Item 8.01 Other Events.

On August 28, 2007, India Globalization Capital, Inc. (“IGC”) entered into a non-binding letter of intent with SRICON Ltd, to purchase 63% of its outstanding common stock for a purchase price of approximately \$32 million (all the USD numbers herein are based on a conversion rate of Rs. 40 per USD) in cash. The letter of intent grants IGC exclusive negotiation rights with SRICON until June 1, 2008, unless the letter of intent is terminated earlier by IGC.

SRICON Ltd. engages in road-building and maintenance projects in India, as well as managing road-building projects on a contract basis for national, state and local agencies. SRICON also engages in the BOT segment of road-building in which the government of India awards contracts to companies that can *Build* out pieces of major highways, *Own* and operate them for periods between 20 and 30 years and then *Transfer* them back to the government. Revenues are generated throughout the term of these agreements through a regulated toll system that establishes a visible income stream and a return on investment based on a projected traffic volume for the various routes that are awarded.

On August 28, 2007 and September 6, 2007 respectively, IGC entered into non-binding letters of intent with Techni Bharathi (TBL) and with Odeon Limited, the holder of certain convertible debentures of TBL to purchase shares of common stock and convertible debentures directly from TBL and the TBL convertible debentures owned by Odeon from Odeon for an aggregate purchase price of approximately \$12.13 million in cash. Upon consummation of the

transaction and conversion of the debentures, IGC would own approximately 74% of the outstanding common stock of TBL. The letters of intent grant IGC exclusive negotiation rights with TBL until June 1, 2008 and with Odeon until January 31, 2008, in each case unless the respective letter of intent is terminated earlier by IGC.

TBL engages in road-building, with prior experience in the building of tunnels, canals, bridges, airport taxiways and dams as well as the civil works for mini hydro power generation.

A copy of the Press Release issued by the Company announcing the letters of intent is attached hereto as Exhibit 99.1.
