Information to be included in the report

Item 1.01. Entry into a Material Definitive Agreement

On September 25, 2007, SB Decking, Inc., an inactive subsidiary of Quaker Chemical Corporation (the "Company"), and Employers Insurance Company of Wausau ("Wausau") entered into a Claim Handling and Funding Agreement (the "Agreement"). The parties have a dispute regarding certain coverage issues on policies issued by Wausau as applied to numerous asbestos bodily injury claims brought against the Company's subsidiary. They have entered into an agreement in which, effective as of July 1, 2007, Wausau will pay twenty-seven percent (27%) of defense and indemnity costs incurred by or on behalf of the subsidiary in connection with asbestos bodily injury claims for a minimum of five (5) years. Either party can terminate the Agreement at any time after its third anniversary by giving at least two (2) years' written notice. The Agreement remains in effect unless and until such notice is given. The Agreement is without prejudice as to the subsidiary's ability to pursue, upon termination of the Agreement, a claim against Wausau for coverage for asbestos bodily injury claims brought after the termination of the Agreement.
