Date

## **Explanation of Responses:**

- \* If the form is filed by more than one reporting person, see Instruction 4(b)(v).
- \*\* Intentional misstatements or omissions of facts constitute Federal Criminal Violations. See 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).
- Of the 5,522 shares owned directly, 2,568 are restricted stock units. An upward adjustment of four shares was made to the total number of shares directly owned by the reporting person. The adjustment was made to reconcile a discrepancy between what was reported previously and the actual number of shares as determined by a recent review of the Company's records. It is believed that the discrepancy in the number reported is a result of rounding and discrepancies in calculations made of the total shares held.

Note: File three copies of this Form, one of which must be manually signed. If space provided is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
