(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof ?

x Yes o No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

On March 15, 2006, the Company announced its financial results for its fourth quarter and fiscal year ended December 31, 2005. A copy of the press release was furnished as Exhibit 99.1 to the Current Report on Form 8-K filed on March 17, 2006. The Company anticipates that the financial results for the year and quarter ended December 31, 2005 will be as reflected in such press release. As previously announced, for the year ended December 31, 2005, net income was \$10.7 million or \$1.39 per fully diluted share, compared to \$10.0 million or \$1.31 per fully diluted share in 2004. The Company's total revenues for 2005 were \$146.4 million, compared to \$121.0 million in 2004, an increase of \$25.4 million or 21.0%. The Company's annual revenue growth was primarily driven by its PCS and NTC

business units. Operating income for 2005 was \$19.4 million, an increase of \$1.4 million or 7.6% from 2004. The increase is a result of growth in PCS and Telephone offset by operating losses in NTC. The 2004 results have been restated for corrections in errors related to the Company's accounting for leases as reported in a press release furnished as Exhibit 99.1 to the Current Report on Form 8-K filed on February 28 2006.
