**CAMTEK LTD. ANNOUNCES RECORD RESULTS FOR Q2 2006**

Camtek Achieved Record Revenues of \$27.9 Million  
Record Gross Profit of \$15.2 million and Record Net Income of \$5.2 million, with  
\$0.17 EPS

MIGDAL HAEMEK, Israel August 7, 2006 Camtek Ltd. (NASDAQ: CAMT), today announced record results for the second quarter ended June 30, 2006.

Revenues for the second quarter of 2006 were \$27.9 million, 67% above \$16.8 million in the second quarter of 2005, and up 12% sequentially from \$24.9 million reported in the first quarter of 2006.

Gross profit margin for the second quarter of 2006 was 54.6%, compared to 49.7% for the second quarter of 2005, and 52.5% for the first quarter of 2006.

The Company reported second quarter net income of \$5.2 million, or \$0.17 per diluted share, compared to a net income of \$1.5 million, or \$0.05 per diluted share, in the second quarter of last year, and \$4.4 million, or \$0.16 per diluted share, in the first quarter of 2006.

Rafi Amit, Camtek's CEO, commented: Camtek's operational and financial performance excelled this quarter. We continued building our strong position in the semiconductor manufacturing and packaging industry as our revenues from this industry reached \$13 million and contributed 47% of our total revenues. We continue to see the same level of activity as last quarter in the PCB and HDI-S markets, which contributed \$14.9 million to our revenues.

Mr. Amit continued, In parallel to our activities of supporting our growth, we have been developing new capabilities for all our served markets. We will announce a few of these capabilities in the near future.

Mrs. Ronit Dulberg, Camtek's CFO, added, We are very pleased to have achieved the targets we have set for ourselves in terms of revenues, margins and profitability, which are the highest quarterly results we have ever recorded. It is worth noting that while we have been investing significant resources in expanding the organization, we were still able to record a positive operating cash flow of \$3.4 million since the beginning of the year.

Mr. Amit concluded, Given our performance in the first half of the year, our current activity level and the signals we are receiving from our marketplaces, we feel comfortable with our previously updated guidance of \$100-110 million revenues for the year. At this point we can estimate our third quarter revenues at the range of \$26-30 million.

---

Camtek will hold a conference call today, Monday August 7, 2006 at 11:00 EDT (for other time zones see below). Rafi Amit, CEO, Ronit Dulberg, Chief Financial Officer, and Yuval Attias, Director of finance, will host the call and will be available to answer questions.

To participate, please call one of the following telephone numbers below.

**About Camtek Ltd.**

With headquarters in Migdal Ha Emek Israel, Camtek Ltd., designs, develops, manufactures, and markets automatic optical inspection systems and related products. Camtek's automatic inspection systems are used to enhance both production processes and yield for manufacturers in the printed circuit board industry, the high density interconnect substrate industry and the semiconductor manufacturing and packaging industry. This press release is available at [www.camtek.co.il](http://www.camtek.co.il).

This press release may contain projections or other forward-looking statements regarding future events or the future performance of the Company. These statements are only predictions and may change as time passes. We do not assume any obligation to update that information. Actual events or results may differ materially from those projected, including as a result of changing industry and market trends, reduced demand for our products, the timely development of our new products and their adoption by the market, increased competition in the industry, price reductions as well as due to risks identified in the documents filed by the Company with the SEC.
