2. The following is a summary description of the Registrant's Ordinary Shares under its Articles of Association, which is being filed to update information that is incorporated into the Registrant's existing and future registration statements filed under the Securities Act of 1933, as amended:

Dividend and Liquidation Rights. All holders of paid-up Ordinary Shares of the Registrant have an equal right to participate in a distribution of (i) dividends, whether by cash or by bonus shares; (ii) Registrant assets; and (iii) the Registrant's surplus assets upon winding up, all pro rata to the nominal value of the shares held by them.

The Board of Directors may issue shares and other securities, which are convertible or exercisable into shares, up to the limit of the Registrant's authorized share capital.

The Registrant's Board of Directors is the organ authorized to decide upon the distribution of dividends or bonus shares.

Voting, Shareholders' Meetings, Notices and Resolutions. Holders of paid-up Ordinary Shares have one vote for each share held on all matters submitted to a vote of shareholders. Such voting rights may be affected in the future by the grant of any special voting rights to the holders of a class of shares with preferential rights.

The quorum required for a general meeting of shareholders (whether annual or special) consists of at least two shareholders present in person or by proxy/voting instrument and holding, or representing, at least $33\frac{1}{3}\%$ of the voting rights of the issued share capital. A meeting adjourned for lack of quorum shall be postponed by one week, to the same day, time and place, or to a later time if stated in the invitation to the meeting or in the notice of the meeting. The quorum for the commencement of the adjourned meeting shall be any number of participants.

Unless otherwise determined by the Israeli Companies Law 1999 or the Registrant's Articles of Association, a resolution requires approval by the holders of a majority of the shares represented at the meeting, in person or by proxy, and voting thereon.

The Companies Law 1999 requires that certain transactions, actions and arrangements be approved by shareholders, including (i) arrangements with a director as to the terms of his office and compensation and arrangements for insurance, exemption and indemnity of directors; (ii) certain Extraordinary Transactions (as defined in the Companies Law) of the Registrant with its controlling shareholders or any Extraordinary Transaction in which a controlling shareholder has a personal interest; (iii) certain private placements; and (iv) any action or Extraordinary Transaction in which the majority of the members of the Board of Directors have a personal interest.

Each shareholder of record is entitled to receive at least a 21 day prior notice of shareholders' meetings. The accidental omission to give notice of a meeting to any member, or the non receipt of notice sent to such member, shall not invalidate the proceedings at such meeting. For purposes of determining the shareholders entitled to notice and to vote, the Board of Directors may fix a record date subject to the provisions of the law. Currently, Israeli law provides that the record date not be any earlier than 40 days prior to the meeting.

Transfer of Shares. Fully paid Ordinary Shares may be transferred freely. The transfer of Ordinary Shares not fully paid up requires the approval of the Board of Directors.

Modification of Class Rights. Subject to the provisions of any law, the rights attached to any class (unless otherwise provided by the terms of issue of such class), such as voting, rights to dividends and the like, may be altered after a resolution is passed by the Registrant, with the approval of a resolution passed by a majority of the voting power present by person or proxy and voting hereon at a general meeting of the holders of the shares of such class, or the written agreement of all the class holders. The rights vested in the holders of shares of a particular class that were issued with special rights shall not be deemed to have been altered by the creation or issue of further shares ranking equally with them, unless otherwise provided in such shares' issue terms.

Election of Directors. The Registrant's directors are elected by the shareholders at a shareholders' meeting. The Ordinary Shares do not have cumulative voting rights in the election of directors. The holders of Ordinary Shares conferring more than 50% of the voting power present by person or by proxy at the shareholders' meeting, have the power to elect the directors. The directors elected shall hold office until the next annual meeting, or sooner if they cease to hold office pursuant to the provisions of the Registrant's Articles. In addition, the Board of Directors may appoint a director (to fill a vacancy or otherwise) between shareholder meetings, and such appointment shall be valid until the next annual meeting or until such appointee ceases to hold office pursuant to the provisions of the Registrant's Articles. In compliance with the Companies Law, the Registrant has two external directors. The external directors are also appointed by the shareholders and their term of office is three years.

Edgar Filing: BOS BETTER ONLINE SOLUTIONS LTD - Form 6-K

TERADYON, Israel (BUSINESS WIRE) August 22, 2006 B.O.S. Better Online Solutions Ltd. (the Company or BOS) (NASDAQ: BOSC; TASE: BOSC) reported today its results for the second quarter of 2006.

Revenues for the second quarter of 2006 amounted to \$4.5 million compared to \$5.1 million in the first quarter of 2006 and \$7.3 million in the second quarter of 2005. The revenues of the second quarter of 2005 included \$1.1 million revenues of product lines (Thin Client and Software Utilities) and of the Communication segment, that were sold during year 2005, which generated most of the losses for that quarter.

Gross profit for the second quarter of 2006 was \$1.1 million (gross margin of 25%), compared to \$1.2 million in the first quarter of 2006 (gross margin of 23.6%) and \$2 million (gross margin of 27.8%) in the second quarter of the year 2005. The decrease in gross margin in comparison to 2005, is related mainly to the Communication segment (that was sold in late 2005) whose gross margin in the second quarter of 2005 was 30.6%.

Operating loss for the second quarter amounted to \$457 thousand, compared to \$43 thousand in the first quarter of 2006 and to \$431 thousand in the second quarter of 2005. Operating loss includes options and shares compensation cost in the amount of \$334 thousand in the second quarter of 2006, compared to \$61 thousand in the first quarter of 2006 and \$105 thousand in the second quarter of 2005. Exclusive of the options and shares compensation cost, the operating loss for the second quarter of 2006 was \$123 thousands, compared to an operating profit for the first quarter of 2006 of \$18 thousand and an operating loss in the second quarter of 2005 of \$326 thousand.

Other income net, for the second quarter of 2006, includes a gain of \$358 thousand composed of consideration paid in Qualmax Inc. (Pink Sheets: QMXI) shares on account of the earn out shares contemplated as part of the sale of the Communication segment to IP Gear Ltd., (a subsidiary of Qualmax Inc.), in December 2005, and an additional gain of \$250 thousand due to the conversion of debt owed to BOS by IP Gear Ltd., into Qualmax Inc. shares. Other income for the first quarter of 2006 includes a gain of \$350 thousand as a result of the conversion of debt owed to BOS by IP Gear Ltd., into Qualmax shares.

Net profit for the second quarter of 2006 amounted to \$37 thousand (or \$0.01 basic and diluted profit per share), compared to net income of \$137 thousand (or \$0.02 basic and diluted profit per share) in the first quarter of 2006 and to net loss of \$940 thousand (or -\$0.19 per share) in the second quarter of 2005.

The net profit for the six months period ending June 30 2006, amounted to \$174 thousand (or \$0.03 basic and diluted profit per share) compared to net loss of \$1.9 million (or -\$0.39 per share) in the six month period ending June 30 2005.

As of June 30, 2006, the Company's balance sheet shows financial resources (cash and cash equivalents) of \$2.5 million and loans (long and short term) of \$4.4 million.

In June 2006, the Company participated in a financing round in Surf Communication Solutions Ltd., and invested an amount of \$300,000. Following the investment, the Company's holds 7.8% of Surf's issued and outstanding share capital.

Adiv Baruch, BOS' President and CEO commented: The second quarter of the year reflects the operations that remain in B.O.S. after the reorganization and improvement processes performed during 2005, when we sold the Communication segment. Despite the fact that this decision led to a reduction in revenues, we succeeded in maintaining a substantial gross profit.

Edgar Filing: BOS BETTER ONLINE SOLUTIONS LTD - Form 6-K

Edouard Cukierman, Chairman of the Board of Directors, added: Recently, we began negotiations for raising capital that will allow B.O.S to identify opportunities in purchasing an essential operation. The company is making an intensive effort identifying and screening target companies for merger or acquisition to take place in the near future. Our guidance for the full year 2006, given in May 2006, according to which we expect revenues to exceed \$20 million and that the Company will generate a net profit in its audited financials (exclusive of M&A transactions that may transpire), remains unchanged.
