### **Long-Term Incentive Awards**

**Time-Based Restricted Stock Units (RSUs).** Each time-based RSU entitles the executive officer to receive one share of the Company's common stock if he or she remains continuously employed with the Company through the end of a three-year service period that ends April 15, 2022. At the discretion of the Committee, the RSUs may be paid in shares of the Company's common stock, cash (based on the fair market value of a share of the Company's common stock on the date payment is made), or both. In addition to the service-based vesting requirement, 100% of an executive officer's RSUs will vest upon a change of control of the Company and a prorated number of the RSUs will vest upon the death, disability or retirement of the executive officer. The RSUs do not convey any dividend or dividend equivalent rights to the executive officer.

The number of RSUs awarded to each executive officer is set forth in the table below.

**Performance-based Restricted Stock Units ("PSUs")** Each performance-based RSU entitles the executive officer to receive one share of the Company's common stock based on the achievement of two specified performance conditions (described below) if the executive officer remains continuously employed by the Company through the end of the

three-year performance period. The PSUs shall vest subject to the Company's attainment of pre-established financial goals related to the sum of two amounts, (1) the Company's absolute EPS Growth and (2) relative EPS growth, over a three-year performance period that began February 4, 2019 and ends January 30, 2022, as approved by the Committee. The payout or settlement of the PSUs shall be made in shares of the Company's common stock (based on the fair market value of the shares of the Company's common stock on the date of settlement or payment). The PSUs do not convey any dividend or dividend equivalent rights to the executive officer.

---

The settlement or payment for each executive officer under his PSU will be the sum of the following share amounts:

An amount set forth in the table below based on the growth of the Company's fully diluted earnings per share from a. continuing operations ("EPS") over the performance period. The Company's EPS growth must be at least 5% over the performance period for a payment to be made.

In addition, upon the executive officer's termination of employment due to death, disability or retirement (as defined in the Plan), PSUs will vest and be settled on a pro rata basis at the end of the performance period based on the Company's actual performance against the EPS goals as approved by the Committee. In the event of a change in control of the Company, the PSUs shall also vest and be settled in full immediately following the change in control assuming target performance levels achieved by the Company.

**Supplemental Retirement Income Plan**

The Committee also agreed to limit Mr. Toms' potential Supplemental Retirement Income Plan ("SRIP"). Upon his retirement, payments to Mr. Toms under the SRIP will be determined based on his final sixty months of compensation ("base annual earnings"), defined as monthly base pay plus annual cash incentive payments. Mr. Toms will receive 50% of this annual base earnings amount paid monthly for 15 years following his retirement; however, base earnings will be limited to the lower of a) actual annual base earnings or b) \$726,250. The maximum annual payment to Mr. Toms under the SRIP plan will be \$363,125 per year.
