Sevcon Announces ISS Recommendation to Vote FOR All Incumbent Directors and FOR Charter Amendment at Annual Meeting

SOUTHBOROUGH, Mass., Jan. 30, 2017 (GLOBE NEWSWIRE) -- Sevcon, Inc. (Nasdaq:SEV) today announced that Institutional Shareholder Services Inc. (ISS), an influential advisor on proxy voting matters, has recommended that Sevcon stockholders vote FOR all the incumbent directors who are nominated for re-election by the Sevcon Board of Directors. ISS also recommended that the stockholders vote FOR the proposed amendment to the charter to declassify the Board. In particular, ISS recommended that stockholders NOT vote for dissident director, Ryan Morris, who has waged a disruptive proxy campaign against the Company.

In making its recommendations to support the incumbent directors and the charter amendment, ISS agreed with the Company that Ryan “has failed to make a compelling case that change at the board level is necessary” and said that “support for the dissident slate is not warranted.”

Matt Boyle, Sevcon’s CEO, said, “now that both leading independent proxy advisory firms have come out firmly in support of our dedicated directors and rejected the basis for the dissident’s attack, we hope to move past this extremely wasteful distraction. We call on Ryan to drop his campaign and to retract his blatant and, we believe, intentional mischaracterizations of certain of our directors so we can focus all our efforts on running our business for the benefit of all stakeholders. In the meantime, we urge our stockholders to vote their proxies in support of the Board’s proposals.”

Stockholders should vote via the internet or telephone by following the instructions on the **WHITE** proxy card they have received, or by returning the **WHITE** proxy card, signed and dated, as soon as possible.

If you have any questions about voting your shares, please call The Proxy Advisory Group, which is assisting Sevcon, at (888) 616-2620.
