion of Schick's financial advisor shall be included in the Proxy Statement.

6.2 Access to Information; Quarterly Financial Statements. Subject

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

to the provisions of this Section 6.2 and applicable laws relating to the exchange of information and subject to attorney-client privilege, upon reasonable notice, each Exchange Party shall (and shall cause its Subsidiaries, to) afford to the officers, employees and other representatives of the other Exchange Party reasonable access at reasonable times, during the period prior to the Closing Date to each of its employees listed on Schedule 6.2 hereto; provided that the foregoing shall not require any Exchange Party or its Subsidiaries to disclose any Competitively Sensitive Information. Schick shall deliver to Sirona all of the quarterly financial statements for each of

- 30 -

the calendar quarters following June 30, 2005, within 30 days after the end of each such quarter, that are prepared by or for Schick in the ordinary course of business. Sirona shall deliver to Schick all of the quarterly financial statements, in management account format, for each of the calendar quarters following June 30, 2005, within 30 days after the end of each such quarter, that are prepared by or for Sirona for its bank lenders in the ordinary course of business. Notwithstanding the foregoing, from the date hereof until the earlier of the Closing or a termination of this Agreement pursuant to and in accordance with Article 8, except in the ordinary course of business, none of the Exchange Parties, their respective Subsidiaries or any of their representatives, shall contact, directly or indirectly, any customer, supplier, officer or employee (other than any officers or employees listed on Schedule 6.2) or other representative (other than any legal counsel and financial advisors of such Exchange Party) of the other Exchange Party or its Subsidiaries with respect to the transactions contemplated hereunder (including, without limitation, with respect to any relationship post-Closing) except through coordinated meetings or contacts consented to in writing by the other Exchange Party. All such information delivered pursuant to this Section 6.2 shall be held in confidence to the extent required by, and in accordance with, the provisions of the Non-Disclosure and Confidentiality Agreement, dated June 8, 2005, between Schick, Beecken Petty O'Keefe & Company, Madison Dearborn Partners and Sirona Dental Systems GmbH (the "Confidentiality Agreement"), which Confidentiality Agreement shall remain in full force and effect.

6.3 Approvals and Consents; Cooperation. Each of Schick, Luxco and Sirona shall cooperate with each other and use (and shall cause their respective Subsidiaries to use) its reasonable best efforts to take or cause to be taken all actions, and do or cause to be done all things, necessary, proper or advisable on their part under this Agreement and applicable laws to consummate and make effective the Exchange Transactions and the other transactions contemplated by this Agreement as soon as practicable, including without limitation (i) preparing and filing as promptly as practicable all documentation to obtain each of the consents and approvals, with respect to Schick, set forth on Schedule 6.3(a) and, with respect to Luxco and Sirona, set forth on Schedule 6.3(b) (collectively, the "Required Approvals") and (ii) taking all reasonable steps as may be necessary to obtain all such Required Approvals. Without limiting the generality of the foregoing, each of Schick, Luxco and Sirona agree to make all necessary filings in connection with the Required Approvals as promptly as practicable after the date of this Agreement, and to use its reasonable best efforts to furnish or cause to be furnished, as promptly as practicable, all information and documents requested with respect to such Required Approvals, and shall otherwise cooperate with any applicable Governmental Entity in order to obtain any Required Approvals in as expeditious a manner as possible. Each of Schick, Luxco and Sirona shall use its reasonable best efforts to resolve such objections, if any, as any Governmental Entity may assert with respect to this Agreement and the transactions contemplated hereby in connection with the Required Approvals. In the event that a suit is instituted by a Person or Governmental Entity challenging this Agreement and the

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

transactions contemplated hereby as violative of applicable antitrust or competition laws, each of Schick and Luxco shall use its reasonable best efforts to resist or resolve such suit. Schick and Luxco each shall, upon request by the other, furnish the other with all information concerning itself, its Subsidiaries, Affiliates, directors, officers and stockholders and such other matters as may reasonably be necessary or advisable in connection with the Proxy Statement or any other statement, filing, Tax ruling request, notice or application made by or on behalf of Schick, Luxco or any of their respective Subsidiaries to any third party and/or any Governmental Entity in

- 31 -

connection with the Exchange Transactions or the other transactions contemplated by this Agreement. Notwithstanding the foregoing, nothing in this Section 6.3 or any other provision of this Agreement shall require, or be construed to require, any Party to proffer to, or agree to, sell or hold separate and agree to sell, before or after the Closing Date, any assets, businesses, or interest in any assets or businesses of Schick, Luxco, Sirona or any of their respective Affiliates (or to consent to any sale, or agreement to sell, any such assets or businesses) or to agree to any material changes or restriction in the operations of any such assets or businesses.

6.4 Alternative Proposals.

(a) From the date of this Agreement until the earlier of the Closing Date or the termination of this Agreement in accordance with Article 8, except as otherwise permitted hereby, each Exchange Party agrees that it will not, nor shall it authorize or permit any of its officers and directors and it will use its reasonable best efforts to cause its agents, affiliates, employees and advisors not to, (i) solicit, initiate or knowingly encourage (including, but not limited to, by way of furnishing nonpublic information) any inquiries or the making of any proposal or offer (including, without limitation, any proposal or offer to its stockholders) that constitutes, or is reasonably expected to lead to, any Competing Transaction (as defined below), (ii) enter into or maintain or continue discussions or negotiations with any Person in furtherance of such inquiries or to obtain a Competing Transaction, (iii) agree to any Competing Transaction or (iv) endorse any Competing Transaction; provided, however, that notwithstanding anything to the contrary contained herein, prior to the date of the Requisite Stockholder Approval, nothing in this Section 6.4 shall in any respect prohibit the Schick Board or the officers, directors, agents, affiliates, employees or advisors of Schick or its Subsidiaries from furnishing or disclosing information to, or engaging in discussions or negotiations with, any Person that makes an unsolicited bona fide written proposal to acquire Schick pursuant to a Competing Transaction (a "Competing Transaction Proposal"), if the Schick Board acting in good faith determines (i) after consultation with its financial advisor that such Competing Transaction Proposal constitutes or is reasonably likely to result in a Superior Proposal and (ii) after taking into account any revisions to the terms of the Exchange Transactions or this Agreement proposed by Luxco after being notified pursuant to Section 6.4(c), that doing so is necessary for the Schick Board to comply with its fiduciary duties to the Schick Stockholders under applicable law. A "Superior Proposal" shall mean any bona fide written Competing Transaction Proposal for or in respect of the acquisition of at least a majority of the outstanding shares of Common Stock or all or substantially all of Schick's and its Subsidiaries' assets (i) on terms that the Schick Board determines in its good faith judgment (after (w) consultation with, and taking into account the advice of, a financial advisor of nationally recognized reputation and outside legal counsel, (x) taking into account all the terms and conditions of such Competing Transaction Proposal, including any break-up fees, expense reimbursement provisions and conditions to consummation and (y) taking into

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

account any revisions to the terms of the Exchange Transactions or this Agreement proposed by Luxco after being notified pursuant to Section 6.4(c)) are more favorable to Schick and its stockholders than the Exchange Transactions and the other transactions contemplated hereby and (ii) that constitutes a transaction that is reasonably likely to be consummated on the terms so proposed, taking into account all legal, financial, regulatory and other aspects of such proposal.

- 32 -

(b) Schick shall promptly (within 24 hours) notify Luxco after receipt by it (or any of its officers, directors, employees, agents or advisors or other representatives) of any Competing Transaction Proposal or any request for nonpublic information or inquiry which it reasonably believes could be expected to lead to a Competing Transaction Proposal and shall provide to Luxco, in writing, the terms and conditions of any such Competing Transaction Proposal, or such request or inquiry and the identity of the person making the same. Prior to Schick furnishing information with respect to it, as permitted by Section 6.4(a) to any person making such a Competing Transaction Proposal, Schick shall enter into a confidentiality agreement with such person the terms of which are not materially less restrictive than the Confidentiality Agreement, and all such information (to the extent such information shall not have previously been provided to Luxco) shall be provided or made available to Luxco at such time such information is made available to such person.

(c) Notwithstanding the foregoing, the Schick Board may, prior to obtaining the Requisite Stockholder Approval, withdraw (or modify in a manner adverse to Luxco) or publicly propose to withdraw (or modify in a manner adverse to Luxco) once made, its recommendation in favor of this Agreement or the transactions contemplated hereby and approve or recommend a Competing Transaction Proposal (any action described in this subsection being referred to as a "Company Adverse Recommendation Change") in connection with a Superior Proposal if, but only if, and to the extent that all of the following conditions are met prior to such Company Adverse Recommendation Change: (i) the Requisite Stockholder Approval has not been obtained; (ii) the Schick Board determines in good faith (after consulting with its outside legal counsel) that failure to so withdraw or modify the Company Recommendation would violate their fiduciary duties to the Schick Stockholders under applicable law; (iii) before taking any such action, Schick promptly gives Luxco written notice advising Luxco of the decision of the Schick Board to take such action, including the reasons therefore and, in the event that such decision relates to a Competing Transaction Proposal, such notice specifies the material terms and conditions of such Competing Transaction Proposal and identifies the Person making such Competing Transaction Proposal (and Schick will also promptly give Luxco such a notice with respect to any subsequent change in such proposal) and Schick has given Luxco at least five (5) Business Days after delivery of each such notice to propose revisions to the terms of this Agreement (or to make another proposal) in response to such Competing Transaction Proposal and has negotiated in good faith with Luxco with respect to such proposed revisions or other proposal, if any, (iv) such Competing Transaction Proposal constitutes a Superior Proposal and has not been withdrawn, and (v) unless Luxco otherwise agrees in writing, Schick terminates this Agreement pursuant to Section 8.3(b) within three Business Days following the five Business Day period referred to in clause (iii) of this Section 6.4(c); provided, however, that notwithstanding any Company Adverse Recommendation Change, Schick shall nevertheless submit this Agreement and the Exchange Transactions to the Schick Stockholders for the purpose of obtaining the Requisite Stockholder Approval at the Schick Stockholders Meeting and nothing contained herein shall be deemed to relieve Schick of such obligation, unless Luxco otherwise directs Schick in writing or this Agreement shall have been terminated in accordance with its terms prior to

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

the Schick Stockholders Meeting.

(d) Notwithstanding the foregoing, the Schick Board shall be permitted to disclose to the stockholders of Schick a position with respect to a Competing Transaction

- 33 -

Proposal required by Rule 14e-2(a), Item 1012(a) of Regulation M-A or Rule 14d-9 promulgated under the Exchange Act.

(e) A "Competing Transaction" means any of the following involving an Exchange Party and/or its Subsidiaries (other than the Exchange Transactions and the other transactions contemplated by this Agreement): (i) a merger, consolidation, share exchange, business combination, recapitalization, liquidation, dissolution or other similar transaction; (ii) any acquisition, purchase, sale, lease, exchange, transfer, issuance or disposition of a material portion of the assets or debt or equity securities of such Person; and (iii) any tender offer (including a self tender offer) or exchange offer for 20% or more of any class of equity securities of such Exchange Party or any of its Subsidiaries.

6.5 Fees and Expenses. Whether or not the Exchange Transactions are consummated, all Expenses incurred in connection with this Agreement and the transactions contemplated hereby (i) by Schick shall be paid by Schick or its Subsidiaries and (ii) by Luxco or Sirona shall be paid by Sirona or its Subsidiaries; provided that all fees and out-of-pocket expenses, other than attorneys' fees, incurred in connection with the filing by any of the Parties hereto or their respective Subsidiaries of any notice or other document under any applicable antitrust Legal Requirement shall either be (A) paid 100% by Schick or its Subsidiaries, in which case, Sirona or its Subsidiaries shall promptly reimburse Schick or its Subsidiaries for 50% of any such payments or (B) paid to the applicable third party 50% by Schick or its Subsidiaries and 50% by Sirona or its Subsidiaries. However, in no event shall Schick or its Subsidiaries pay any amount directly to Luxco, Sirona or any of their respective Subsidiaries pursuant to this Section 6.5 without Luxco's prior written consent. For purposes of this Agreement, "Expenses" includes all out-of-pocket expenses (including all fees and expenses of counsel, accountants, investment bankers, financing sources and their counsel, experts and consultants to a Party and its Affiliates) incurred by a Party or on its behalf in connection with or related to the authorization, preparation, negotiation, execution and performance of this Agreement and the transactions contemplated hereby, including the preparation, printing, filing and mailing of the Proxy Statement and the solicitation of stockholder approvals and all other matters related to the transactions contemplated hereby.

6.6 Current Public Information. Schick shall file all reports required to be filed by it under the Securities Act and the Securities Exchange Act and the rules and regulations adopted by the SEC thereunder and shall take such further action as any holder or holders of Restricted Securities may reasonably request, all to the extent required to enable such holders to sell Restricted Securities pursuant to (i) Rule 144 adopted by the SEC under the Securities Act (as such rule may be amended from time to time) or any similar rule or regulation hereafter adopted by the SEC or (ii) as provided in the Registration Agreement, a registration statement on Form S-2 or S-3 or any similar registration form hereafter adopted by the SEC. Upon request, Schick shall deliver to any holder of Restricted Securities a written statement as to whether it has complied with such requirements.

6.7 Listing. In the event the Common Stock is listed on The Nasdaq

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

National Market, Schick shall prepare and submit to The Nasdaq National Market a listing application covering the Schick Shares and shall obtain approval for the listing of such shares.

- 34 -

6.8 Section 203 of the DGCL. The Schick Board shall not adopt any resolution containing any provisions, relating to the exemption from Section 203 of the DGCL granted to the Luxco Holders or their respective Affiliates which would adversely affect or otherwise impair the rights of the Luxco Holders or their Affiliates thereunder.

6.9 Transfer of Restricted Securities.

(a) Luxco and its assignees shall transfer Restricted Securities only (i) pursuant to public offerings registered under the Securities Act, (ii) pursuant to Rule 144 of the SEC (or any similar rule or rules then in force) if such rule or rules are available, (iii) to a person whom the seller reasonably believes is a "Qualified Institutional Buyer" (as defined in Rule 144A), (iv) outside of the United States in an offshore transaction in accordance with Rule 904 of the Securities Act, and (v) subject to the conditions specified in Section 6.9(b) below, any other legally available means of transfer; provided that the conditions specified in Section 6.9(b) shall be deemed to have been satisfied without any further action or evidence if the holder of any Restricted Securities shall deliver to Schick a written notice stating that the holder is transferring Restricted Securities to another Luxco Holder or an Affiliate of Luxco; provided that the holder thereof shall not transfer the same until the prospective transferee has confirmed to Schick in writing its agreement to be bound by the provisions contained in this Section 6.9 and in Section 6.11.

(b) In connection with the transfer of any Restricted Securities (other than a transfer described in Sections 6.9(a)(i) or (ii) above), the holder thereof shall deliver written notice to Schick describing in reasonable detail the transfer or proposed transfer, together with an opinion of counsel which (to Schick's reasonable satisfaction) is knowledgeable in securities law matters to the effect that such transfer of Restricted Securities may be effected without registration of such Restricted Securities under the Securities Act and any other documentation or certifications as Schick or its transfer agent may reasonably deem necessary under applicable law. In addition, if the holder of the Restricted Securities delivers to Schick an opinion of such counsel that no subsequent transfer of such Restricted Securities shall require registration under the Securities Act upon the receipt by Schick or its transfer agent of any other documentation or certification as it may reasonably deem necessary under applicable law, Schick shall promptly upon such contemplated transfer deliver new certificates for such Restricted Securities which do not bear the Securities Act legend set forth in Section 6.9(d). If Schick is not required to deliver new certificates for such Restricted Securities not bearing such legend, the holder thereof shall not transfer the same until the prospective transferee has confirmed to Schick in writing its agreement to be bound by the conditions contained in this Section 6.9 and in Section 6.11.

(c) Upon the request of Luxco, Schick shall promptly supply to Luxco or any subsequent holder of Schick Shares or any of their respective prospective transferees all information regarding Schick required to be delivered in connection with a transfer pursuant to Rule 144A of the Securities Act. A copy of such conditions shall be furnished by the Company to the holder hereof upon written request and without charge. Without limiting the generality of the foregoing, the holder of the securities represented by this certificate agrees for the benefit of the Company that (A) the securities may be transferred only (I) pursuant to an effective registration statement under the Securities Act, (II) to a person whom the seller reasonably believes is a "Qualified Institutional Buyer" (as defined in Rule 144A of the Securities Act) in a transaction meeting the requirements of Rule 144A, (III) outside of the United States in an offshore transaction in accordance with Rule 904 of the Securities Act, (IV) pursuant to an exemption from registration under the Securities Act provided by Rule 144 thereunder (if available) or (V) in any other transactions exempt from the registration requirements of the Securities Act, and (B) the holder will, and each subsequent holder is required to, notify any purchaser of the securities from it of the resale restrictions referred to in (A) above."

6.10 Public Announcements. Except with respect to any Company Adverse Recommendation Change, each of the Parties shall consult with each other before issuing, and give each other the reasonable opportunity to review and comment upon, any press release or other public statements (other than routine employee communications) with respect to the transactions contemplated by this Agreement, including the Exchange Transactions and shall not issue any such press release or make any such public statement prior to such consultation, except as such party may in its good faith judgment conclude may be required by law, court process or by obligations pursuant to any listing agreement with any national securities exchange or national securities quotation system, in which case the issuing Party shall use its reasonable best efforts to consult with the other party before issuing any such release or making any such public statement. "Tag-Along Sale" shall mean a sale by the Luxco Group of Common Stock acquired pursuant to this Agreement, in a privately negotiated transaction (other than to or among the Luxco Group) to any Person or group of related Persons in any transaction or series of related transactions in which (a) a number of shares of Common Stock exceeding 50% of the issued and outstanding Common Stock would be sold by the Luxco Group to such Person or group of related Persons and (b) the sale price per share of Common Stock received by the Luxco Group exceeds the average closing trading price of the Common Stock for the ten consecutive days prior to the date of announcement of the proposed Tag-Along Sale. For United States of America federal income tax purposes, the Exchange Transactions are intended to be treated as the exchange of the stock of Blitz F04-506 GmbH, to be renamed Sirona Dental Services GmbH, and Sirona Dental Systems Ltd. solely for Schick voting stock, qualifying as "B" reorganizations within the meaning of Code Section 368(a)(1)(B). For the Grand Duchy of Luxembourg tax purposes, the Exchange Transactions are intended to be treated as an exchange of the stock of Sirona for Schick voting stock, qualifying as tax-free under article 22 bis of the Corporate Income Tax. The Parties agree to report the Exchange Transactions consistent with such intended tax treatment. None of the Parties will take or cause to be taken any action which would prevent the Exchange Transactions from qualifying for such intended tax treatment. In furtherance and not in limitation of the foregoing, if the Closing occurs, except with the prior written consent of Luxco, neither Schick nor Sirona shall, for a period of two years following the Closing Date, cause or permit Sirona, Blitz F04-506 GmbH, to be renamed Sirona Dental Services GmbH, or Sirona Dental Systems Ltd. to liquidate, dissolve, or merge with another entity.

(c) In the event that this Agreement is terminated pursuant to Section 8.3(b), Schick shall pay to Luxco, by wire transfer of immediately available funds to an account designated by Luxco concurrently with the effectiveness of such termination, an amount equal to \$13.5 million (the "Termination Fee"), less any Expense Payment previously paid.

(d) If all of the following events have occurred:

(i) (A) a Competing Proposal with respect to Schick or its Subsidiaries is publicly disclosed or publicly proposed to Schick or its stockholders at any time on or after the date of this Agreement but prior to any termination of this Agreement and (B) this Agreement is terminated pursuant to Section 8.1(c), 8.1(d) or 8.2; and

(e) Schick acknowledges that the agreements contained in Sections 8.4(b), (c) and (d) are an integral part of the transactions contemplated by this Agreement, and that, without these agreements, Luxco and Sirona would not enter into this Agreement.

8.5 Amendment. This Agreement may be amended by the Parties, by action taken or authorized by the Schick Board and the Luxco Board, at any time before or after adoption of this Agreement by Schick's stockholders. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the Parties.

Any agreement on the part of a Party to any such extension or waiver shall be valid

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

only if set forth in a written instrument signed on behalf of such Party. No delay on the part of any Party in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any waiver on the part of any Party of any right, power or privilege hereunder operate as a waiver of any other right, power or privilege hereunder, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder. Unless otherwise provided, the rights and remedies herein provided are cumulative and are not exclusive of any rights or remedies which the parties hereto may otherwise have at law or in equity. 10.6 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any law or public policy, all other terms and provisions of this Agreement shall nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in an acceptable manner in order that the transactions contemplated hereby are consummated as originally contemplated to the greatest extent possible. Transaction Terms

The transaction is structured as a stock-for-stock tax-free exchange in which Schick will issue Sirona's parent company 36.97 million new Schick shares in exchange for 100% of its economic interest in Sirona. Sirona's owners will have an ownership interest in the combined company of 67%, with current Schick shareholders holding the remainder. Schick shareholders will also receive a \$2.50 per share cash dividend, which will be declared prior to closing. Based on a September 23, 2005 Schick closing market price of \$25.10, the deal places the

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

total enterprise value of Sirona at \$1.46 billion, including approximately \$537 million in net debt. The merged company will be renamed Sirona Dental Systems, Inc., with corporate headquarters located at Sirona's facilities in Bensheim, Germany and U.S. headquarters at Schick's facilities in New York. Schick will apply promptly for the listing of its common stock on the NASDAQ National Market.

The merger has been unanimously approved by both companies' Boards of Directors and is expected to close in the first calendar quarter of 2006. It is subject to approval by Schick's shareholders, clearance by appropriate regulatory agencies, preparation of Sirona's financial statements in accordance with United States GAAP and other customary closing conditions. Voting agreements in support of the transaction have been signed by shareholders holding approximately 37% of Schick's issued and outstanding common shares.

Sirona's Chief Executive Officer, Jost C. Fischer, will become Chairman, President and Chief Executive Officer of the combined Sirona Dental Systems, Inc. Jeffrey T. Slovin, Schick's President and Chief Executive Officer, will become Executive Vice President of the combined company and Chief Operating Officer of U.S. Operations. Sirona's Chief Financial Officer, Simone Blank, will become Executive Vice President and Chief Financial Officer of the combined company. Sirona will hold seven seats on the combined company's board, with Schick holding three seats.

Complementary Strengths, Synergies

The transaction will create a company with a strong global presence and breadth of products based on complementary technologies, geographic coverage and channel strengths. The combined company will have a broader product offering by virtue of uniting Schick's North American leadership in intra-oral digital radiography with Sirona's four industry-leading product categories: dental CAD/CAM systems (CEREC), imaging systems, treatment centers and instruments. Both companies' brand awareness within the dental community and geographic fit will allow the combined Sirona Dental Systems to capitalize on growth potential worldwide.

"This transaction represents a significant strategic growth opportunity for our shareholders, partners and employees," said Schick President and Chief Executive Officer Jeffrey T. Slovin. "We will create a company with a strong global presence, an unrivaled breadth of products and excellence in R&D. Together with Sirona, we command an extraordinary level of brand recognition around the world.

"We are excited about this merger and confident of the future growth of the combined company. Schick is a logical fit, complementing Sirona's strengths, particularly in the United States," commented Jost C. Fischer, Chairman, President and Chief Executive Officer of Sirona. "Sirona and Schick are two of the true innovators in our sector, and our united R&D platform will benefit our distribution partners, customers and patients."

The combined company will have 1,800 employees and, on a pro forma basis, for the twelve months ended June 30, 2005, had revenue of approximately \$500 million worldwide, including over \$180 million in North America. For the same period, the combined company generated pro forma EBITDA of approximately \$120 million and operating cash flow in excess of \$100 million. Following their combination, the companies expect to achieve annual synergies of \$5-7 million within 12-24 months after the close. The business combination is expected to be accretive to

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

Schick's calendar 2006 cash earnings per share.

Also commenting on the transaction was Timothy P. Sullivan, Managing Director of Madison Dearborn Partners, LLC and a director of Sirona: "We believe the combination of these two strong companies will create significant shareholder value and are excited to remain a major shareholder in Sirona Dental Systems."

Shareholder Approvals

The transaction will be presented for approval at a special meeting of Schick's shareholders to be scheduled following the conversion of Sirona's financial statements to U.S. GAAP. In connection with the shareholders meeting, Schick will file proxy materials with the Securities and Exchange Commission. These proxy materials will set forth additional details and other information concerning the transaction, which investors should carefully read before making a decision regarding the transaction.

K&E Draft 9/20/05
Exhibit D

REGISTRATION AGREEMENT

THIS REGISTRATION AGREEMENT (this "Agreement") is made as of _____, 200_, (1) by and between Schick Technologies, Inc., a Delaware corporation to be renamed Sirona Dental Systems, Inc. (the "Company"), and Sirona Holdings Luxco S.C.A., a societe en commandite par actions, organized under the laws of the Grand Duchy of Luxembourg (the "Investor").

The parties to this Agreement and Blitz 05-118 GmbH, to be renamed Sirona Holding GmbH, are parties to an Exchange Agreement, dated September __, 2005 (as amended, the "Exchange Agreement"). In order to induce the Investor to enter into the Exchange Agreement, the Company has agreed to provide the registration rights set forth in this Agreement. The execution and delivery of this Agreement is a condition to the Closing under the Exchange Agreement. Unless otherwise provided in this Agreement, capitalized terms used herein shall have the meanings set forth in Section 10 hereof.

NOW, THEREFORE, in consideration of the mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties to this Agreement hereby agree as follows:

1. Demand Registrations.

(a) Requests for Registration. Subject to the terms and conditions of this Section 1, at any time the holders of a majority of the Registrable Securities may request, in writing, registration under the Securities Act of all or any portion of their Registrable Securities on Form S-1 or any similar long-form registration ("Long-Form Registrations") or on Form S-3 (including pursuant to Rule 415 under the Securities Act) or any similar short-form registration ("Short-Form Registrations") if available. All registrations requested pursuant to this Section 1(a) are referred to herein as "Demand Registrations". Each request for a Demand Registration shall specify the approximate number of Registrable Securities requested to be registered, the

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

anticipated per share price range for such offering and the intended method of distribution. The Company shall give written notice of such requested registration to all other holders of Registrable Securities and, subject to the terms of Section 1(d) hereof, shall include in such registration (and in all related registrations and qualifications under state blue sky laws or in compliance with other registration requirements and in any related underwriting) all Registrable Securities with respect to which the Company has received written requests for inclusion therein within 20 days after the receipt of the Company's notice (the "Included Registrable Securities").

(b) Long-Form Registrations. The holders of Registrable Securities shall be entitled to request three Long-Form Registrations in which the Company shall pay all Registration Expenses. A registration shall not count as one of the permitted Long-Form

(1) Will be dated as of the Closing Date (as defined in the Exchange Agreement).

Registrations until it has become effective, and the last Long-Form Registration shall not count as one of the permitted Long-Form Registrations unless the holders of Registrable Securities are able to register and sell at least 90% of the Registrable Securities requested to be included in such registration; provided that in any event the Company shall pay all Registration Expenses in connection with any registration initiated as a Long-Form Registration whether or not it has become effective and whether or not such registration has counted as one of the permitted Long-Form Registrations. Unless otherwise determined by the holders of a majority of the Registrable Securities, all Long-Form Registrations shall be underwritten registrations.

(c) Short-Form Registrations. In addition to the Long-Form Registrations provided pursuant to Section 1(b), the holders of Registrable Securities shall be entitled to request an unlimited number of Short-Form Registrations in which the Company shall pay all Registration Expenses; provided that the aggregate offering value of the Registrable Securities requested to be registered in any Short-Form Registration must equal at least \$20 million, based on the anticipated per share price range (as specified in the request for such registration) for such offering. Demand Registrations shall be Short-Form Registrations whenever the Company is permitted to use any applicable short form and if the managing underwriters (if any) agree to the use of a Short-Form Registration. The Company shall use its best efforts to make Short-Form Registrations on Form S-3 available for the sale of Registrable Securities. If the Company, pursuant to the request of the holders of a majority of Registrable Securities, is qualified to and has filed with the Securities and Exchange Commission a registration statement under the Securities Act on Form S-3 pursuant to Rule 415 under the Securities Act (the "Required Registration"), then the Company shall use its best efforts to cause the Required Registration to be declared effective under the Securities Act as soon as practicable after filing, and, once effective, the Company shall cause such Required Registration to remain effective for a period ending on the earlier of (i) the date on which all Included Registrable Securities have been sold pursuant to the Required Registration, or (ii) the date as of which the holders of the Included Registrable Securities (assuming such holders are affiliates of the Company) are able to sell all of the Registrable Securities then held by them within a 90-day period in compliance with Rule 144 under the Securities Act.

(d) Priority on Demand Registrations. Except for Common Stock required to be included in such Demand Registration pursuant to the Existing Registration Agreements, the Company shall not include in any Demand Registration any securities which are not Registrable Securities without the prior written consent of the holders of a majority of the Registrable Securities

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

included in such registration. If a Demand Registration is an underwritten offering and the managing underwriters advise the Company in writing that in their opinion the number of Registrable Securities and, if permitted hereunder, other securities requested to be included in such offering exceeds the number of Registrable Securities and other securities, if any, which can be sold in an orderly manner in such offering within a price range acceptable to the holders of a majority of the Registrable Securities requested to be included in such registration, then the Company shall include in such registration prior to the inclusion of any securities which are not Registrable Securities or Existing Registrable Securities, the number of Registrable Securities and the number of Existing Registrable Securities requested to be included which in the opinion of such underwriters can be sold in an orderly manner within the price range of such offering, pro rata among the respective holders thereof on the basis of the amount of Registrable Securities and Existing Registrable Securities owned by each such holder. Any Persons other than holders

-2-

of Registrable Securities or Existing Registrable Securities who participate in Demand Registrations which are not at the Company's expense must pay their share of the Registration Expenses as provided in Section 5 hereof.

(e) Restrictions on Long-Form Registrations. The Company shall not be obligated to effect any Long-Form Registration within 90 days after the effective date of a previous Long-Form Registration or a previous registration in which Registrable Securities were included pursuant to Section 2 and in which there was no material reduction in the number of Registrable Securities requested to be included. Notwithstanding the foregoing, (i) the Company may postpone for up to 90 days the filing or the effectiveness of a Long-Form Registration for a Demand Registration if the Company shall furnish to the holders of Registrable Securities a certificate signed by the Chief Executive Officer of the Company stating that in the good faith judgment of the Company's Board of Directors it would be seriously detrimental to the Company or its stockholders for a registration statement to be filed in the near future and setting forth the reasons for such judgment, and (ii) the Company shall not be obligated to effect a registration pursuant to this Section 1 during the thirty days prior to the Company's estimated date of filing a registration statement for the account of the Company, provided that the Company is actually employing in good faith its best efforts to cause such registration statement to become effective; provided that in such event, the holders of Registrable Securities initially requesting such Demand Registration shall be entitled to withdraw such request and, if such request is withdrawn, such Demand Registration shall not count as one of the permitted Demand Registrations hereunder and the Company shall pay all Registration Expenses in connection with such registration. The Company may delay a Demand Registration hereunder only once in any twelve-month period.

(f) Selection of Underwriters. In connection with any underwritten Demand Registration, the Company shall have the right to designate the managing underwriter or underwriters, subject to the consent of the holders of a majority of the Registrable Securities participating in the underwriting, which consent shall not be unreasonably withheld or delayed if such underwriter or underwriters are of recognized national standing.

(g) Other Registration Rights. Except for the Existing Registration Agreements, the Company represents and warrants that it is not a party to, or otherwise subject to, any other agreement granting registration rights to any other Person with respect to any securities of the Company. As of the date of this Agreement, no party to any Existing Registration Agreement has breached or violated any such agreement and no such agreement has been amended, waived or

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

modified since the date of the Exchange Agreement. The Company has delivered true and complete copies of each Existing Registration Agreement, each as amended (including any assignments or transfers of rights or obligations related thereto), to the Investor. The Company shall not amend, waive or modify the terms and conditions of the Existing Registration Agreements without the prior written consent of the holders of a majority of the Registrable Securities. Except as provided in this Agreement, the Company shall not grant to any Persons the right to request the Company to register any equity securities of the Company, or any securities convertible or exchangeable into or exercisable for such securities, without the prior written consent of the holders of a majority of the Registrable Securities if, as a consequence of the granting of any such rights, the rights of any holder of Registrable Securities could be adversely affected.

-3-

2. Piggyback Registrations.

(a) Right to Piggyback. Whenever the Company proposes to register any of its securities under the Securities Act (other than pursuant to a Demand Registration) and the registration form to be used may be used for the registration of Registrable Securities (other than a registration statement relating either to the sale of securities to employees of the Company pursuant to a stock option, stock purchase or similar plan or a Rule 145 transaction) (a "Piggyback Registration"), the Company shall give prompt written notice (in any event within five business days after its receipt of notice of any exercise of demand registration rights other than under this Agreement) to all holders of Registrable Securities of its intention to effect such a registration and, subject to the terms of Sections 2(c) and 2(d) hereof, shall include in such registration (and in all related registrations or qualifications under blue sky laws or in compliance with other registration requirements and in any related underwriting) all Registrable Securities with respect to which the Company has received written requests for inclusion therein within 20 days after the receipt of the Company's notice. The foregoing notwithstanding, the Company may, in its discretion, withdraw any registration statement referred to in this Section 2 prior to the effectiveness thereof.

(b) Piggyback Expenses. The Registration Expenses of the holders of Registrable Securities shall be paid by the Company in all Piggyback Registrations.

(c) Priority on Primary Registrations. If a Piggyback Registration is an underwritten primary registration on behalf of the Company, and the managing underwriters advise the Company in writing that in their opinion the number of securities requested to be included in such registration exceeds the number which can be sold in an orderly manner in such offering within a price range acceptable to the Company, then the Company shall include in such registration (i) first, the securities the Company proposes to sell, (ii) second, the Registrable Securities and the Existing Registrable Securities requested to be included in such registration, pro rata among the holders of such Registrable Securities and such Existing Registrable Securities on the basis of the number of shares owned by each such holder, and (iii) third, other securities requested to be included in such registration.

(d) Priority on Secondary Registrations. If a Piggyback Registration is an underwritten secondary registration on behalf of holders of the Company's securities, and the managing underwriters advise the Company in writing that in their opinion the number of securities requested to be included in such registration exceeds the number which can be sold in an orderly manner in such offering within a price range acceptable to the holders of a majority of the

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

Registrable Securities requested to be included in such registration, then the Company shall include in such registration (i) first, the securities requested to be included therein by the holders requesting such registration (other than Registrable Securities and Existing Registrable Securities) pursuant to demand registration rights, (ii) second, the Registrable Securities and the Existing Registrable Securities requested to be included in such registration, pro rata among the holders of such Registrable Securities and such Existing Registrable Securities on the basis of the number of shares owned by each such holder, and (iii) third, other securities requested to be included in such registration.

-4-

(e) Selection of Underwriters. If any Piggyback Registration is an underwritten offering, the Company shall have the right to designate the managing underwriter or underwriters, subject to the consent of the holders of a majority of the Registrable Securities participating in the underwriting, which consent shall not be unreasonably withheld or delayed if such underwriter or underwriters are of recognized national standing.

(f) Other Registrations. If the Company has previously filed a registration statement with respect to Registrable Securities pursuant to Section 1 or pursuant to this Section 2, and if such previous registration has not been withdrawn or abandoned, then, unless such previous registration is a Required Registration, the Company shall not file or cause to be effected any other registration of any of its equity securities or securities convertible or exchangeable into or exercisable for its equity securities under the Securities Act (except on Form S-8 or any successor form), whether on its own behalf or at the request of any holder or holders of such securities, until a period of at least 180 days (or, in the case of a registration pursuant to Section 2.1 of the Greystone Registration Agreement or Section 2.6 of the DVI Registration Agreement, 90 days) has elapsed from the effective date of such previous registration except if permitted to do so by the holders of a majority of the Registrable Securities as to which registration has been requested.

3. Holdback Agreements.

(a) Each holder of Registrable Securities shall not effect any public sale or distribution (including sales pursuant to Rule 144) of equity securities of the Company, or any securities convertible into or exchangeable or exercisable for such securities, during the seven days prior to and the 180-day period beginning on the effective date of any underwritten Demand Registration or any underwritten Piggyback Registration in which Registrable Securities are included (except as part of such underwritten registration), unless the underwriters managing the registered public offering otherwise agree.

(b) The Company (i) shall not effect any public sale or distribution of its equity securities, or any securities convertible into or exchangeable or exercisable for such securities, during the seven days prior to and during the 180-day period beginning on the effective date of any underwritten Demand Registration or any underwritten Piggyback Registration (except as part of such underwritten registration or pursuant to registrations on Form S-8 or any successor form), unless the underwriters managing the registered public offering otherwise agree, and (ii) to the extent not inconsistent with applicable law, except as otherwise permitted by the holders of a majority of the Registrable Securities, shall use its best efforts to cause each holder of at least 1% (on a fully-diluted basis) of its Common Stock, or any securities convertible into or exchangeable or exercisable for Common Stock, purchased or acquired from the Company at any time after the date of this Agreement (other than in a registered public offering) to agree not to effect any public sale or distribution (including sales pursuant to Rule 144) of any such securities during such period

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

(except as part of such underwritten registration, if otherwise permitted), unless the underwriters managing the registered public offering otherwise agree.

4. Registration Procedures. Whenever the holders of Registrable Securities have requested that any Registrable Securities be registered pursuant to this Agreement, the

-5-

Company shall use its best efforts to effect the registration and the sale of such Registrable Securities in accordance with the intended method of disposition thereof, and pursuant thereto the Company shall as expeditiously as possible:

(a) prepare and file with the Securities and Exchange Commission a registration statement, and all amendments and supplements thereto and related prospectuses as may be necessary to comply with applicable securities laws, with respect to such Registrable Securities and use its best efforts to cause such registration statement to become effective (provided that before filing a registration statement or prospectus or any amendments or supplements thereto, the Company shall furnish to the counsel selected by the holders of a majority of the Registrable Securities covered by such registration statement copies of all such documents proposed to be filed, which documents shall be subject to the review and comment of such counsel);

(b) notify in writing each holder of Registrable Securities of the effectiveness of each registration statement filed hereunder and prepare and file with the Securities and Exchange Commission such amendments and supplements to such registration statement and the prospectus used in connection therewith as may be necessary to keep such registration statement effective for a period of not less than 180 days (or, if such registration statement relates to an underwritten offering, such longer period as in the opinion of counsel for the underwriters a prospectus is required by law to be delivered in connection with sales of Registrable Securities by an underwriter or dealer) and comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement during such period in accordance with the intended methods of disposition by the sellers thereof set forth in such registration statement;

(c) furnish to each seller of Registrable Securities such number of copies of a prospectus or prospectus supplements and such other documents as such seller may reasonably request in order to facilitate the disposition of the Registrable Securities owned by such seller;

(d) use its best efforts to register or qualify such Registrable Securities under such other securities or blue sky laws of such jurisdictions as any seller reasonably requests and do any and all other acts and things which may be reasonably necessary or advisable to enable such seller to consummate the disposition in such jurisdictions of the Registrable Securities owned by such seller (provided that the Company shall not be required to (i) qualify generally to do business in any jurisdiction where it would not otherwise be required to qualify but for this clause (d), (ii) subject itself to taxation in any such jurisdiction or (iii) consent to general service of process in any such jurisdiction);

(e) promptly notify in writing each seller of such Registrable Securities, at any time when a prospectus relating thereto is required to be delivered under the Securities Act, of the happening of any event as a result of which the prospectus included in such registration statement (i) contains an untrue statement of a material fact or omits any fact necessary to make the

statements therein not misleading or (ii) is otherwise not legally available to support sales of Registrable Securities, and, at the request of the holders of a majority of the Registrable Securities covered by such registration statement, the Company shall promptly prepare a supplement or amendment to such prospectus so that, as thereafter delivered to the purchasers of

-6-

such Registrable Securities, such prospectus shall not contain an untrue statement of a material fact or omit to state any fact necessary to make the statements therein not misleading;

(g) provide a transfer agent and registrar for all such Registrable Securities not later than the effective date of such registration statement;

(h) enter into such customary agreements (including underwriting agreements in customary form) and take all such other actions as the holders of a majority of the Registrable Securities being sold or the underwriters, if any, reasonably request in order to expedite or facilitate the disposition of such Registrable Securities;

(i) make available for inspection by any seller of Registrable Securities, any underwriter participating in any disposition pursuant to such registration statement and any attorney, accountant or other agent retained by any such seller or underwriter, all financial and other records, pertinent corporate documents and properties of the Company, and cause the Company's officers, directors, employees and independent accountants to supply all information reasonably requested by any such seller, underwriter, attorney, accountant or agent in connection with such registration statement;

(k) permit any holder of Registrable Securities, which holder, in its sole and exclusive judgment, exercised in good faith, might be deemed to be an underwriter or a controlling person of the Company, to participate in the preparation of such registration or comparable statement and to require the insertion therein of material, furnished to the Company in writing, which in the reasonable judgment of such holder and its counsel should be included and which is reasonably acceptable to the Company;

(l) in the event of the issuance of any stop order suspending the effectiveness of a registration statement, or of any order suspending or preventing the use of any related prospectus or suspending the qualification of

any equity securities included in such registration

statement for sale in any jurisdiction, use its best efforts to promptly obtain the withdrawal of such order;

(m) use its best efforts to cause such Registrable Securities covered by such registration statement to be registered with or approved by such other governmental agencies or authorities as may be necessary to enable the sellers thereof to consummate the disposition of such Registrable Securities;

(n) obtain one or more cold comfort letters, dated the effective date of such registration statement (and, if such registration includes an underwritten public offering, dated the date of the closing under the underwriting agreement), from the Company's independent public accountants in customary form and covering such matters of the type customarily covered by cold comfort letters as the holders of a majority of the Registrable Securities being sold in such registered offering reasonably request (provided that such Registrable Securities constitute at least 10% of the securities covered by such registration statement); and

(o) provide a legal opinion of the Company's outside counsel, dated the effective date of such registration statement (and, if such registration includes an underwritten public offering, dated the date of the closing under the underwriting agreement), with respect to the registration statement, each amendment and supplement thereto, the prospectus included therein (including the preliminary prospectus) and such other documents relating thereto in customary form and covering such matters of the type customarily covered by legal opinions of such nature.

5. Registration Expenses.

(a) Subject to Section 5(b) below, all expenses, other than underwriting discounts and commissions, incident to the Company's performance of or compliance with this Agreement, including all registration, qualification and filing fees, fees and expenses of compliance with securities or blue sky laws, printing expenses, messenger and delivery expenses, fees and disbursements of custodians, and fees and disbursements of counsel for the Company and all independent certified public accountants, underwriters (excluding discounts and commissions) and other Persons retained by the Company (all such expenses being herein called "Registration Expenses"), shall be borne as provided in this Agreement, except that the Company shall, in any event, pay its internal expenses (including all salaries and expenses of its officers and employees performing legal or accounting duties), the expense of any annual audit or quarterly review, the expense of any liability insurance and the expenses and fees for listing the securities to be registered on each securities exchange on which similar securities issued by the Company are then listed or on the NASD automated quotation system.

(b) In connection with each Demand Registration and each Piggyback Registration, the Company shall reimburse the holders of Registrable Securities included in such registration for the reasonable fees and disbursements of one counsel chosen by the holders of a majority of the Registrable Securities included in such registration.

(c) To the extent Registration Expenses are not required to be paid by the Company, each holder of securities included in any registration hereunder shall pay those

Registration Expenses allocable to the registration of such holder's securities so included, and any Registration Expenses not so allocable shall be borne by all sellers of securities included in such registration in proportion to the aggregate selling price of the securities to be so registered.

6. Indemnification.

(a) The Company agrees to indemnify and hold harmless, to the extent permitted by law, each holder of Registrable Securities, its officers, partners, managers and directors and each Person who controls such holder (within the meaning of the Securities Act) against all losses, claims, actions, damages, liabilities and expenses caused by (i) any untrue or alleged untrue statement of material fact contained in any registration statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, or (ii) any violation or alleged violation by the Company of the Securities Act or any other similar federal or state securities laws or any rule or regulation promulgated thereunder applicable to the Company and relating to action or inaction required of the Company in connection with any such registration, qualification or compliance, and to pay to each holder of Registrable Securities, its officers, partners, managers and directors and each Person who controls such holder (within the meaning of the Securities Act), as incurred, any legal and any other expenses reasonably incurred in connection with investigating, preparing or defending any such claim, loss, damage, liability or action, except (x) insofar as the same are caused by or contained in any information furnished in writing to the Company by such holder expressly for use therein or by such holder's failure to deliver a copy of the registration statement or prospectus or any amendments or supplements thereto after the Company has furnished such holder with a sufficient number of copies of the same and (y) amounts paid in settlement of any such claim, loss, damage, liability or action if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld or delayed). In connection with an underwritten offering, the Company shall indemnify such underwriters, their officers, partners, managers and directors and each Person who controls such underwriters (within the meaning of the Securities Act) to the same extent as provided above with respect to the indemnification of the holders of Registrable Securities.

(b) In connection with any registration statement in which a holder of Registrable Securities is participating, each such holder shall furnish to the Company in writing such information and affidavits as the Company reasonably requests for use in connection with any such registration statement or prospectus and, to the extent permitted by law, shall indemnify and hold harmless the other holders of Registrable Securities and the Company, and their respective directors, partners, managers and officers and each other Person who controls the Company (within the meaning of the Securities Act) against any losses, claims, damages, liabilities and expenses resulting from any untrue or alleged untrue statement of material fact contained in the registration statement, prospectus or preliminary prospectus or any amendment thereof or supplement thereto or any omission or alleged omission of a material fact required to be stated therein or necessary to make the statements therein not misleading, but only to the extent that such untrue statement or omission is contained in any information or affidavit so furnished in writing by such holder; provided that the obligation to indemnify shall be individual, not joint and several, for each holder and shall be limited to the net amount of proceeds received by such holder from the sale of Registrable Securities pursuant to such registration statement;

provided further that such indemnification shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or expense if such settlement is effected without the consent of the holder providing such indemnification (which consent shall not be unreasonably withheld or delayed).

(c) Any Person entitled to indemnification hereunder shall (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (provided that the failure to give prompt notice shall not impair any Person's right to indemnification hereunder to the extent such failure has not prejudiced the indemnifying party) and (ii) unless in such indemnified party's reasonable judgment a conflict of interest between such indemnified and indemnifying parties may exist with respect to such claim, permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party. If such defense is assumed, the indemnifying party shall not be subject to any liability for any settlement made by the indemnified party without its consent (but such consent shall not be unreasonably withheld). An indemnifying party who is not entitled to, or elects not to, assume the defense of a claim shall not be obligated to pay the fees and expenses of more than one counsel for all parties indemnified by such indemnifying party with respect to such claim, unless in the reasonable judgment of any indemnified party a conflict of interest may exist between such indemnified party and any other of such indemnified parties with respect to such claim. In such instance, the conflicting indemnified parties shall have a right to retain one separate counsel, chosen by the holders of a majority of the Registrable Securities included in the registration, at the expense of the indemnifying party. Except as otherwise agreed by the holders of a majority of the Registrable Securities, no indemnifying party, in the defense of such claim or litigation, shall, except with the consent of each indemnified party, consent to the entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect to such claim or litigation.

(d) The indemnification and contribution provided for under this Agreement shall remain in full force and effect regardless of any investigation made by or on behalf of the indemnified party or any officer, partner, manager, director or controlling Person of such indemnified party and shall survive the transfer of securities.

(e) If the indemnification provided for in this Section 6 is held by a court of competent jurisdiction to be unavailable to an indemnified party or is otherwise unenforceable with respect to any loss, claim, damage, liability or action referred to herein, then the indemnifying party, in lieu of indemnifying such indemnified party hereunder, shall contribute to the amounts paid or payable by such indemnified party as a result of such loss, claim, damage, liability or action in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and of the indemnified party on the other hand in connection with the statements or omissions which resulted in such loss, claim, damage, liability or action as well as any other relevant equitable considerations; provided that the maximum amount of liability in respect of such contribution shall be limited, in the case of each seller of Registrable Securities, to an amount equal to the net proceeds actually received by such seller from the sale of Registrable Securities effected pursuant to such registration. The relative fault of the indemnifying party and of the indemnified party shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission to

state a material fact relates to information supplied by the indemnifying party or by the indemnified party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

(f) The parties hereto agree that it would not be just or equitable if the contribution pursuant to this Section 6 were to be determined by pro rata allocation or by any other method of allocation that does not take into account such equitable considerations. The amount paid or payable by an indemnified party as a result of the losses, claims, damages, liabilities or expenses referred to herein shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending against any action or claim which is the subject hereof. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who is not guilty of such fraudulent misrepresentation.

7. Participation in Underwritten Registrations. No Person may participate in any registration hereunder which is underwritten unless such Person (i) agrees to sell such Person's securities on the basis provided in any underwriting arrangements agreed upon between the Company and the underwriters selected by the Company in accordance with this Agreement (including pursuant to any over-allotment or "green shoe" option requested by the underwriters, provided that no holder of Registrable Securities shall be required to sell more than the number of Registrable Securities such holder has requested to include) and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements; provided that no holder of Registrable Securities included in any underwritten registration shall be required to make any representations or warranties to the Company or the underwriters (other than representations and warranties regarding such holder and such holder's intended method of distribution) or to undertake any indemnification obligations to the Company or the underwriters with respect thereto, except as otherwise provided in Section 6 hereof.

8. Furnish Information. Upon request from time to time by the Company, the holders of Registrable Securities shall furnish to the Company such information regarding themselves, the Registrable Securities held by them, and the intended method of disposition of such securities to the extent the Company reasonably requires such information in order to undertake its obligations pursuant to this Agreement.

9. Additional Parties; Joinder. In connection with the issuance of additional equity securities of the Company, the Company, with the prior written consent of the holders of a majority of the Registrable Securities, may permit any Person who acquires Common Stock or rights to acquire Common Stock after the date hereof (the "Acquired Common") to become a party to this Agreement and to succeed to all of the rights and obligations of a "holder of Registrable Securities" under this Agreement by obtaining an executed joinder to this Agreement from such Person in the form of Exhibit 1 attached hereto, and upon the execution and delivery of the joinder by such Person, such Person shall for all purposes be a "holder of Registrable Securities" under this Agreement with respect to the Acquired Common.

- o Expands industry-leading global presence and product portfolio and unites world-class R&D capabilities
- o Schick shareholders to receive \$2.50 per share dividend

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

NEW YORK/BENSHEIM, September 26, 2005 - Schick Technologies, Inc. (OTC BB: SCHK), an innovator in digital radiographic imaging systems and devices for the dental industry, and Sirona Dental Systems, one of the world's leading manufacturers of high-technology dental equipment, today announced that they have entered into a definitive agreement to merge in a transaction valued at \$1.9 billion. The transaction will create a leading global player in dental technology with strong product lines in all of the major dental segments. Schick has a leading position in digital intra-oral imaging systems in North America, while Sirona is a leading supplier of CEREC CAD/CAM restoration equipment, panoramic and intra-oral imaging systems, treatment centers and instruments worldwide.

[LOGO SCHICK]

Transaction Terms

The transaction is structured as a stock-for-stock tax-free exchange in which Schick will issue Sirona's parent company 36.97 million new Schick shares in exchange for 100% of its economic interest in Sirona. Sirona's owners will have an ownership interest in the combined company of 67%, with current Schick shareholders holding the remainder. Schick shareholders will also receive a \$2.50 per share cash dividend, which will be declared prior to closing. Based on a September 23, 2005 Schick closing market price of \$25.10, the deal places the total enterprise value of Sirona at \$1.46 billion, including approximately \$537 million in net debt. The merged company will be renamed Sirona Dental Systems, Inc., with corporate headquarters located at Sirona's facilities in Bensheim, Germany and U.S. headquarters at Schick's facilities in New York. Schick will apply promptly for the listing of its common stock on the NASDAQ National Market.

The merger has been unanimously approved by both companies' Boards of Directors and is expected to close in the first calendar quarter of 2006. It is subject to approval by Schick's shareholders, clearance by appropriate regulatory agencies, preparation of Sirona's financial statements in accordance with United States GAAP and other customary closing conditions. Voting agreements in support of the transaction have been signed by shareholders holding approximately 37% of Schick's issued and outstanding common shares.

Sirona's Chief Executive Officer, Jost C. Fischer, will become Chairman, President and Chief Executive Officer of the combined Sirona Dental Systems, Inc. Jeffrey T. Slovin, Schick's President and Chief Executive Officer, will become Executive Vice President of the combined company and Chief Operating Officer of U.S. Operations. Sirona's Chief Financial Officer, Simone Blank, will become Executive Vice President and Chief Financial Officer of the combined company. Sirona will hold seven seats on the combined company's board, with Schick holding three seats.

Complementary Strengths, Synergies

The transaction will create a company with a strong global presence and breadth of products based on complementary technologies, geographic coverage and channel strengths. The combined company will have a broader product offering by virtue of uniting Schick's North American leadership in intra-oral digital radiography with Sirona's four industry-leading product categories: dental CAD/CAM systems (CEREC), imaging systems, treatment centers and instruments. Both companies' brand awareness within the dental community and geographic fit will allow the

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEFA14A

combined Sirona Dental Systems to capitalize on growth potential worldwide.

2

[LOGO SCHICK]

"This transaction represents a significant strategic growth opportunity for our shareholders, partners and employees," said Schick President and Chief Executive Officer Jeffrey T. Slovin. "We will create a company with a strong global presence, an unrivaled breadth of products and excellence in R&D. Together with Sirona, we command an extraordinary level of brand recognition around the world".

"We are excited about this merger and confident of the future growth of the combined company. Schick is a logical fit, complementing Sirona's strengths, particularly in the United States," commented Jost C. Fischer, Chairman, President and Chief Executive Officer of Sirona. "Sirona and Schick are two of the true innovators in our sector, and our united R&D platform will benefit our distribution partners, customers and patients."

The combined company will have 1,800 employees and, on a pro forma basis, for the twelve months ended June 30, 2005, had revenue of approximately \$500 million worldwide, including over \$180 million in North America. For the same period, the combined company generated pro forma EBITDA of approximately \$120 million and operating cash flow in excess of \$100 million. Following their combination, the companies expect to achieve annual synergies of \$5-7 million within 12-24 months after the close. The business combination is expected to be accretive to Schick's calendar 2006 cash earnings per share.

Also commenting on the transaction was Timothy P. Sullivan, Managing Director of Madison Dearborn Partners, LLC and a director of Sirona: "We believe the combination of these two strong companies will create significant shareholder value and are excited to remain a major shareholder in Sirona Dental Systems."

Shareholder Approvals

The transaction will be presented for approval at a special meeting of Schick's shareholders to be scheduled following the conversion of Sirona's financial statements to U.S. GAAP. In connection with the shareholders meeting, Schick will file proxy materials with the Securities and Exchange Commission. These proxy materials will set forth additional details and other information concerning the transaction, which investors should carefully read before making a decision regarding the transaction.
