If you requested your materials via email, the email contains voting instructions and links to the materials on the Internet.

You may vote your shares by Internet, by telephone, by regular mail or in person at the Annual Meeting. Instructions regarding the various methods of voting are contained on the notice card.

The Annual Meeting is being held so that shareholders will be given an opportunity to elect directors and ratify the selection of Clark, Schaefer, Hackett & Co. as our independent registered public accounting firm.

The Board of Directors has determined that the matters to be considered at the Annual Meeting are in the best interest of Cheviot Financial Corp. and its shareholders. For the reasons set forth in the proxy statement, the Board of Directors unanimously recommends a vote "FOR" the proposals presented at the Annual Meeting.

On behalf of the Board of Directors, we urge you to vote your shares as soon as possible even if you currently plan to attend the Annual Meeting. Your vote is important regardless of the number of shares that you own. Voting by proxy will not prevent you from voting in person but will assure that your vote is counted if you are unable to attend the meeting.

PROXY STATEMENT
of
CHEVIOT FINANCIAL CORP.
3723 Glenmore Avenue
Cheviot, Ohio 45211

ANNUAL MEETING OF SHAREHOLDERS
April 28, 2009

We are providing this Proxy Statement to the shareholders of Cheviot Financial Corp. in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Shareholders. The Annual Meeting will be held on Tuesday, April 28, 2009, at 3:00 p.m. Eastern Daylight Savings Time at Cheviot Savings Bank, 3723 Glenmore Avenue, Cheviot, Ohio 45211. The Notice of Annual Meeting of Shareholders, this Proxy Statement, the accompanying proxy card, and our Annual Report to Shareholders for the year ended December 31, 2008 are first being made available for shareholders on or about March 18, 2009 to our shareholders of record on March 9, 2009.

VOTING AND REVOCATION OF PROXIES

We are making our proxy materials available to our shareholders on the Internet. You may read, print and download our 2008 Annual Report to Shareholders and our Proxy Statement at www.cfpproxy.com/5556. On March 18, 2009, we mailed a notice to stockholders containing instructions on how to access our proxy materials and vote online. On an ongoing basis, shareholders may request to receive proxy materials in printed form by mail or electronically by email.

You may revoke your proxy at any time before it is exercised by (i) executing and delivering a later dated proxy to the President of Cheviot Financial Corp. prior to the Annual Meeting, (ii) delivering written notice of revocation of the proxy to the President of Cheviot Financial Corp. prior to the Annual Meeting, (iii) using the Internet or telephone voting options explained in the notice or (iv) attending and voting in person at the Annual Meeting. Attendance at the Annual Meeting, in and of itself, will not constitute a revocation of a proxy. Proxies will be voted as instructed by the shareholder or shareholders granting the proxy. Unless contrary instructions are specified, if the proxy is executed and returned (and not revoked) prior to the Annual Meeting, the shares of common stock, \$0.01 par value per share, represented thereby will be voted: (1) FOR the election of the directors nominated for election to the Board of Directors; (2) FOR the ratification of the selection of our independent registered public accounting firm for 2009; and (3) in accordance with the best judgment of the named proxies on any other matters properly brought before the Annual Meeting.

We are the parent company of Cheviot Savings Bank. We are the majority-owned subsidiary of Cheviot Mutual Holding Company. Since Cheviot Mutual Holding Company owns 61.5% of our outstanding shares of common stock, the votes cast by Cheviot Mutual Holding Company will be determinative in the voting on Proposal 1 (election of directors) and Proposal 2 (ratification of selection of our independent registered public accounting firm).

The presence, in person or by proxy, of holders of a majority of the outstanding shares of common stock is required to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and "broker non-votes" (shares held by a broker or nominee that does not have the authority, either express or discretionary, to vote on a particular matter) are counted for purposes of determining the presence or absence of a quorum for the transaction of business at the Annual Meeting. The two nominees for election to the Board of Directors who receive the greatest number of affirmative votes cast at the Annual Meeting will be elected as directors. Approval of the ratification of our registered public accounting firm requires that the affirmative vote of the majority of the shares represented at the meeting and

entitled to vote on the proposal. Abstentions and broker non-votes will not be counted as votes cast in the election of nominees for director or other proposals. Proxies and ballots will be received and tabulated by The Registrar and Transfer Company, our transfer agent for the Annual Meeting.

As of the record date, we had 8,872,504 shares of common stock issued and outstanding of which Cheviot Mutual Holding Company owns 5,455,313 shares. Each holder of shares of our common stock outstanding will be entitled to one vote for each share held of record.

We will bear the expense of preparing, printing and distributing this Proxy Statement and the proxies solicited hereby. Proxies will be solicited by Internet, by telephone or by mail and may also be solicited by our directors, officers and other employees, without additional remuneration, in person or by telephone or facsimile transmission. We will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of common stock as of the record date and will reimburse such persons for the cost of forwarding the proxy materials in accordance with customary practice. Your cooperation in promptly voting your shares and submitting your proxy will help to avoid additional expense.

PROPOSAL 1 – ELECTION OF DIRECTORS

Our Charter requires that the Board of Directors be divided into three classes, as nearly equal in number as possible, each class to serve for a three-year period, with approximately one-third of the directors elected each year. The Board of Directors currently consists of six members. Two directors will be elected at the Annual Meeting, each to serve for a three-year term expiring in 2012 and until their successors have been elected and qualified.

The Board has nominated Steven R. Hausfeld and Thomas J. Linneman, each of whom is a current director, each to serve until the 2012 Annual Meeting of Shareholders. Information regarding the business experience of each nominee as well as each of the other directors is provided below.

Unless otherwise directed, the persons named in the proxy intend to vote all proxies FOR the election of Messrs. Hausfeld and Linneman to the Board of Directors. The nominees have consented to serve as our directors if elected. If, at the time of the Annual Meeting, any of the nominees is unable or declines to serve as a director, the discretionary authority provided in the enclosed proxy will be exercised to vote for a substitute candidate designated by the Board of Directors. The Board of Directors has no reason to believe any of the nominees will be unable or will decline to serve as a director.

Each director, including the director nominees, who was a director of Cheviot Savings Bank on the date Cheviot Savings Bank reorganized into the mutual holding company structure continued to serve as a director of Cheviot Savings Bank and became a director of each of Cheviot Financial Corp. and Cheviot Mutual Holding Company as of January 5, 2004, the date of the completion of the mutual holding company reorganization and offering, other than Mr. Hausfeld, who was elected to the Board in July 2005.

Mr. Hausfeld serves as the financial expert on the Audit Committee.

Thomas J. THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF MESSRS. HAUSFELD AND LINNEMAN TO THE BOARD OF DIRECTORS.

Board Structure and Compensation

We are a “controlled company” under NASDAQ Marketplace Rules because more than 50% of our voting power is held by Cheviot Mutual Holding Company. Therefore, we are exempt from the NASDAQ Marketplace Rules requiring (a) that we have a majority of independent directors on the Board, (b) any compensation committee and nominating committee to be composed solely of independent directors, (c) the compensation of executive officers being determined by a majority of the independent directors or a compensation committee composed solely of independent directors, and (d) the election or recommendation of director nominees for the Board’s selection, either by a majority of the independent directors or a nominating committee composed solely of independent directors.

Affirmative Determinations Regarding Director Independence and Other Matters

Based on information supplied to it by the directors, the Board of Directors has determined each of the following directors to be an “independent director” as such term is defined in the NASDAQ Marketplace Rules:

Steven R. Hausfeld	Robert L. Thomas
Edward L. Kleemeier	James E. Williamson

In this proxy statement these four directors are referred to individually as an “Independent Director” and collectively as the “Independent Directors.” The Independent Directors constitute a majority of the Board of Directors. Although Mr. Smith is not an employee of the company or any of its affiliates, Mr. Smith is determined not to be independent because of a family relationship; Mr. Smith is the father of Scott T. Smith, our Chief Financial Officer and the Chief Financial Officer of Cheviot Mutual Holding Company and Cheviot Savings Bank.

The Board of Directors has also determined that each member of the Audit Committee of the Board meets the independence requirements applicable to that committee prescribed by the NASDAQ Marketplace Rules, the Securities and Exchange Commission and the Internal Revenue Service.

In determining the independence of our directors we considered our relationships with these individuals, which consist of making loans to our directors. We will originate mortgage loans secured by the borrower’s residence to our employees, executive officers and directors. All of these loans are made in accordance with applicable banking regulations. All employee and director loans must be approved by the Board of Directors.

Board and Committee Meetings

We have six directors and the following two committees: (1) Audit Committee and (2) Nominating Committee. The Board of Directors has the responsibility for establishing broad corporate policies and for our overall performance, although it is not involved in the day-to-day operating details. Directors are kept informed of our business by various reports and documents sent to them, as well as by operating and financial reports presented at Board and Committee meetings by the Chief Executive Officer and other officers.

Our directors also serve as the Board of Directors for Cheviot Savings Bank. For the year ended December 31, 2008, the Board of Directors held 13 regular and 2 special meetings. No director attended fewer than 75 percent of the total meetings of the Board of Directors and the committees on which such director served.

Audit Committee. The Audit Committee consists of three of the Independent Directors, Messrs. Hausfeld, Thomas and Williamson. The committee is responsible for engaging our independent registered public accounting firm, overseeing our financial reporting process, evaluating the adequacy of our internal controls, reviewing our compliance with federal, state and local laws and regulations, and monitoring the legal and ethical conduct of our management and employees. In addition, the committee reviews our financial affairs, including our capital structure, borrowing limits, financing of corporate acquisitions and the performance of our benefit plans. The Audit Committee membership meets the audit committee composition requirements of the NASDAQ Marketplace Rules. Mr. Hausfeld has been designated as the audit committee’s financial expert. Mr. Hausfeld is a certified public accountant. The Audit Committee also serves as the audit committee for the Board of Directors of Cheviot Savings Bank.

The Audit Committee met 10 times for the year ended December 31, 2008. Pursuant to applicable regulations, the Audit Committee has adopted a written charter, a copy of which is available on our website www.cheviotsavings.com.

Nominating Committee. The Nominating Committee consists of the entire Board of Directors, as required by our Bylaws except for directors who are under consideration for re-election, including both independent and non-independent directors. As a “controlled company,” we are not required to have the Nominating Committee comprised solely of the Independent Directors. The non-independent members of the Nominating Committee are Messrs. Linneman and Smith. The Committee recommends nominees for the election of directors and officers, monitors the performance of the other Board committees, and informs the Board of shareholder concerns. The Nominating Committee does not operate under a formal written charter. We do not pay any third party a fee to assist us in identifying and evaluating potential nominees.

The Nominating Committee of the Company met 1 time during 2008.

Compensation Committee. We do not have a Compensation Committee because we do not independently compensate our executive officers, directors or employees. These persons are compensated by Cheviot Savings Bank. As a “controlled company,” we are not required to adhere to the NASDAQ Marketplace Rules with respect to the Board’s determination of the compensation of officers.

Other Board Committees of Cheviot Savings Bank. In addition to the committees of the Board of Cheviot Financial Corp., the Board of Directors of Cheviot Savings Bank also maintains a loan committee, a compensation committee and information technology committee. The loan committee has the principal responsibility of approving certain loans to be provided by Cheviot Savings Bank in its ordinary course of business. Since we do not independently compensate our executive officers, directors or employees, the compensation committee has the principal responsibility for setting and reviewing the compensation benefits provided to officers and employees of Cheviot Savings Bank, who are also employees of Cheviot Financial Corp. The information technology committee has the responsibility of monitoring the technology environment relating to controls, updates and expansion.

Attendance at Annual Meeting of Shareholders

We do not have a policy regarding director attendance at the annual meetings of shareholders. Directors Hausfeld, Klemeier, Smith, Thomas, Williamson and Linneman attended the prior year’s annual meeting of shareholders.

Executive Sessions of Non-Management Directors

Our non-management directors meet in executive session without management present from time to time as deemed necessary by the non-management directors, but at least two times per year. Shareholders or other interested parties may communicate with the presiding director or to the non-management directors as a group.

The Director Nominations Process

The purpose of the Nominating Committee is to consider both management and shareholder recommended candidates for possible inclusion in our recommended slate of director nominees.

Minimum Criteria for Candidates. At a minimum, each candidate must (a) agree to accept the nomination for Board candidacy, (b) meet the standards of independence established by NASDAQ, and (c) meet all other applicable laws, rules, and regulations related to service as a Director.

Desirable Qualities and Skills. In addition, the Nominating Committee will consider the following skills and characteristics of candidates: (a) judgment, (b) diversity, (c) experience, (d) skills, (e) accountability and integrity, (f) financial literacy, (g) industry knowledge, (h) other board appointments, and (i) independence. In addition, in determining whether an incumbent director should stand for re-election, the Nominating Committee will consider the director's attendance at meetings, achievement of satisfactory performance and other matters determined by the Board.

Internal Process for Identifying Candidates. On a periodic basis, the Nominating Committee solicits ideas for possible candidates from a number of sources – members of the Board; senior level executives; individuals personally known to the members of the Board; and research, including database and Internet searches.

General Nomination Right of All Shareholders. Any of our shareholders may nominate one or more persons for election as a director at an annual meeting of shareholders if the shareholder complies with the notice, information and consent provisions contained in our Bylaws. We have an advance notice bylaw provision. In order for the director nomination to be timely, a shareholder's notice to our Executive Secretary must be delivered to our principal executive offices not less than 30 days nor more than 60 days prior to the date of our next annual meeting. If a shareholder provides timely notice as described above, in accordance with our Bylaws, the candidate may be voted upon in the election of directors at the annual meeting and the candidate's name will be included on the ballot for election. If a shareholder fails to provide timely notice, but still provides written notice to our Executive Secretary at least five days prior to the annual meeting, the candidate will be added to the ballots provided at the annual meeting, but will not be included on any proxy cards delivered by the company. Further, the persons named in the proxy cards will be permitted to exercise discretionary voting authority with respect to any candidate submitted by a shareholder less than 30 days before the date of the annual meeting.

A shareholder entitled to vote may propose a candidate from the floor at the annual meeting itself only if the Nominating Committee has failed to nominate a slate of candidates at least 20 days before the date of the annual meeting. If the Nominating Committee recommends a slate of candidates at least 20 days before the date of the annual meeting, no votes will be allowed for candidates who are proposed from the floor during the annual meeting.

Evaluation of Candidates. The Nominating Committee will consider all candidates identified through the processes described above and will evaluate each of them, including incumbents, based on the same criteria. If, based on the Nominating Committee's initial evaluation, a candidate continues to be of interest to the Nominating Committee, a member of the Nominating Committee will interview the candidate and communicate such member's evaluation to the other Nominating Committee members. Later reviews will be conducted by other members of the Nominating Committee and our executive officers. Ultimately, background and reference checks will be conducted and the Nominating Committee will meet to finalize its list of recommended candidates for the Board's consideration.

Timing of the Identification and Evaluation Process. Our fiscal year ends on December 31. The Nominating Committee usually meets in February or March to consider and determine, among other things, candidates to be included in our recommended slate of director nominees for election by shareholders at the annual meeting.

There have been no material changes to these procedures since they were previously disclosed in our proxy statement for the 2008 Annual Meeting of Shareholders.

Audit Committee Report

During 2008, Messrs. Hausfeld, Thomas and Williamson served on our Audit Committee, with Mr. Williamson serving as Chair. The Audit Committee operates pursuant to a written charter, which complies with the applicable provisions of the Sarbanes-Oxley Act of 2002 and related rules of the SEC and Nasdaq. The Audit Committee is responsible for overseeing our accounting and financial reporting processes, including the quarterly review and the annual audit of our consolidated financial statements by Clark, Schaefer, Hackett & Co., our independent registered public accounting firm. As part of fulfilling its responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2008 with management and Clark, Schaefer, Hackett & Co. and discussed those matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended, with Clark, Schaefer, Hackett & Co. The Audit Committee received the written disclosures and the letter required by Independent Standards Board Statement No. 1

(Independence Discussions with Audit Committee) from Clark, Schaefer, Hackett & Co. and discussed that firm's independence with representatives of the firm.

7

Based upon the Audit Committee's review of the audited consolidated financial statements and its discussions with management, the internal audit function and our independent registered public accounting firm, the Audit Committee recommended that the Board of Directors include our audited financial statements for the year ended December 31, 2008 in the Annual Report on Form 10-K as filed with the SEC.

Compensation Committee

Overview of Compensation Program. The Compensation Committee (for purposes of this analysis, the "Committee") of the Board of Directors of Cheviot Savings Bank has the responsibility for establishing, implementing and continually monitoring adherence with our compensation philosophy. The Committee ensures that the total compensation paid is fair, reasonable and competitive. The members of the Compensation Committee of Cheviot Savings Bank are directors Hausfeld, Thomas and Kleemeier, all of whom are independent directors. The Compensation Committee does not operate under a written charter. The Compensation Committee of Cheviot Savings Bank met three times during the year ended December 31, 2008.

Throughout this proxy statement, the individual who served as our Chief Executive Officer during 2008 as well as the other individuals included in the Summary Compensation Table, are referred to as the "named executive officers."

Compensation Philosophy and Objectives. The Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals. The Committee evaluates both performance and current compensation to ensure that we maintain our ability to attract and retain superior employees in key positions. The compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our industry and in our market area.

Role of Executive Officers in Compensation Decisions. The Committee makes all compensation decisions for the named executive officers and approves recommendations made by the Chief Executive Officer for other employees. The Chief Executive Officer annually reviews the performance of each one of the named executive officers. The conclusions reached and recommendations made based on these reviews are presented to the Committee. The Committee can exercise its discretion in modifying any recommendation or awards.

Compensation Components. For the fiscal year ended December 31, 2008, the principal components of compensation include base salary, performance-based incentive compensation, retirement, stock based incentive plan and other benefits.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our directors, executive officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or

controller, or other persons performing similar functions. The Code of Ethics requires our directors, executive officers and employees to avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in our best interest. Under the terms of the Code of Ethics, directors, executive officers and employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Ethics.

Employment Contracts and Termination of Employment and Change-in-Control Arrangements

Employment Agreement with Mr. Linneman. Effective September 16, 2008, Cheviot Savings Bank entered into an employment agreement with Mr. Linneman which provides for the employment and retention of Mr. Linneman for a three-year term. Commencing on the first anniversary date of the employment agreement and continuing on each anniversary thereafter, the disinterested members of the Board of Directors of Cheviot Savings Bank may extend the employment agreement an additional year such that the remaining term of the agreement shall be 36 months, unless the Board elects not to extend the term by giving written notice to Mr. Linneman. The employment agreement provides that Mr. Linneman's base salary will be reviewed annually and may be increased but not decreased. The base salary that will be effective for such employment agreement will be \$199,680. Cheviot Savings Bank also provides a bonus program to Mr. Linneman which provides him with the opportunity to earn up to 50% of his base salary, on an annual basis, the amount of which shall be determined by specific performance standards and a formula to be agreed to by Mr. Linneman and Cheviot Savings Bank's Board of Directors annually. Performance standards are measured on a calendar year, and no bonus shall be payable if Mr. Linneman is not employed on December 31 of the pertinent year. Mr. Linneman is entitled to participate in such life insurance, medical, dental, 401(k), profit-sharing and stock-based compensation plans and other programs and arrangements as may be approved from time to time by Cheviot Savings Bank for the benefit of its employees. In addition, Cheviot Savings Bank provides Mr. Linneman with a supplemental life insurance policy with a death benefit of not less than \$200,000.

Under the employment agreement, if Mr. Linneman dies, retires or is terminated "for cause" (as defined in the employment agreement) or if he voluntarily terminates his employment without "good reason" (as defined in the employment agreement), Mr. Linneman (or his estate) shall be entitled to receive the compensation due him through the last day of the calendar month in which his death, retirement or termination occurred. In the event of Mr. Linneman's disability, Cheviot Savings Bank will pay him, as disability pay, pursuant to the long-term disability policy then in effect. Such payments shall be reduced by the amount of any short- or long-term disability benefits payable to him under any other disability programs sponsored by Cheviot Savings Bank. In addition, during any period of his disability, he and his dependents shall, to the greatest extent possible, continue to be covered under all non-taxable medical, dental and life insurance plans of Cheviot Savings Bank on the same terms as if he were actively employed by Cheviot Savings Bank.

Under the employment agreement, if the employment of Mr. Linneman is terminated by Cheviot Savings Bank without "cause" or Mr. Linneman terminates his employment with "good reason," Mr. Linneman would be entitled to a severance payment equal to the base salary (determined by reference to his base salary on the termination date) and bonuses (determined by reference to his average bonus over the three years preceding his termination date) that would otherwise have been payable over the remaining term of the agreement. Such amounts shall be paid in one lump sum within ten calendar days of such termination. In addition, Mr. Linneman will be paid in a single cash lump sum distribution within ten calendar days, the present value of the cash equivalent of the amount of benefits Mr. Linneman would have received under any retirement program (whether tax-qualified or non-qualified) if he was employed for the remaining term of the employment agreement, and will continue to participate in any benefit plans of Cheviot Savings Bank that provide non-taxable health (including medical and dental), life, or similar coverage for the remaining term of the employment agreement upon terms no less favorable than the most favorable terms provided to senior executives of Cheviot Savings Bank during such period. In the event Cheviot Savings Bank is unable to provide such continued coverage, the Bank will provide Mr. Linneman with a cash lump sum benefit of the value of such coverage, payable within ten calendar days following Mr. Linneman's termination.

If, within the period ending two years after a change in control (as defined in the employment agreement), Cheviot Savings Bank shall terminate Mr. Linneman's employment without "cause" or Mr. Linneman terminates his employment with "good reason," Cheviot Savings Bank shall, within ten calendar days of termination of his employment, make a lump sum cash payment to him equal to 2.99 times Mr. Linneman's average annual compensation over the five most

recently completed calendar years ending with the year immediately preceding the effective date of the change in control. In addition, Mr. Linneman will be paid in a single cash lump sum distribution, within ten calendar days, equal to the present value of the cash equivalent of the amount of benefits Mr. Linneman would have received if he was employed for 36 months following his termination of employment, and shall continue to participate in any benefit plans that provide non-taxable health (including medical and dental), life or similar coverage for 36 months upon terms no less favorable than the most favorable terms provided to senior executives during such period. In the event payments made to Mr. Linneman include an "excess parachute payment" as defined in Section 280G of the Internal Revenue Code, such payments will be cutback by the minimum dollar amount necessary to avoid this result. If Mr. Linneman was terminated as a result of a change of control as of December 31, 2008, total payments he would be entitled to receive would be \$630,000.

Upon termination of Mr. Linneman for any reason, he must adhere to a two-year non-competition covenant.

All reasonable costs and legal fees paid or incurred by Mr. Linneman in any dispute or question of interpretation relating to the employment agreement will be paid by Cheviot Savings Bank, if Mr. Linneman is successful on the merits in a legal judgment, arbitration or settlement. The employment agreement also provides that Cheviot Savings Bank will indemnify the executive for certain liabilities and expenses as provided therein.

Potential Payments upon Termination. Mr. Linneman would receive payments totaling \$626,000 in the event he were terminated, consisting of \$609,000 in salary and bonus payments, \$13,000 in health insurance premium payments for three years and \$4,000 in life insurance premium payments for three years.

Change-in-Control Severance Agreements with Messrs. Kappa and Lenzer. Effective September 16, 2008, Cheviot Savings Bank entered into change in control severance agreements with each of Messrs. Lenzer and Kappa to provide benefits to each of them upon a change in control of either Cheviot Savings Bank or Cheviot Financial Corp. Each severance agreement provides for a three-year term. Additionally, on or before each anniversary date of the effective date of the severance agreement, the term of the agreement may be extended for an additional one-year period beyond the then effective expiration date upon a determination and resolution of the Board of Directors that the performance of the employee has met the requirements and standards of the board and that the term of the agreement should be extended. Under the severance agreement, if a change in control of Cheviot Savings Bank or Cheviot Financial Corp. occurs, Messrs. Lenzer and Kappa, if terminated or if each terminates his employment for "good reason" (as defined in the severance agreements) within 12 months after any change in control, will be entitled to receive a single cash lump sum distribution equal to two times the prior calendar year's cash compensation paid to such executive by Cheviot Savings Bank. Such sum will be paid within 30 days following Messrs. Lenzer's and Kappa's date of termination. In the event payments made to Messrs. Lenzer and Kappa include an "excess parachute payment" as defined in Section 280G of the Internal Revenue Code, such payments will be cutback by the minimum dollar amount necessary to avoid this result. If Messrs. Kappa and Lenzer were terminated as a result of a change of control as of December 31, 2008, total payments they would each be entitled to receive would be \$487,000.

401(k) Plan

Cheviot Savings Bank maintains the Cheviot Savings Bank 401(k) Retirement Savings Plan which is a qualified, tax-exempt profit sharing plan with a salary deferral feature under Section 401(k) of the Code. Employees who have attained age 21 and have completed one year of employment are eligible to participate. Employees are entitled to enter the 401(k) Plan on the first January 1 or July 1 occurring after the employee becomes eligible to participate in the 401(k) Plan.

Under the 401(k) Plan participants may elect to defer a percentage of their compensation each year instead of receiving that amount in cash equal to the lesser of (i) a maximum percentage of compensation as indicated in a notice received from the 401(k) Plan administrator or (ii) an indexed dollar amount set by the Internal Revenue Service, which was \$15,500 for 2008. In addition, for participants that are age 50 or older by the end of any taxable year, the participant may elect to defer additional amounts (called "catch-up contributions") to the 401(k) Plan. The additional amounts may be deferred regardless of any other limitations on the amount that a participant may defer to the 401(k) Plan. The maximum "catch-up contribution" that a participant can make in 2008 was \$5,000.

Each plan year (a calendar year), Cheviot Savings Bank will contribute to the 401(k) Plan the following amounts: (a) the total amount of the salary reduction a participant elected to defer; (b) in the discretion of Cheviot Savings Bank, a matching contribution equal to a percentage of the amount of the salary reduction a participant elected to defer; and (c) an amount equal to 3% of a participant's plan compensation (generally the sum of a participant's Form W-2 wages and other compensation for the year plus a participant's before-tax contributions to the 401(k) Plan and any other

benefit plans of Cheviot Savings Bank, up to a legal limit (which was \$230,000 for 2008)) for the year plus 3% of a participant's plan compensation for the year in excess of 50% of the Social Security Taxable Wage Base for old-age retirement benefits for the year (\$51,000 for 2008) plus any additional amount that does not match a participant's salary reduction and that is determined by Cheviot Savings Bank in its discretion.

The 401(k) Plan permits employees to direct the investment of his or her own accounts into various investment options, including the opportunity to invest in a "Cheviot Financial Corp. Stock Fund." Each participant who directs the trustee to invest all or part of his or her account in the Cheviot Financial Corp. Stock Fund will have assets in his or her account applied to the purchase of shares of common stock. Participants will be entitled to direct the trustee as to how to vote his or her allocable shares of common stock.

Plan benefits will be paid to each participant in the form of a single cash payment at normal retirement age unless earlier payment is selected. If a participant dies prior to receipt of the entire value of his or her 401(k) Plan accounts, payment will generally be made to the beneficiary in a single cash payment as soon as possible following the participant's death. Payment will be deferred if the participant had previously elected a later payment date. If the beneficiary is not the participant's spouse, payment will be made within one year of the date of death. If the spouse is the designated beneficiary, payment will be made no later than the date the participant would have attained age 70 1/2. Normal retirement age under the 401(k) Plan is age 65. Early retirement age is age 55.

Employee Stock Ownership Plan and Trust

In January 2004, we implemented the Cheviot Financial Corp. Employee Stock Ownership Plan in connection with the reorganization and stock offering. Employees who are at least 21 years old, who have at least one year of employment with Cheviot Savings Bank or an affiliated corporation and who have completed at least 1,000 hours of service, are eligible to participate. As part of the reorganization and stock offering, the employee stock ownership plan borrowed funds from us and used those funds to purchase 357,075 shares of common stock. Collateral for the loan is the common stock purchased by the employee stock ownership plan. The loan is being repaid principally from the participating employers' discretionary contributions to the employee stock ownership plan over a period of up to 10 years. The loan bears interest at an annual percentage rate fixed at 4.0%. Shares purchased by the employee stock ownership plan are held in a suspense account for allocation among participants as the loan is repaid.

Contributions to the employee stock ownership plan and shares released from the suspense account in an amount proportional to the repayment of the employee stock ownership plan loan are allocated among employee stock ownership plan participants on the basis of compensation in the year of allocation. Benefits under the plan are 100% vested upon completion of five years of credited service. A participant's interest in his or her account under the plan also fully vest in the event of termination of service due to a participant's early or normal retirement, death, disability, or upon a change in control (as defined in the plan). Vested benefits are payable in the form of common stock and/or cash. Contributions to the employee stock ownership plan are discretionary, subject to the loan terms and tax law limits. Therefore, benefits payable under the employee stock ownership plan cannot be estimated. Under generally accepted accounting principles, a participating employer will be required to record compensation expense each year in an amount equal to the fair market value of the shares released from the suspense account for the year.

Effect of Change in Control on Certain Executive Compensation Plans

In the event of a change in control, the employee stock ownership plan will terminate and participants will become fully vested in their account balances, which will be paid to them.

Plan-Based Awards. There were no grants of plan-based awards for our named executive officers in 2008.

Stock Benefit Plans

Stock-Based Incentive Plan. The 2005 Cheviot Financial Corp. Stock-Based Incentive Plan provides officers, employees and directors of Cheviot Financial Corp. or Cheviot Savings Bank with additional incentives to share in

our growth and performance.

The 2005 Stock-Based Incentive Plan authorizes the issuance of up to 680,426 shares of our common stock pursuant to grants of incentive and non-statutory stock options, reload options or restricted stock awards, provided that no more than 194,408 shares may be issued as restricted stock awards, and no more than 486,018 shares may be issued pursuant to exercise of stock options.

Employees and outside directors and our subsidiaries are eligible to receive awards under the 2005 Stock Based-Incentive Plan.

The Compensation Committee may determine the type and terms and conditions of awards under the 2005 Stock-Based Incentive Plan. Awards may be granted in a combination of incentive and non-statutory stock options, reload options or restricted stock awards. Awards may include the following:

- (i) **Stock Options.** A stock option gives the recipient or “optionee” the right to purchase shares of common stock at a specified price for a specified period of time. The exercise price shall not be less than the fair market value of the underlying common stock on the date the stock option is granted. Fair market value for purposes of the 2005 Stock-Based Incentive Plan means the average of the closing high bid and low asked price of the common stock as reported on the OTC Electronic Bulletin Board (or the average of the high and low quoted sales prices of the common stock on the Nasdaq Stock Market) on the day the option is granted or, if the common stock is not traded on the date of grant, the fair market value shall be determined by the Compensation Committee in good faith on an appropriate basis.

Stock options are either “incentive” stock options or “non-qualified” stock options. Incentive stock options have certain tax advantages and must comply with the requirements of Section 422 of the Internal Revenue Code. Only employees are eligible to receive incentive stock options. Shares of common stock purchased upon the exercise of a stock option must be paid for in full at the time of exercise (i) either in cash, check payable to Cheviot Financial Corp. or electronic funds transfer; or (ii) with stock of Cheviot Financial Corp. which was owned by the participant for at least six months prior to delivery; or (iii) by reduction in the number of shares deliverable pursuant to the stock option, or (iv) subject to a “cashless exercise” through a third party. Cash may be paid in lieu of any fractional shares under the 2005 Stock-Based Incentive Plan and generally no fewer than 100 shares may be purchased on exercise of an award unless the total number of shares available for purchase or exercise pursuant to an award is less than 100 shares. Stock options are subject to vesting conditions and restrictions as determined by the Compensation Committee.

(ii) Reload Options. Reload options entitle the holder, who has delivered shares that he or she owns as payment of the exercise price for option stock, to a new option to acquire additional shares equal in amount to the shares he or she has traded. Reload options may also be granted to replace option shares retained by the employer for payment of the option holder’s withholding tax. The option price at which additional shares of stock can be purchased by the option holder through the exercise of a reload option is equal to the market value of the shares on the date the original option is exercised. The option period during which the reload option may be exercised expires at the same time as that of the original option that the holder has exercised. Reload options issued on the exercise of incentive stock options may be incentive stock options or non-statutory stock options.

(iii) Stock Awards. Stock awards under the 2005 Stock-Based Incentive Plan will be granted only in whole shares of common stock. Stock awards will be subject to conditions established by the Compensation Committee which are set forth in the award agreements. Any stock award granted under the 2005 Stock-Based Incentive Plan will be subject to vesting as determined by the Compensation Committee. Awards will be evidenced by agreements approved by the Compensation Committee which set forth the terms and conditions of each award.

Transferability of Awards. Generally, all awards, except non-statutory stock options, granted under the 2005 Stock-Based Incentive Plan will be nontransferable except by will or in accordance with the laws of intestate succession. Stock awards may be transferable pursuant to a qualified domestic relations order. At the Compensation Committee’s sole discretion, non-statutory stock options may be transferred for valid estate planning purposes that are permitted by the Code and the Exchange Act. During the life of the participant, awards can only be earned by him or her. The Compensation Committee may permit a participant to designate a beneficiary to exercise or receive any rights that may exist under the 2005 Stock-Based Incentive Plan upon the participant’s death.

Change in Control. Upon the occurrence of an event constituting a change in control of the company as defined in the 2005 Stock-Based Incentive Plan, all stock options will become fully vested, and all stock awards then outstanding shall vest free of restrictions. A conversion of Cheviot Mutual Holding Company from mutual to stock form will not be considered as a change of control.

Effect of Termination of Service. Unless the Compensation Committee specifies otherwise at the time an award is granted, upon the occurrence of the participant’s termination of service due to death or disability, all unvested stock options and stock awards made to the participant will become fully vested. Subject to OTS regulations and policy (or the receipt of any required waivers from the OTS), and unless the Compensation Committee specifies otherwise at the time an award is granted, in the event of a normal retirement of a participant any unvested award of stock options and/or restricted stock shall become fully vested in the participant. Unless the Committee specifies otherwise, a person who is a member of the Board of Directors shall not be deemed to have retired until service as a director or director emeritus has ceased.

We do not have any pension benefits, defined contribution or other non-qualified deferred compensation plans.

The Boards of Cheviot Financial Corp., Cheviot Mutual Holding Company and Cheviot Savings Bank are comprised of the same persons. To date, Cheviot Savings Bank has compensated its directors for their services. Cheviot Financial Corp. has not paid any additional compensation to the directors for this service, though it may choose to do so in the future.

Compensation of Non-Employee Directors. During the year ended December 31, 2008, directors received a \$17,000 annual retainer for board membership (on Cheviot Savings Bank), an additional \$2,500 retainer for membership on the Audit Committee and \$1,500 retainer for each membership on any other committee.

Compensation of Directors Who are Also Employees. During the year ended December 31, 2008, Mr. Linneman, the only director who is also an employee of Cheviot Financial Corp. or Cheviot Savings Bank, received \$17,000 in compensation for board membership (on Cheviot Savings Bank). Mr. Linneman did not receive any compensation for committee membership.

Directors Deferred Compensation Plan. Cheviot Savings Bank adopted, effective March 31, 2003, a directors deferred compensation plan as an additional benefit for its directors. Each person who was a member of the board on March 31, 2003 became a participant in the plan on such date. Any subsequent member of the board shall become a participant in the plan only if he or she is a member of the Board of Directors on the last day of the first plan year that ends after the date on which he or she completes ten years of service, which such date is designated as his or her participation date in the plan. After becoming a participant under the plan, a person remains a participant until the entire balance of his or her account under the plan has been paid or forfeited under the terms of the plan.

The plan provides that upon the later of (i) the participant's 65th birthday, or (ii) the earlier of (a) the date on which the participant is no longer a member of the Board of Directors, or (b) the participant's 70th birthday, the participant will be entitled to a retirement benefit in the amount of \$11,400 per year, payable for ten years. A participant will have the right, within 30 days of joining the plan, to elect to be paid the retirement benefit above in the form of a single cash lump sum distribution. If a change in control occurs after the commencement of a participant's retirement benefit, any remaining installment payments will be paid in the form of a single cash lump sum distribution within 30 days following the effective date of the change in control. In the event a participant is entitled to receive the retirement benefit in the form of a single cash lump sum distribution, such benefit will be determined using a discount rate of 7%, compounded annually.

Cheviot Savings Bank recorded an expense of approximately \$21,000 for the directors deferred compensation plan for the year ended December 31, 2008.

A participant shall forfeit the entire balance of his or her account and any right to future payment of a plan benefit if he or she violates certain standards of conduct as set forth in the plan.

Certain Transactions With Related Persons

Cheviot Savings Bank's current policy is that no loans are to be extended to directors or executive officers of Cheviot Savings Bank without the approval of Cheviot Savings Bank's Board of Directors. Current directors, officers and employees are eligible for any type of credit offered by Cheviot Savings Bank. Federal regulations permit executive officers and directors to participate in loan programs that are available to other employees, as long as the director or executive officer is not given preferential treatment compared to other participating employees. In accordance with banking regulations, such loans to directors are made on substantially the same terms as those available to Cheviot Savings Bank's employees. Loans made to directors or executive officers, including any modification of such loans, must be approved by a majority of disinterested members of the Board of Directors. As of December 31, 2008, there were a total of ten loans to directors/officers of Cheviot Savings Bank with a total balance of approximately \$1.5 million. The loans made to directors and executive officers were made in the ordinary course of business and did not involve more than a normal risk of collectibility. Any future loans made to any directors, executive officers, officers or employees of Cheviot Savings Bank will be made under the same terms and conditions.

All transactions involving related parties require the approval of full Board of Directors.

Section 402 of the Sarbanes-Oxley Act of 2002 generally prohibits a company from extending credit, arranging for the extension of credit or renewing an extension of credit in the form of a personal loan to an officer or director of the company. There are several exceptions to this general prohibition, including loans made by an FDIC insured

depository institution that is subject to the insider lending restrictions of the Federal Reserve Act. All loans to our directors and officers comply with the Federal Reserve Act and the Federal Reserve Board's Regulation O and, therefore, are excepted from the prohibitions of Section 402.

PROPOSAL 2 – RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee requests that shareholders ratify the Audit Committee’s selection of Clark, Schaefer, Hackett & Co. to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2009. Representatives of Clark, Schaefer, Hackett & Co. will be present at the Annual Meeting and will have an opportunity to make a statement if they so desire and to respond to questions by shareholders.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF CLARK, SCHAEFER, HACKETT & CO. AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

On July 10, 2007, Cheviot Financial Corp. engaged Clark, Schaefer, Hackett & Co. as its independent registered public accounting firm, replacing Grant Thornton LLP. Cheviot Financial Corp.’s engagement of Clark, Schaefer, Hackett & Co. has been approved by our Audit Committee. On July 10, 2007, our Audit Committee elected to terminate the engagement of Grant Thornton LLP as its independent registered public accounting firm.

The report of Grant Thornton LLP on our consolidated financial statements as of and for the fiscal year ended December 31, 2006, contained no adverse opinion or disclaimer of opinion and was not qualified or modified as to uncertainty, audit scope, or accounting principles.

During the year ended December 31, 2006, and in connection with the audit of our financial statements for such period, as well as the interim period subsequent to the most recent fiscal year end and through July 10, 2007, there were no disagreements between us and Grant Thornton LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Grant Thornton LLP, would have caused Grant Thornton LLP to make reference to such matter in connection with its audit reports on our financial statements.

During the two most recent fiscal years and subsequent interim periods prior to engaging Clark, Schaefer, Hackett & Co. neither Cheviot Financial Corp. nor anyone on our behalf consulted Clark, Schaefer, Hackett & Co. regarding either (i) the application of accounting principles to a specific transaction, either completed or proposed; or the type of audit opinion that might be rendered on our financial statements. No written report or oral advice was provided that Clark, Schaefer, Hackett & Co. concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement as defined in Item 304(a)(1)(iv) of Regulation S-K or a reportable event as described in Item 304(a)(1)(v) of Regulation S-K.

Audit-Related Fees consist of fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. This category includes fees related to audit and attest services not required by statute or regulations, acquisitions and investments, and consultations concerning financial accounting and reporting standards.

Tax Fees consist of fees for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal, state and international tax compliance, return preparation, tax audits and customs and duties.

All Other Fees. During 2008 and 2007 no fees were billed for products and services provided by the principal accountant, other than the services reported above.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the independence of Clark, Schaefer, Hackett & Co. and has concluded that it is.

Pre-approval Policies and Procedures. In accordance with rules adopted by the SEC in order to implement requirements of the Sarbanes-Oxley Act of 2002 and the Audit Committee's charter, all audit and audit-related services and all permitted non-audit work performed by the independent registered public accounting firm, Clark, Schaefer, Hackett & Co., must be pre-approved by the Audit Committee, including the proposed fees for such work. The Audit Committee has adopted policies and procedures pursuant to which audit, audit-related and tax services, and all permissible non-audit services, are pre-approved, and is informed of each service actually rendered that was approved through its pre-approval process. The Audit Committee pre-approved 100% of the audit related fees and tax fees described above during the fiscal years ended December 31, 2008 and 2007.
