Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Company is an Israeli company. Israeli law permits a company to insure an officer or director in respect of liabilities incurred by such officer or director as a result of the breach of such person's duty of care to the company or to another person, or as a result of the breach of such person's fiduciary duty to the company, to the extent that such person acted in good faith and had reasonable cause to believe that the act would not prejudice the company. A company can also insure an officer or director for monetary liabilities as a result of an act or omission that such person committed in connection with their service as an officer or director.

Furthermore, a company can indemnify an officer or director for any of the following in connection with such person's activities as an officer or director:

(a) monetary liability imposed upon such person in favor of other persons pursuant to a court judgment, including a settlement or an arbitrator's decision approved by a court;

(b) reasonable legal costs, including attorneys' fees, actually incurred by such person as a result of an investigation or proceeding instituted against such person by a competent authority, provided that such investigation or proceeding concludes without the filing of an indictment against such person and either (i) no financial liability was imposed on such person in lieu of criminal proceedings, or (ii) financial liability was imposed on such person in lieu of criminal proceedings but the alleged criminal offense does not require proof of criminal intent; and

(c) reasonable legal costs, including attorneys' fees, actually incurred by such person or imposed upon such person by a court, (i) in an action, suit or proceeding brought against such person by or on behalf of the company or other persons, or (ii) in a criminal action in which such person was acquitted, or (iii) in a criminal action in which such person was convicted and in which proof of criminal intent is not required.

Moreover, a company may exculpate a director or officer in advance from liability, in whole or in part, for damages sustained by virtue of a breach of duty of care to the company.

The Company's Articles of Association allow for insurance, indemnification and exculpation of officers or directors to the fullest extent permitted by law. The Company has entered into indemnification, insurance and exculpation agreements with its directors and senior officers, and the entry into such agreements received the prior approval of the Company's shareholders. The Company has directors' and officers' liability insurance covering the directors and officers of the Company and its subsidiaries for certain claims.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement;

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities:

Edgar Filing: CHECK POINT SOFTWARE TECHNOLOGIES LTD - Form S-8

The undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this Registration Statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned Registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
