PROXY STATEMENT

These Proxy materials are delivered in connection with the solicitation by the Board of Directors of Tarrant Apparel Group, a California corporation ("Tarrant," the "Company", "we", or "us"), of Proxies to be voted at our 2005 Annual Meeting of Shareholders and at any adjournments or postponements.

You are invited to attend our Annual Meeting of Shareholders on Thursday, May 26, 2005, beginning at 10:00 a.m. Pacific Time. The meeting will be held at our corporate headquarters, 3151 East Washington Boulevard, Los Angeles, California, 90023.

It is anticipated that the 2004 Annual Report and this Proxy Statement and the accompanying Proxy will be mailed to shareholders on or about May 2, 2005.

SHAREHOLDERS ENTITLED TO VOTE. Holders of our common stock at the close of business on March 31, 2005 are entitled to receive this notice and to vote their shares at the Annual Meeting. Common stock is the only outstanding class of securities of the Company entitled to vote at the Annual Meeting. As of March 31, 2005, there were 28,814,763 shares of common stock outstanding.

PROXIES. Your vote is important. If your shares are registered in your name, you are a shareholder of record. If your shares are in the name of your broker or bank, your shares are held in street name. We encourage you to vote by Proxy so that your shares will be represented and voted at the meeting even if you cannot attend. All shareholders can vote by written Proxy card. Your submission of the enclosed Proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. IF YOUR SHARES ARE HELD IN STREET NAME, YOU MUST OBTAIN A PROXY, EXECUTED IN YOUR FAVOR, FROM THE HOLDER OF RECORD IN ORDER TO BE ABLE TO VOTE AT THE MEETING. If you are a shareholder of record, you may revoke your Proxy at any time before the meeting either by filing with the Secretary of the Company, at its principal executive offices, a written notice of revocation or a duly executed Proxy bearing a later date, or by attending the Annual Meeting and expressing a desire to vote your shares in person. All shares entitled to vote and represented by properly executed Proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated on those Proxies. If no instructions are indicated on a properly executed Proxy, the shares represented by that Proxy will be voted as recommended by the Board of Directors.

QUORUM. The presence, in person or by Proxy, of a majority of the votes entitled

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

to be cast by the shareholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be included in the number of shares present at the Annual Meeting for determining the presence of a quorum. Broker non-votes occur when a broker holding customer securities in street name has not received voting instructions from the customer on certain non-routine matters and, therefore, is barred by the rules of the applicable securities exchange from exercising discretionary authority to vote those securities.

VOTING. Each share of our common stock is entitled to one vote on each matter properly brought before the meeting. Abstentions will be counted toward the tabulation of votes cast on proposals submitted to shareholders and will have the same effect as negative votes, while broker non-votes will not be counted as votes cast for or against such matters.

ELECTION OF DIRECTORS. Our Articles of Incorporation do not authorize cumulative voting. In the election of directors, the four candidates receiving the highest number of votes at the Annual Meeting will be elected. If any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the current Board of Directors to fill any vacancy. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

2

RATIFICATION OF INDEPENDENT PUBLIC ACCOUNTANTS. The ratification of the appointment of Grant Thornton LLP as our independent public accountants for the year ending December 31, 2005 will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting.

OTHER MATTERS. At the date this Proxy Statement went to press, we do not know of any other matter to be raised at the Annual Meeting.

In the event a shareholder proposal was not submitted to us prior to March 6, 2005, the enclosed Proxy will confer authority on the Proxyholders to vote the shares in accordance with their best judgment and discretion if the proposal is presented at the Meeting. As of the date hereof, no shareholder proposal has been submitted to us, and management is not aware of any other matters to be presented for action at the Meeting. However, if any other matters properly come before the Meeting, the Proxies solicited hereby will be voted by the Proxyholders in accordance with the recommendations of the Board of Directors. Such authorization includes authority to appoint a substitute nominee for any Board of Directors' nominee identified herein where death, illness or other circumstance arises which prevents such nominee from serving in such position and to vote such Proxy for such substitute nominee.

3

ITEM 1: ELECTION OF DIRECTORS

Item 1 is the election of four Class I members of the Board of Directors. Our Articles of Incorporation provide that, commencing with the 1998 annual meeting, the Board of Directors shall be divided into two classes which are elected for

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

staggered two-year terms. One of the two classes is elected each year to succeed the directors whose terms are expiring. Our Bylaws provide that the number of directors of the Company shall be fixed from time to time exclusively by the Board of Directors, but shall not be less than six nor more than eleven. The Board of Directors has fixed the number of directors at nine.

The Class I directors whose terms expire at the 2005 Annual Meeting are Barry Aved, Stephane Farouze, Milton Koffman and Mitchell Simbal. The Board of Directors, upon recommendation of the independent directors, has nominated Barry Aved, Stephane Farouze, Milton Koffman and Mitchell Simbal to serve as Class I directors for terms expiring in 2007. The Class II directors are serving terms that expire in 2006.

Unless otherwise instructed, the Proxy holders will vote the Proxies received by them for the nominees named below. If any nominee is unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the then current Board of Directors to fill any vacancy. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

The Board of Directors proposes the election of the following nominees as Class I directors:

Barry Aved
Stephane Farouze
Milton Koffman
Mitchell Simbal

If elected, the foregoing four nominees are expected to serve until the 2007 Annual Meeting of Shareholders. The four nominees for election as Class I directors at the Annual Meeting who receive the highest number of affirmative votes will be elected.

FURTHER INFORMATION CONCERNING THE BOARD OF DIRECTORS

MEETINGS AND COMMITTEES. The Board of Directors held 13 meetings during fiscal 2004. The Board of Directors has the following standing committees: Audit Committee and Compensation Committee. While directors generally attend annual shareholder meetings, the Company has not established a specific policy with respect to members of the Board of Directors attending annual meetings.

The Audit Committee currently consists of Messrs. Farouze, Koffman, Mizrachi, Mani and Simbal, all of whom are considered "independent" under Rule 4200(a)(15) of the National Association of Securities Dealers listing standards. The Board of Directors has determined that Mitchell Simbal is an audit committee financial expert, as defined in Item 401(h)(2) of Regulation S-K. The primary purposes of the Audit Committee are (i) to review the scope of the audit and all non-audit services to be performed by our independent auditors and the fees incurred by us in connection therewith, (ii) to review the results of such audit, including the independent accountants' opinion and

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

letter of comment to management and management's response thereto, (iii) to review with our independent accountants our internal accounting principles, policies and practices and financial reporting, (iv) to engage our independent auditors and (v) to review our quarterly and annual financial statements prior to public issuance. The role and responsibilities of the Audit Committee are more fully set forth in a written Charter adopted by the Board of Directors. The Audit Committee held 14 meetings during fiscal 2004.

The Compensation Committee currently consists of Messrs. Farouze, Koffman, Mizrahi, Mani and Simbal. The Compensation Committee is responsible for considering and making recommendations to the Board of Directors regarding executive compensation and is responsible for administering the Company's stock option and executive incentive compensation plans. The Compensation Committee held 4 meetings during fiscal 2004.

DIRECTOR NOMINATIONS. We do not currently have a standing nominating committee. The Board of Directors has adopted resolutions requiring that all director nominations be approved or recommended for approval by a majority of the independent directors (as defined by Nasdaq), voting in executive session (the "Independent Board Members").

The Independent Board Members review those Board members who are candidates for re-election to our Board of Directors, and make the determination to nominate a candidate who is a current member of the Board of Directors for re-election for the next two-year term. The nominating committee's methods for identifying candidates for election to the Board of Directors (other than those proposed by our shareholders, as discussed below) include the solicitation of ideas for possible candidates from a number of sources--members of the Board of Directors; our executives; individuals personally known to the members of the Board of Directors; and other research. We may also from time to time retain one or more third-party search firms to identify suitable candidates. The Independent Board Members also nominate outside candidates for inclusion on the Board of Directors.

A Tarrant shareholder may nominate one or more persons for election as a director at an annual meeting of shareholders if the shareholder complies with the notice, information and consent provisions contained in our Bylaws. In addition, the notice must be made in writing and include (i) the qualifications of the proposed nominee to serve on the Board of Directors, (ii) the principal occupations and employment of the proposed nominee during the past five years, (iii) directorships currently held by the proposed nominee and (iv) a statement that the proposed nominee has consented to the nomination. The recommendation should be addressed to our Secretary.

Among other matters, the Independent Board Members:

- o Review the desired experience, mix of skills and other qualities to assure appropriate Board composition, taking into account the current Board members and the specific needs of Tarrant and the Board;
- o Conduct candidate searches, interview prospective candidates and conduct programs to introduce candidates to Tarrant, its management and operations, and confirm the appropriate level of interest of such candidates;
- o Recommend to the Board qualified candidates who bring the background, knowledge, experience, independence, skill sets and expertise that would strengthen and increase the diversity of the Board;

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

- o Conduct appropriate inquiries into the background and qualifications of potential nominees; and
- o Review the suitability for continued service as a director of each Board member when he or she has a significant change in status, such as an employment change, and recommend whether or not such director should be re-nominated.

Based on the foregoing, the Independent Board Members recommended the nomination of Barry Aved, Stephane Farouze, Milton Koffman and Mitchell Simbal for re-election as Class I directors to the Board of Directors, subject to shareholder approval, for a two-year term ending on the date of the 2007 Annual Meeting.

All directors attended 75% or more of all the meetings of the Board of Directors and those committees on which he or she served in fiscal 2004.

7

DIRECTORS' COMPENSATION. The Company pays to each director who is not employed by the Company \$4,000 per month for attending meetings of the Board of Directors and committees of the Board of Directors, and reimburses such person for all expenses incurred by him in his capacity as a director of the Company. In addition, the Chairman of each committee receives \$2,000 per year for such service. The Board of Directors may modify such compensation in the future. In addition, each director not employed by the Company, upon joining the Board of Directors, will receive an option to purchase 20,000 shares of our common stock and, thereafter, an option to purchase 4,000 shares of common stock on the date of each annual meeting at which such person is reelected to serve as a director. Such options will have an exercise price equal to the fair market value of such shares on the date of grant, become exercisable so long as the recipient continues to serve as a director in four equal annual installments commencing on the first anniversary of the grant thereof, and expire on the tenth anniversary of the date of grant.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION. The Compensation Committee of our Board of Directors currently consists of Messrs. Farouze, Koffman, Mizrachi, Mani and Simbal. None of these individuals was an officer or employee of the Company at any time during fiscal 2004. No current executive officer of the Company has served as a member of the board of directors or compensation committee of any entity for which a member of our Board of Directors or Compensation Committee has served as an executive officer.

SHAREHOLDER COMMUNICATIONS. Holders of the Company's securities can send communications to the Board of Directors via mail or telephone to the Secretary at the Company's principal executive offices.

CODE OF ETHICS. We have adopted a Code of Ethical Conduct that is applicable to all of our officers, directors and employees, including our principal executive officer, principal financial officer, principal accounting officer and persons performing similar functions. A copy of our Code of Ethical Conduct is filed as an exhibit to our Annual Report on Form 10-K.

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

ITEM 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT PUBLIC ACCOUNTANTS

Item 2 is the ratification of Grant Thornton LLP as our independent public accountant for the year ending December 31, 2005. The Audit Committee of the Board of Directors recommended and the Board of Directors has selected, subject to ratification by a majority vote of the shares of common stock present or represented and entitled to vote at the Annual Meeting, the firm of Grant Thornton LLP to continue as our independent public accountant for the current fiscal year ending December 31, 2005. Grant Thornton LLP has served as the principal independent public accounting firm utilized by us during the years ended December 31, 2004 and 2003. We anticipate that a representative of Grant Thornton LLP will attend the Annual Meeting for the purpose of responding to appropriate questions. At the Annual Meeting, a representative of Grant Thornton LLP will be afforded an opportunity to make a statement if he or she so desires.

While there is no legal requirement that this proposal be submitted to shareholders, it will be submitted at the Annual Meeting nonetheless, as the Board of Directors believes that the selection of auditors to audit our consolidated financial statements is of sufficient importance to seek shareholder approval. If the shareholders do not ratify this appointment, other firms of certified public accountants will be considered by the Board of Directors upon recommendation of the Audit Committee.

Ernst & Young LLP, the Company's former independent public accounts for the fiscal years ended December 31, 1995 through 2002, was dismissed on July 2, 2003. The principal accountant's report on the financial statements for the fiscal years ended December 31, 2001 and 2002 did not contain an adverse opinion or a disclaimer of opinion, nor was the report qualified or modified as to uncertainty, audit scope, or accounting principles. The decision to change accountants was recommended and approved by the Audit Committee. During the fiscal years ended December 31, 2001 and 2002, there were no disagreements with the former accountant on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreement, if not resolved to the satisfaction of Ernst & Young, LLP would have caused it to make reference to the subject matter of the disagreement in connection with its report.

During 2003, Ernst & Young advised us and discussed with the Audit Committee that, due in part to certain acquisitions by our subsidiaries in Mexico and modifications to our inventory costing methodology, certain improvements in the internal controls of those subsidiaries were necessary to ensure reporting from the subsidiaries would be sufficient for us to develop reliable financial statements. We have authorized Ernst & Young to respond to the inquiries of the successor accountant concerning this matter. We determined to address the deficiencies identified by Ernst & Young in consultation with our new independent public accountants.

AUDIT FEES

Fees paid to Grant Thornton for audit services, as approved by the Audit Committee, totaled approximately \$492,000 in 2003 and approximately \$483,000 in 2004, including fees associated with the annual audit, the reviews of the Company's quarterly reports on Form 10-Q, and statutory audits required internationally.

AUDIT-RELATED FEES

Fees paid to Grant Thornton for audit-related services, as approved by the Audit Committee, totaled approximately \$71,000 in 2003 and approximately \$0 in 2004. Audit-related services principally include due diligence in connection with acquisitions, accounting consultations and benefit plan audits.

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

TAX FEES

Fees paid to Grant Thornton for tax services, including tax compliance, tax advice and tax planning, as approved by the Audit Committee, totaled approximately \$0 in 2003 and \$0 in 2004.

ALL OTHER FEES

There were no fees for any other services provided by Grant Thornton not included above in either 2003 or 2004.

9

APPROVAL OF NON-AUDIT SERVICES

All non-audit services to be presented to the Audit Committee for pre-approval. The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence.

The ratification of Grant Thornton LLP as the Company's independent public accountants for the fiscal year ended December 31, 2005 will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting. All Proxies will be voted to approve the ratification of the appointment of the independent public accountants unless a contrary vote is indicated on the enclosed Proxy card.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF GRANT THORNTON LLP AS THE COMPANY'S INDEPENDENT PUBLIC ACCOUNTANTS.

The Profit Sharing Plan permits employees who have completed one year of service to defer from 1% to 15% of their annual compensation into the Profit Sharing Plan. Additional annual contributions may be made at the discretion of the Company, and a 50% (100% effective July 1, 1995) matching contribution may be made by the Company up to a maximum of 6% (5% effective July 1, 1995) of a participating employee's annual compensation. REPORT OF COMPENSATION COMMITTEE

The Compensation Committee is charged with the responsibility of administering all aspects of our executive compensation programs. The Compensation Committee, which currently is comprised of five independent, non-employee directors also grants all stock options and otherwise generally administers our stock option plans. Following review and approval by the Compensation Committee, determinations pertaining to executive compensation are generally submitted to the full Board of Directors for approval. In connection with its deliberations, the Compensation Committee seeks, and is significantly influenced by, the views of the Chief Executive Officer with respect to appropriate compensation levels of the other officers.

TOTAL COMPENSATION. It is the philosophy of the Compensation Committee that executive compensation should be structured to provide an appropriate relationship between executive compensation and performance of our company and the share price of our common stock, as well as to attract, motivate and retain executives of outstanding abilities and experience. Since its inception, we have maintained the philosophy that executive compensation should be competitive with that provided by other companies in the apparel industry to assist us in attracting and retaining qualified executives critical to our long-term success.

14

BASE SALARY. Base salaries are negotiated at the commencement of an executive's employment or upon renewal of his or her employment agreement, and are designed to reflect the position, duties and responsibilities of each executive officer, the cost of living in the area in which the officer is located, and the market for base salaries of similarly situated executives at other companies engaged in businesses similar to that of our company. Base salaries may be annually adjusted in the sole discretion of the Compensation Committee to reflect changes in any of the foregoing factors.

STOCK INCENTIVE PLAN OPTIONS AND AWARDS. Under the Employee Incentive Plan, the Compensation Committee is authorized to grant any type of award which might involve the issuance of shares of common stock, options, warrants, convertible securities, stock appreciation rights or similar rights or any other securities or benefits with a value derived from the value of the common stock. The number of options granted to an individual is based upon a number of factors, including his or her position, salary and performance, and the overall performance and our stock price.

ANNUAL INCENTIVES. The Compensation Committee believes that executive compensation should be determined with specific reference to our overall performance and goals, as well as the performance and goals of the division or function over which each individual executive has primary responsibility. In this regard, the Compensation Committee considers both quantitative and qualitative factors. Quantitative items used by the Compensation Committee in analyzing our performance include sales and sales growth, results of operations and an analysis of actual levels of operating results and sales to budgeted amounts. Qualitative factors include the Compensation Committee's assessment of such matters as the enhancement of our image and reputation, expansion into new markets, and the development and success of new products and new marketing programs.

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

We developed, and the Compensation Committee approved a performance incentive plan for executives and employees for the year 2004 based on specific goals and criteria. For management, there was a provision for a bonus to be paid for sales that exceeded the budget by a fixed amount.

The Compensation Committee attributes various weights to the qualitative factors discussed above based upon their perceived relative importance to us at the time compensation determinations are made. Each executive's performance is evaluated with respect to each of these factors, and compensation levels are determined based on each executive's overall performance.

DETERMINATION OF CHIEF EXECUTIVE OFFICER'S COMPENSATION. In fiscal year 2004, Gerard Guez served as our Chief Executive Officer from January 1, 2004 to August 2, 2004, after which time Mr. Guez continued to serve as Chairman. As compensation, Mr. Guez received total base salary of \$50,000 and no cash bonus during fiscal 2004. Barry Aved served as our Chief Executive Officer from August 2, 2004 to the present and also served as President for the full fiscal year. As compensation, Mr. Aved received an annual base salary of \$400,000 and no cash bonus during fiscal 2004 and was granted options to purchase 30,000 shares of our common stock. These compensation packages were established based upon a comparative analysis of other similarly situated chief executive officers conducted by the Compensation Committee. Our Chief Executive Officer also participates in the management incentive plan approved by the Compensation Committee.

The Compensation Committee intends to continue its policy of linking executive compensation with maximizing shareholder returns and corporate performance to the extent possible through the programs described above.

OMNIBUS BUDGET RECONCILIATION ACT IMPLICATIONS FOR EXECUTIVE COMPENSATION. Effective January 1, 1994, under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"), a public company generally will not be entitled to a deduction for non-performance-based compensation paid to certain executive officers to the extent such compensation exceeds \$1.0 million. Special rules apply for "performance-based" compensation, including the approval of the performance goals by the shareholders of the Company.

All compensation paid to our employees in fiscal 2004 will be fully deductible. With respect to compensation to be paid to executives in 2005 and future years, in certain instances such compensation may exceed \$1.0 million. However, in order to maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Compensation Committee has not adopted a policy that all compensation must be deductible.

REPORT OF AUDIT COMMITTEE

The Audit Committee of the Board of Directors, which consists of independent directors (as that term is defined in Rule 4200(a)(15) of the National

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

Association of Securities Dealers' Marketplace Rules), has furnished the following report:

The Audit Committee assists the Board of Directors in overseeing and monitoring the integrity of the Company's financial reporting process, its compliance with legal and regulatory requirements and the quality of its internal and external audit processes. The role and responsibilities of the Audit Committee are set forth in a written Charter adopted by the Board of Directors. The written Charter of the Audit Committee was amended by the Board of Directors in 2004 in light of enhanced audit committee responsibilities resulting from new legislation and regulatory requirements. The Audit Committee reviews and reassesses the Charter annually and recommends any changes to the Board of Directors for approval.

The Audit Committee is responsible for overseeing the Company's overall financial reporting process. In fulfilling its responsibilities for the financial statements for fiscal year 2004, the Audit Committee:

- Reviewed and discussed the audited financial statements for the year ended December 31, 2004 with management and Grant Thornton LLP (the "Auditors"), the Company's independent auditors;
- Discussed with the Auditors the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit; and
- Received written disclosures and the letter from the Auditors regarding its independence as required by Independence Standards Board Standard No. 1. The Audit Committee discussed with the Auditors their independence.

Based on the Audit Committee's review of the audited financial statements and discussions with management and the Auditors, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Corporation's Annual Report on Form 10-K for the year ended December 31, 2004 for filing with the SEC.

The Audit Committee also considered the status of pending litigation and other areas of oversight relating to the financial reporting and audit process that the committee determined appropriate.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence.

CERTAIN TRANSACTIONS WITH DIRECTORS AND EXECUTIVE OFFICERS

Except as disclosed in this Proxy Statement, neither the nominees for election as directors of the Company, the directors or senior officers of the Company, nor any shareholder owning more than five percent of the issued shares of the Company, nor any of their respective associates or affiliates, had any material interest, direct or indirect, in any material transaction to which the Company was a party during fiscal 2004, or which is presently proposed.

See "Employment Contracts" for a summary of employment agreements with certain of our executive officers.

We lease our principal offices and warehouse located in Los Angeles, California from GET and office space in Hong Kong from Lynx International Limited. GET and Lynx International Limited are each owned by Gerard Guez, our Chairman of the Board of Directors, and Todd Kay, our Vice Chairman of the Board of Directors. We believe, at the time the leases were entered into, the rents on these properties were comparable to then prevailing market rents. We are currently leasing both of these facilities on a month-to-month basis. We paid \$1,330,000 in 2004 for rent for office and warehouse facilities at these locations.

In February 2004, our Hong Kong subsidiary entered into a 50/50 joint venture with Auto Enterprises Limited, an unrelated third party, to source products for Seven Licensing Company, LLC and our Private Brands subsidiary in mainland China. On May 31, 2004, after realizing an accumulated loss from the venture of approximately \$200,000 (our share being half), we sold our interest for \$1 to Asia Trading Limited, a company owned by Jacqueline Rose, wife of Gerard Guez. The venture owed us \$221,000 as of December 31, 2004.

On October 16, 2003, we leased to affiliates of Mr. Kamel Nacif, a shareholder at the time of the transaction, for a substantial portion of our manufacturing facilities and operations in Mexico including real estate and equipment. We leased our twill mill in Tlaxcala, Mexico, and our sewing plant in Ajalpan, Mexico, for a period of 6 years and for an annual rental fee of \$11 million. In connection with this lease transaction, we also entered into a management services agreement pursuant to which Mr. Nacif's affiliates agreed to manage the

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

operation of our remaining facilities in Mexico in exchange for the use of such facilities. The term of the management services agreement was also for a period of 6 years. In 2004, \$5.5 million of lease income was recorded in other income. We agreed to purchase annually, six million yards of fabric manufactured at the facilities leased and/or operated by Mr. Nacif's affiliates at market prices to be negotiated. We purchased \$5.3 million of fabric under this agreement in 2004. Net amount due from Mr. Kamel Nacif and his affiliates was \$183,000 as of December 31, 2004.

In August 2004, we entered into a purchase and sale agreement to sell to Mr. Nacif's affiliates, substantially all of our assets and real property in Mexico, including the equipment and facilities we previously leased to Mr. Nacif's affiliates. Upon completion of this transaction in the fourth quarter of 2004, we entered into a new purchase commitment agreement with Mr. Nacif's affiliates to replace our previously purchase commitment agreement. Pursuant the new purchase commitment agreement we agreed to purchase \$5 million of fabric manufactured at the facilities we sold to Mr. Nacif's affiliates annually over the ten-year term of the agreement, at negotiated market prices.

From time to time in the past, we borrowed funds from, and advanced funds to, certain officers and principal shareholders, including Gerard Guez and Todd Kay. The greatest outstanding balance of such advances to Mr. Guez during 2004 was approximately \$4,796,000. Mr. Guez paid expenses on our behalf of approximately \$456,000 and \$400,000 for the years ended December 31, 2003 and 2004, respectively, which amounts were applied to reduce accrued interest and principal on Mr. Geuz's loan. Subsequently, Mr. Guez repaid \$2.3 million of this indebtedness during January and February of 2005. This \$2.3 million was included in due from related parties in the accompanying consolidated balance sheet as of December 31, 2004. The remaining balance of \$2,466,000 is payable on demand and had been shown as reductions to shareholders' equity as of December 31, 2004. There were no outstanding advances from or borrowing to Mr. Kay during 2004. All advances to, and borrowings from, Mr. Guez bore interest at the rate of 7.75% during the period. Total interest paid by Mr. Guez was \$374,000 and \$370,000 for the years ended December 31, 2003 and 2004, respectively. Since the enactment of the Sarbanes-Oxley Act in 2002, no further personal loans (or amendments to existing loans) have been or will be made to officers or directors of Tarrant.

Since June 2003, United Apparel Venture LLC, a majority owned, controlled and consolidated subsidiary of Tarrant, has been selling to Seven Licensing Company, LLC ("Seven Licensing"), jeans wear bearing the brand "Seven7",

18

which is ultimately purchased by Express. Seven Licensing is beneficially owned by Gerard Guez. In the third quarter of 2004, in order to strengthen our own private brand business, we decided to discontinue sourcing for Seven7. Total sales to Seven Licensing during the year ended December 31, 2004 were \$2.6 million.

On July 1, 2001, we formed an entity to jointly market, share certain risks and achieve economies of scale with Azteca Production International, Inc. ("Azteca"), called United Apparel Ventures, LLC ("UAV"). Azteca is owned by Hubert Guez, the brother of Gerard Guez, our Chairman. This entity was created to coordinate the production of apparel for a single customer of our branded business. UAV is owned 50.1% by Tag Mex, Inc., our wholly owned subsidiary, and 49.9% by Azteca. Results of the operation of UAV have been consolidated into our results since July 2001 with the minority partner's share of all gains and losses eliminated through the minority interest line in our financial statements. Due to the restructuring of our Mexico operations, we discontinued manufacturing for

Edgar Filing: TARRANT APPAREL GROUP - Form DEF 14A

UAV customers in the second quarter of 2004. Two and one half percent of gross sales as management fees were paid in 2003 and 2004 to each of the members of UAV, per the operating agreement. We purchased \$37.0 million, \$37.1 million and \$11.5 million of finished goods and service from Azteca and its affiliates for the years ended December 31, 2002, 2003 and 2004, respectively. Our total sales of fabric and service to Azteca in 2002, 2003 and 2004 were \$2.9 million, \$9.9 million and \$1.0 million, respectively.

At December 31, 2004, Messrs. Guez and Kay beneficially owned 961,000 and 1,003,500 shares, respectively, of common stock of Tag-It Pacific, Inc. ("Tag-It"), collectively representing 10.8% of Tag-It Pacific's common stock at December 31, 2004. Tag-It is a provider of brand identity programs to manufacturers and retailers of apparel and accessories. Tag-It assumed the responsibility for managing and sourcing all trim and packaging used in connection with products manufactured by or on our behalf in Mexico. We believe that the terms of this arrangement, which is subject to the acceptance of our customers, are no less favorable to us than could be obtained from unaffiliated third parties. Due to the restructuring of our Mexico operations, Tag-it no longer manages our trim and packaging requirements. We purchased \$1.0 million of trim from Tag-It during the year ended December 31, 2004. From time to time we have guaranteed the indebtedness of Tag-It for the purchase of trim on our behalf.

We believe the each of the transactions described above has been entered into on terms no less favorable to us than could have been obtained from unaffiliated third parties. We have adopted a policy that any transactions between us and any of our affiliates or related parties, including our executive officers, directors, the family members of those individuals and any of their affiliates, must (i) be approved by a majority of the members of the Board of Directors and by a majority of the disinterested members of the Board of Directors and (ii) be on terms no less favorable to us than could be obtained from unaffiliated third parties.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires the Company's executive officers, directors, and persons who own more than ten percent of a registered class of the Company's equity securities to file reports of ownership and changes in ownership with the SEC. Executive officers, directors and greater-than-ten percent shareholders are required by SEC regulations to furnish the Company with all Section 16(a) forms they file. Based solely on its review of the copies of the forms received by it and written representations from certain reporting persons that they have complied with the relevant filing requirements, the Company believes that, during the year ended December 31, 2003, all of the Company's executive officers, directors and greater-than-ten percent shareholders complied with all Section 16(a) filing requirements except the following: Simon Mani filed one late Form 3 on January 10, 2005 reporting his appointment as a director of the Company and initial grant of options to purchase 20,000 shares of common stock, which Form 3 should have been filed on or before December 16, 2004; and Rosa Lisette Nacif Benavides filed one late Form 4 on December 14, 2004 reporting the sale of 3,000,000 shares of common stock, which Form 4 should have been filed on or before December 6, 2004.
