The Bank, a wholly owned subsidiary of the Company, provides residential mortgage loans and other types of loans in the ordinary course of business. The Bank provides such residential mortgage loans and other types of loans to its directors, officers and employees in the ordinary course of business. The Bank has a policy that all loans to officers, principal stockholders, or directors of the Company must be on substantially the same terms as with any customer including terms of interest and collateral. The Bank has followed this policy in regard to these loans and it is the belief of the management of the Company that these loans neither involve more than the normal risk of collectability nor present other unfavorable features, and none of these loans is a nonaccrual, past due, restructured or potential problem loan. Neither the Company nor its subsidiaries have any loans to directors, officers, and employees other than in the ordinary course of its regularly conducted business activities as detailed above.

Section 16(a) Beneficial Ownership Reporting Compliance

Directors, and certain officers and security holders during 2003 were required to file timely reports of their security holdings and transactions with

Edgar Filing: STURGIS BANCORP INC - Form DEF 14A

Shareholders who own more than 10% of our common stock are required to furnish the Company copies of all reports they file under Section 16(a). The Company prepares and files 16(a) reports on behalf of its officers and directors. A registrant is required to identify any of these individuals failing to timely file these reports. Code of Ethics

The Company has adopted a Code of Ethics that applies to the Company's principal executive officer, principal financial officer, principal accounting officer, as well as all directors, officers and employees of the Company. The Secretary of the Company has been instructed to promptly forward all such communications to the specified addressees thereof.

The Board of Directors and Its Committees

The Board of Directors met 18 times (12 regular, one organizational, and five special) during the fiscal year ended December 31, 2003. No Director attended fewer than 75 percent of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings held by all committees of the Board on which he served. The Company strongly encourages attendance of the Board of Directors at the Annual Meeting of shareholders. For last year's annual meeting, all directors attended except Director Franks.

The Board of Directors has established various committees, including a standing Audit Committee, Executive Committee, Planning and Budget Committee and Nominating and Corporate Governance Committee. The Bank also has several committees, including and Audit Committee, Trust Audit Committee, Community Reinvestment Act Committee, Compensation Committee and Loan Committee.

The Compensation Committee recommends the compensation to be allowed to officers and managers selected by the Board. The Compensation Committee was comprised of Directors Frost, Goethals, and Ward during the year ended December 31, 2003 and met three times during 2003. The Compensation Committee Charter is

attached as Appendix A to this Proxy Statement.

Edgar Filing: STURGIS BANCORP INC - Form DEF 14A

The Loan Committee of the Bank meets to review all commercial loans in excess of loan officer limits, which is over \$500,000 up to \$1 million aggregate for any one borrower. Any aggregate loan request, for any one borrower, over \$1 million is presented to the full Board of the Bank. This Committee was comprised of Directors Dresser, Ward, L. Eishen and E. Eishen during the year ended December 31, 2003 and met four times during 2003.

The Nominating and Corporate Governance Committee recommends to the total Board of Directors individuals for election to the Board based upon the individual's experience and qualifications. At the time of the recommendation of the nominees for election at the Annual Meeting scheduled for April 27, 2004, the Nominating Committee had not yet approved of a charter. Since the nominations, the Nominating Committee has adopted the Nominating and Corporate Governance Committee Charter that is attached to this Proxy Statement as Appendix B.

Generally when nominating candidates for director, the Nominating and Corporate Governance Committee will not consider nominees recommended by Stockholders. Nominations for directors, however, may be made by Stockholders, but such nominations must be in writing and delivered to the Secretary of the Company at least sixty (60) days prior to the date of the Annual Meeting. Upon delivery, such nominations shall be posted in a conspicuous place in each office of the Company. Ballots bearing the names of all persons nominated by the Board of Directors and by Stockholders shall be provided for use at the Annual Meeting. If the Nominating Committee fails or refuses to name nominees at least seventy-five (75) days prior to the Annual Meeting, nominations for directors may be made at the Annual Meeting by any stockholders entitled to vote and shall be voted upon. Within the preceding year, neither the Board of Directors nor the Nominating Committee has rejected a board candidate recommended by a beneficial owner of more than 5% of the Company's Common Stock.

As set forth in Nominating and Corporate Governance Charter, in identifying individuals qualified for nomination as directors, the Nominating Committee selects individuals who satisfy applicable Company governing documents, who shall have the highest personal and professional integrity, who shall have demonstrated exceptional ability and judgment, and who shall be most effective, in conjunction with other nominees to the board, in collectively serving the long-term interests of the shareholders. The Nominating Committee does not currently pay any third party a fee to assist in identifying and evaluating nominees for director.

In addition to making recommendations to the full Board of Directors for nominees for directors, the Nominating and Corporate Governance Committee serves other functions. These functions include reviewing the Board of Directors' committee structure and making recommendations for committee members, to develop and recommend to the Board of Directors a set of corporate governance guidelines, to develop and recommend an annual self-evaluation process for the Board and its committees, and to review on an annual basis director compensation and benefits. For more detailed information, see the Nominating and Corporate Governance Committee Charter attached as Appendix B to this Proxy Statement.

The Audit Committee selects the Company's independent public accountants and reviews major financial, accounting and internal auditing policies and the audit scope. This committee meets with the independent public accountants in connection with their annual audit. This Committee met 10 times during the year ended December 31, 2003. The Audit Committee was comprised of Directors Frost, Goethals, and Ward during the year ended December 31, 2003. The Board of Directors has determined that all members of the committee are independent directors, and satisfy the NASDAQ standard for independence for members of the Audit Committee. The Board of Directors of the Company has adopted a written charter for the Audit Committee. The Audit Committee Charter was revised during the year ended December 31, 2003 and the revised charter is attached as Appendix

Edgar Filing: STURGIS BANCORP INC - Form DEF 14A

C to this Proxy Statement.

The Board of Directors of the Company has determined that the Audit Committee does not currently have an audit committee financial expert serving on its Audit Committee. The Audit Committee does not have an "audit committee financial expert" as that term is defined in the SEC regulations, because the Board of Directors did not believe that any of the members of the Audit Committee met the qualifications of an "audit committee financial expert." However, the Board of Directors has determined that all of the members of the Audit Committee are able to read and understand fundamental financial statements within the meaning of the NASDAQ audit committee requirements and that at least one of its members has the financial sophistication required by NASDAQ. Our Board of Directors has determined that by satisfying the requirements of the NASDAQ listing standards with a member of

8

the Audit Committee that has the requisite "financial sophistication" qualifications, the Audit Committee has the financial expertise necessary to fulfill the duties and the obligations of the Audit Committee. The Board of Directors has concluded that the appointment of an additional director to the Audit Committee is not necessary at this time.

Directors Compensation

As a result of the previously described reorganization, a portion of the historical discussion contained below relates the Company while it operated as Sturgis Bank & Trust Company and prior to the effective date of the reorganization (effective January 1, 2002). With respect to matters relating to January 1, 2002 and after, the discussion relates to the Company. As part of the reorganization, the stock options plans discussed below continue in full force

Edgar Filing: STURGIS BANCORP INC - Form DEF 14A

and effect for the option to purchase shares of the Company.

Except for Mr. E. Eishen, each Director of the Company currently receives \$6,300 per year, \$500 for each regular Board Meeting attended and \$350 for each special Board Meeting attended for the year ended 2003. The Chairman of the Audit Committee received \$375 for each Audit Committee meeting attended plus \$100 per hour. Other members of the Audit Committee received \$175 for each Audit Committee meeting attended plus \$100 per hour. Members of the Planning and Budget Committee each received \$300 for each meeting attended. Members of the various other committees who are not also Company employees received fees of \$175 for each meeting attended. The Chairmen of the Company, Bank and Audit Committee each received an additional \$3,300 per year.

In 1995, the Stockholders adopted a stock option plan that allows all Directors, both employee and non-employee Directors, to participate ("Director Plan"). Pursuant to the Director Plan, 7,000 shares of authorized but unissued Common Stock were reserved for issuance to Directors upon exercise of options granted under the Director Plan. Under the Director Plan each Director was granted an annual option to purchase 200 shares of Common Stock at an exercise price to be determined as the closing price of the Common Stock reported on the OTC Bulletin Board on the day before grant. Each option for 200 shares was granted immediately after each of the four annual meetings of Stockholders, beginning with the 1995 Annual Meeting, to those individuals who remain Directors after the respective annual meeting or who are elected at the respective annual meeting. Pursuant to the plan, after the 1999 Annual Meeting, all remaining options (375 shares per Director at \$10.50 per share) were allocated pro rata among the Directors.

In 1995, options for 1,400 shares were granted under the Director Plan. Each director received an option for 200 shares at an exercise price of \$14.50 per share. In 1996, options for 1,400 shares were granted under the Director Plan; each director received an option for 200 shares at an exercise price of \$17.25 per share. In 1997, options for 1,600 shares were granted under the Director Plan; each director received an option for 200 shares at an exercise price of \$27.25 per share. In 1998, options for 2400 shares were granted under the Director Plan; each director received an option for 300 shares at an exercise price of \$31.75 per share. As of June 15, 1998, options to purchase 1,400 shares at \$14.50 per share, 1,400 shares at \$17.25 per share, 1,600 shares at \$27.25 per share had been exercised under the Director Plan. The Director Plan provides that options granted to Directors vest on the date of grant. There remain 6,825 shares subject to purchase and issuance.

In 1999, the Stockholders of the Company approved an amendment to the Director Plan to adjust for the two-for-one stock split which occurred on June 15, 1998. The Director Plan amendment changed the exercise price per share for options granted on April 28, 1998 from \$31.75 to \$15.88. The number of shares to be issued upon the exercise of then currently outstanding options yet to be granted was changed from 300 to 600 shares.

The purpose of the Director Plan was to increase the incentives and attract and encourage the continued service of Directors of the Company by facilitating the purchase of the Company's shares. The Director Plan authorizes the grant of Non-Qualified Stock Options (options that subject the option holder to Federal Income Tax in the amount by which the market price of the stock at the time of exercise exceeds the exercise price and the Company will receive a deduction in the same amount at the time of exercise, pursuant to the Internal Revenue Code of 1986). The Board of Directors has limited discretion in the administration of the Director Plan so that they can remain "disinterested" persons as that term is used in Securities and Exchange Commission Rule 16b-3(c)(2) promulgated under the Securities Exchange Act of 1934, in relation to the plan.

Options under the Director Plan are only exercisable within 10 years and one day from the date of grant, unless the individual ceases being a Director prior to that time. In that event, if the individual ceases being a Director for reasons other than death or disability, the option is exercisable only within 30 days of cessation of Director status; if the individual's status as a Director terminates because of death or disability, the option will only be exercisable within 90 days from the date of such cessation of Director status.

The Board, without further action on the part of the Stockholders of the Company, may from time to time alter, amend, or suspend the Director Plan or any stock option granted thereunder or may at any time terminate the Director Plan, except that, unless approved by a majority of the Stockholders represented at an Annual Meeting or Special Meeting held in accordance with the Company's By-Laws, the Board of Directors may not, (i) change the total number of shares of Common Stock available for grant under the Director Plan; (ii) extend the duration of the Director Plan; (iii) increase the maximum term of stock options; or (iv) change the exercise option price of the stock options under the Director Plan. No action taken by the Board of Directors as outlined above may materially and adversely affect any outstanding stock option without the consent of the holder thereof. In any case, the Board of Directors may not amend the Director Plan more than once every six months, other than to comport with the Internal Revenue Code, the Employee Retirement Income Security Act, or the rules thereunder.

PROPOSAL II -- RATIFICATION OF PLANTE & MORAN, PLLC AS INDEPENDENT PUBLIC ACCOUNTANTS OF THE COMPANY FOR 2004

The Board of Directors recommends the engagement of Plante & Moran, PLLC, as independent public accountants, to be its independent public accountants for the 2004 fiscal year, subject to ratification by the Company's Stockholders. The Board of Director's selection of the Plante & Moran, PLLC accounting firm for the Company, occurred after solicitation and receipt of bids from qualified accounting firms in 2002 to provide services through 2005. The Board of Directors recommends that Stockholders vote "FOR" the approval of the appointment of Plante & Moran, PLLC, as the Company's independent public accountants. Where no instructions are indicated, proxies will be voted "FOR" the approval of the appointment of Plante & Moran, PLLC. Any abstentions on the vote for the approval of Plante & Moran, PLLC, as the Company's independent public accountants, will be treated as a no vote. Such abstentions, however, will be counted toward determining a quorum, as will any proxies not containing instructions.

APPENDIX C

STURGIS BANCORP, INC.
(THE "COMPANY")

CHARTER

AUDIT COMMITTEE

The Audit Committee is a committee of the Board of Directors.

PURPOSE & COMPOSITION

This charter details the composition, roles and responsibilities of the Audit Committee. The Board of Directors shall appoint at least three directors who are independent of the Company's Management and have no relationships that could interfere with their independence and execution of the Committee's responsibilities to the Board of Directors. At least one member must have expertise in accounting or other aspects of financial management and all members are expected to be financially literate or to gain such literacy after appointment. The Committee shall review this charter annually and receive approval for its continued use (and any recommended amendments) from the Board of Directors.

STATEMENT OF POLICY

The Audit Committee shall provide assistance to the Board of Directors in fulfilling their oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to the Company's financial statements and the financial reporting process, the systems of internal accounting and financial controls, the internal audit function, the annual independent audit of the Company's financial statements, and the legal compliance and ethics programs as established by Management and the Board. In so doing, it is the responsibility of the Committee to maintain free and open communication between the Committee, independent auditors, the internal auditors, and Management of the Company. In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the power to retain outside counsel, or other experts for this purpose.

RESPONSIBILITIES

The primary responsibility of the Audit Committee is to oversee the Company's financial reporting process on behalf of the Board and report the results of their activities to the Board. While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not

20

the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management is responsible for preparing the Company's financial statements, and the

Edgar Filing: STURGIS BANCORP INC - Form DEF 14A

independent auditors are responsible for auditing those financial statements. It is not the duty of the Audit Committee to conduct investigations, to resolve disagreements, if any, between Management and the independent auditor, or to assure compliance with laws and regulations and the Company's Code of Conduct.

The Committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The Committee should take appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and ethical behavior.

PROCESSES

The following shall be the principal recurring processes of the Audit Committee in carrying out its oversight responsibilities. The processes are set forth as a guide with the understanding that the Committee may supplement them as appropriate.

The Committee shall have a clear understanding with Management and the independent auditors that the independent auditors are ultimately accountable to the Board and the Audit Committee, as representatives of the Company's shareholders. The Committee shall be directly responsible for the appointment and termination (subject, if applicable, to shareholder ratification), compensation, and oversight of the work of the independent auditors. The Committee shall discuss with the auditors their independence from Management and the Company shall consider the compatibility of non-audit services with the auditors' independence. Annually, the Committee shall review and recommend to the Board the selection of the Company's independent auditors, subject to shareholders' approval.

The Committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits, including the adequacy of staffing and compensation. Also, the Committee shall discuss with Management, the internal auditors, and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's system to monitor and manage business risk, and legal and ethical compliance programs, including the Company's Code of Conduct. Further, the Committee shall meet separately with the internal auditors and the independent auditors, with and without Management present, to discuss the results of their examinations and will provide sufficient opportunity for the internal auditors and the independent auditors to meet privately with the members of the Committee.

The Committee shall review the interim financial statements with Management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also,

21

the Committee shall discuss the results of the quarterly review and any other matters required to be communicated to the Committee by the independent auditors under generally accepted auditing standards. The Chair of the Committee may represent the entire committee for the purposes of this review.
