Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On January 22, 2015, the Compensation Committee of the Board of Directors of SYNEX Corporation (“SYNEX”) granted the following performance-based restricted stock units (“RSUs”) to the following named executive officers (each, an “Officer”) under SYNEX’ long-term incentive program.

| Officer | Number of Shares Underlying RSU |
|----------------|------------------------------------|
| Kevin Murai | 14,750 |
| Peter Larocque | 8,555 |
| Dennis Polk | 8,555 |
| Marshall Witt | 4,077 |
| Simon Leung | 2,409 |

The RSUs will vest based upon (1) the achievement, on a cumulative basis, of the minimum threshold financial performance measure based on a formula derived from earnings per share (“EPS Formula”) target performance and (2) the achievement of an average return on invested capital (“ROIC”) target performance, with both performance metrics measured over a 3-year period ending November 30, 2017. The minimum threshold EPS Formula target performance percentage is 75% and the maximum target performance percentage is 166.7% for each Officer. The actual number of RSUs, if the applicable minimum threshold EPS Formula percentage is met, will vest on a sliding scale of the target EPS Formula performance percentage actually achieved. The resulting number of shares that will vest based on the EPS Formula metric will then be adjusted by a percentage increase or decrease corresponding with SYNEX’ performance as measured by the ROIC performance percentages, but in no event will an Officer be entitled to receive more than the number of shares set forth in the table above (the “Maximum Amount”). If the minimum threshold EPS Formula target performance is not achieved, no RSUs will vest, regardless of the achievement of the ROIC performance.

At 100% target EPS Formula and ROIC performance, the Officers’ RSUs will vest as to 50% of the Maximum Amount. Any unvested shares underlying the RSUs will not vest and will be canceled. In addition, the vesting of the RSUs is contingent upon the Officer still being employed by SYNEX on the date of vesting. In the event of an Officer’s death prior to the vesting date, SYNEX will transfer to such Officer’s estate the number of shares that would have vested on or prior to such Officer’s death.
