April 24, 2012

We are providing this Proxy Statement to the shareholders of Cheviot Financial Corp. in connection with the solicitation of proxies by the Board of Directors for use at the Annual Meeting of Shareholders. The Annual Meeting will be held on Tuesday, April 24, 2012, at 3:00 p.m. Eastern Daylight Savings Time at Cheviot Savings Bank, 3723 Glenmore Avenue, Cheviot, Ohio 45211. The Notice of Annual Meeting of Shareholders, this Proxy Statement, the accompanying proxy card, and our Annual Report to Shareholders for the year ended December 31, 2011 are first being made available for shareholders on or about March 14, 2012 to our shareholders of record on February 29, 2012.

RECENT DEVELOPMENTS

On January 18, 2012, we completed the second step conversion of Cheviot Mutual Holding Company. At that time our holding company, Cheviot Financial Corp., a federal corporation, was replaced by Cheviot Financial Corp., a Maryland corporation. References to Cheviot Financial Corp. are to the federal corporation pre-January 18, 2012.

VOTING AND REVOCATION OF PROXIES

We are making our proxy materials available to our shareholders on the Internet. You may read, print and download our 2011 Annual Report to Shareholders and our Proxy Statement at www.cfpproxy.com/7113. On March 14, 2012, we mailed a notice to stockholders containing instructions on how to access our proxy materials and vote online. On an ongoing basis, shareholders may request to receive proxy materials in printed form by mail or electronically by email.

As to the election of directors, a shareholder may vote "FOR" the election of the nominees proposed by the Board of Directors, or to "WITHHOLD AUTHORITY" to vote for the nominees being proposed. The proposal shall be determined by a plurality of the votes cast, without regard to broker non-votes.

As to the ratification of our independent registered public accounting firm, by checking the appropriate box a shareholder may: (i) vote "FOR" the item; (ii) vote "AGAINST" the item; or (iii) "ABSTAIN" from voting on such item. This proposal shall be determined by a majority of the votes cast, without regard to broker non-votes or proxies marked "ABSTAIN."

The Board of Directors will designate an inspector of elections.

You may revoke your proxy at any time before it is exercised by (i) executing and delivering a later dated proxy to the President of Cheviot Financial Corp. prior to the Annual Meeting, (ii) delivering written notice of revocation of the proxy to the President of Cheviot Financial Corp. prior to the Annual Meeting, (iii) using the Internet or telephone voting options explained in the notice or (iv) attending and voting in person at the Annual Meeting. Attendance at the Annual Meeting, in and of itself, will not constitute a revocation of a proxy. Proxies will be voted as instructed by the shareholder or shareholders granting the proxy. Unless contrary instructions are specified, if the proxy is executed and returned (and not revoked) prior to the Annual Meeting, the shares of common stock, \$0.01 par value per share, represented thereby will be voted: (1) FOR the election of the directors nominated for election to the Board of

Directors and; (2) FOR the ratification of the selection of our independent registered public accounting firm for 2012; and (3) in accordance with the best judgment of the named proxies on any other matters properly brought before the Annual Meeting.

The presence, in person or by proxy, of holders of a majority of the outstanding shares of common stock is required to constitute a quorum for the transaction of business at the Annual Meeting. Broker non-votes are considered represented at the annual meeting for purposes of quorum, but are not entitled to vote on the matter. Proxies and ballots will be received and tabulated by The Registrar and Transfer Company, our transfer agent for the Annual Meeting.

As of the record date, we had 7,596,896 shares of common stock issued and outstanding. Each holder of shares of our common stock outstanding will be entitled to one vote for each share held of record.

We will bear the expense of preparing, printing and distributing this Proxy Statement and the proxies solicited hereby. Proxies will be solicited by Internet, by telephone or by mail and may also be solicited by our directors, officers and other employees, without additional remuneration, in person or by telephone or facsimile transmission. We will also request brokerage firms, banks, nominees, custodians and fiduciaries to forward proxy materials to the beneficial owners of shares of common stock as of the record date and will reimburse such persons for the cost of forwarding the proxy materials in accordance with customary practice. THE BOARD RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF MESSRS. HAUSFELD AND LINNEMAN TO THE BOARD OF DIRECTORS.

Board Structure and Compensation

During 2011, we were a “controlled company” under Nasdaq Marketplace Rules because more than 50% of our voting power was held by Cheviot Mutual Holding Company. Therefore, we were exempt from the Nasdaq Marketplace Rules requiring (a) that we have a majority of independent directors on the board, (b) our compensation and nominating committee be composed solely of independent directors, (c) compensation of executives be determined by a majority of independent directors or a compensation committee composed of independent directors and (d) the election or recommendation of directors be made by either a majority of independent directors or a nominating committee composed of independent directors. Now that we are no longer a “controlled company” we will be subject to these rules.

Affirmative Determinations Regarding Director Independence and Other Matters

Based on information supplied to it by the directors, the Board of Directors has determined each of the following directors to be an “independent director” as such term is defined in the NASDAQ Marketplace Rules:

Steven R. Hausfeld
Edward L. Kleemeier

Robert L. Thomas
James E. Williamson

In this proxy statement these four directors are referred to individually as an “Independent Director” and collectively as the “Independent Directors.” The Independent Directors constitute a majority of the Board of Directors. Although Mr. Smith is not an employee of the company or any of its affiliates, Mr. Smith is determined not to be independent because of a family relationship; Mr. Smith is the father of Scott T. Smith, our Chief Financial Officer and the Chief Financial Officer of Cheviot Savings Bank.

The Board of Directors has also determined that each member of the Audit Committee of the Board meets the independence requirements applicable to that committee prescribed by the NASDAQ Marketplace Rules, the Securities and Exchange Commission and the Internal Revenue Service.

In determining the independence of our directors we considered our relationships with these individuals, which consist of making loans to our directors. We will originate mortgage loans secured by the borrower’s residence to our employees, executive officers and directors. All of these loans are made in accordance with applicable banking regulations. All employee and director loans must be approved by the Board of Directors.

Leadership Structure of the Board

Thomas J. Linneman as President and Chief Executive Officer serves as the principal executive officer. While there is no formally designated Chairman of the Board, Mr. Linneman presides at the Board meetings as Chairman. The Board of Directors believes its administration of its risk oversight function is not affected by the Board of Directors’ leadership structure. The Board has not designated a lead director. The Board of Directors has an active role, as a whole and also at the committee level, in overseeing management of the Company’s risks. The Board of Directors regularly reviews information regarding the Company’s credit, liquidity and operations, as well as the risks associated with each. The Bank’s Compensation Committee is responsible for overseeing the management of risks relating to the Company’s and Bank’s executive compensation plans and arrangements. The Audit Committee oversees independence of the Board of Directors and potential conflicts of interest. While each committee is responsible for evaluating certain tasks and overseeing the management of such risks, the entire Board of Directors is regularly informed about such risks.

Board and Committee Meetings

We have six directors and the following two committees: (1) Audit Committee and (2) Nominating Committee. The Board of Directors has the responsibility for establishing broad corporate policies and for our overall performance, although it is not involved in the day-to-day operating details. Directors are kept informed of our business by various reports and documents sent to them, as well as by operating and financial reports presented at Board and Committee meetings by the Chief Executive Officer and other officers. The foregoing discussion relates to the meetings of the Company's predecessor Cheviot Financial Corp., a federal corporation.

Our directors also serve as the Board of Directors for Cheviot Savings Bank. For the year ended December 31, 2011, the Board of Directors held twelve regular and six special meetings. No director attended fewer than 75 percent of the total meetings of the Board of Directors and the committees on which such director served.

Audit Committee. The Audit Committee consists of three of the Independent Directors, Messrs. Hausfeld, Thomas and Williamson. The committee is responsible for engaging our independent registered public accounting firm, overseeing our financial reporting process, evaluating the adequacy of our internal controls, reviewing our compliance with federal, state and local laws and regulations, and monitoring the legal and ethical conduct of our management and employees. In addition, the committee reviews our financial affairs, including our capital structure, borrowing limits, financing of corporate acquisitions and the performance of our benefit plans. The Audit Committee membership meets the audit committee composition requirements of the NASDAQ Marketplace Rules. Mr. Hausfeld has been designated as the audit committee's financial expert. Mr. Hausfeld is a Certified Public Accountant. The Audit Committee also serves as the audit committee for the Board of Directors of Cheviot Savings Bank.

The Audit Committee met seven times for the year ended December 31, 2011. Pursuant to applicable regulations, the Audit Committee has adopted a written charter, a copy of which is available on our website www.cheviotsavings.com.

Audit Committee Report. During 2011, Messrs. Hausfeld, Thomas and Williamson served on our Audit Committee, with Mr. Williamson serving as Chair. The Audit Committee operates pursuant to a written charter, which complies with the applicable provisions of the Sarbanes-Oxley Act of 2002 and related rules of the SEC and Nasdaq. The Audit Committee is responsible for overseeing our accounting and financial reporting processes, including the quarterly review and the annual audit of our consolidated financial statements by Clark, Schaefer, Hackett & Co., our independent registered public accounting firm. As part of fulfilling its responsibilities, the Audit Committee reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2010 with management and Clark, Schaefer, Hackett & Co. and discussed those matters required by Statement on Auditing Standards No. 61 (Communication with Audit Committees), as amended, with Clark, Schaefer, Hackett & Co. The Audit Committee received the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board from Clark, Schaefer, Hackett & Co. and discussed that firm's independence with representatives of the firm.

Based upon the Audit Committee's review of the audited consolidated financial statements and its discussions with management, the internal audit function and our independent registered public accounting firm, the Audit Committee recommended that the Board of Directors include our audited financial statements for the year ended December 31, 2011 in the Annual Report on Form 10-K as filed with the SEC.

This report shall not be deemed incorporated by reference by any general statement incorporating by reference this proxy statement into any filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, accept to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such Acts.

Respectfully submitted,

Steven R. Hausfeld
Robert L. Thomas
James E. Williamson

Nominating Committee. The Nominating Committee consists of the entire Board of Directors, as required by our Bylaws except for directors who are under consideration for re-election, including both independent and non-independent directors. As a "controlled company," in 2011 we were not required to have the Nominating

Committee comprised solely of the Independent Directors. The non-independent members of the Nominating Committee during 2011 were Messrs. Linneman and Smith. The Committee recommends nominees for the election of directors and officers, monitors the performance of the other Board committees, and informs the Board of shareholder concerns. The Nominating Committee of the Company met one time during 2011. During 2011 the Nominating Committee did not operate under a formal written charter. We do not pay any third party a fee to assist us in identifying and evaluating potential nominees.

The Nominating Committee does not have a policy with regard to the diversity in identifying director nominees. As a small community bank, the Nominating Committee considers the comments and recommendations of Board members regarding the qualifications and effectiveness of the existing Board of Directors or additional qualifications that may be required when selecting new Board members; the requisite expertise and sufficiently diverse backgrounds of the Board of Directors' overall membership composition; the independence of outside Directors and other possible conflicts of interest of existing and potential members of the Board of Directors; and all other factors it considers appropriate. As the holding company for a community bank, the Board of Directors also seeks directors who will strengthen Cheviot Savings Bank's position in its community and can assist Cheviot Savings Bank with business development through business and community contacts.

Director Nominations Process. The purpose of the Nominating Committee is to consider both management and shareholder recommended candidates for possible inclusion in our recommended slate of director nominees.

Minimum Criteria for Candidates. At a minimum, each candidate must (a) agree to accept the nomination for Board candidacy, (b) meet the standards of independence established by NASDAQ, and (c) meet all other applicable laws, rules, and regulations related to service as a Director.

Desirable Qualities and Skills. In addition, the Nominating Committee will consider the following skills and characteristics of candidates: (a) judgment, (b) diversity, (c) experience, (d) skills, (e) accountability and integrity, (f) financial literacy, (g) industry knowledge, (h) other board appointments, and (i) independence. In addition, in determining whether an incumbent director should stand for re-election, the Nominating Committee will consider the director's attendance at meetings, achievement of satisfactory performance and other matters determined by the Board.

Internal Process for Identifying Candidates. On a periodic basis, the Nominating Committee solicits ideas for possible candidates from a number of sources – members of the Board; senior level executives; individuals personally known to the members of the Board; and research, including database and Internet searches.

Procedures for the Recommendation of Director Nominations by Shareholders

The Nominating Committee has adopted procedures for the submission of recommendations for director nominees by stockholders. If a determination is made that an additional candidate is needed for the Board of Directors, the Nominating Committee will consider candidates submitted by our stockholders. Stockholders can submit the names of qualified candidates for director by writing to our Corporate Secretary. However, if less than 90 days' notice or prior public disclosure of the date of the meeting is given to shareholders, such written notice must be submitted by a shareholder not later than the tenth day following the day such notice of the meeting was mailed to shareholders or such public disclosure was made. The Corporate Secretary must receive a submission not less than ninety (90) days prior to the date of our proxy materials for the preceding year's annual meeting. The submission must include the following information:

the name and address of the stockholder as they appear on our books, and number of shares of our common stock that are owned beneficially by such stockholder (if the stockholder is not a holder of record, appropriate evidence of the stockholder's ownership will be required);

the name, address and contact information for the candidate, and the number of shares of our common stock that are owned by the candidate (if the candidate is not a holder of record, appropriate evidence of the stockholder's ownership should be provided);

a statement of the candidate's business and educational experience;

such other information regarding the candidate as would be required to be included in the proxy statement pursuant to SEC Regulation 14A;

a statement detailing any relationship between the candidate and us;

a statement detailing any relationship between the candidate and any of our customers, suppliers or competitors;

detailed information about any relationship or understanding between the proposing stockholder and the candidate; and

a statement that the candidate is willing to be considered and willing to serve as a director if nominated and elected.

A nomination submitted by a stockholder for presentation by the stockholder at an annual meeting of stockholders must comply with the procedural and informational requirements described in “Other Matters and Advance Notice of Business to be Conducted at an Annual Meeting.”

Evaluation of Candidates. The Nominating Committee will consider all candidates identified through the processes described above and will evaluate each of them, including incumbents, based on the same criteria. If, based on the Nominating Committee’s initial evaluation, a candidate continues to be of interest to the Nominating Committee, a member of the Nominating Committee will interview the candidate and communicate such member’s evaluation to the other Nominating Committee members. Later reviews will be conducted by other members of the Nominating Committee and our executive officers. Ultimately, background and reference checks will be conducted and the Nominating Committee will meet to finalize its list of recommended candidates for the Board’s consideration.

Timing of the Identification and Evaluation Process. Our fiscal year ends on December 31. The Nominating Committee usually meets in February or March to consider and determine, among other things, candidates to be included in our recommended slate of director nominees for election by shareholders at the annual meeting.

There have been no material changes to these procedures since they were previously disclosed in our proxy statement for the 2011 Annual Meeting of Shareholders.

Compensation Committee. During 2011 we did not maintain a compensation committee at Cheviot Financial Corp., nor was it required to maintain such committee. Now that Cheviot Financial Corp. is no longer a “controlled company” we will establish a compensation committee.

Other Board Committees of Cheviot Savings Bank. In addition to the committees of the Board of Cheviot Financial Corp., the Board of Directors of Cheviot Savings Bank also maintains a loan committee, a compensation committee and information technology committee. The loan committee has the principal responsibility of approving certain loans to be provided by Cheviot Savings Bank in its ordinary course of business. Since we do not independently compensate our executive officers, directors or employees, the compensation committee has the principal responsibility for setting and reviewing the compensation benefits provided to officers and employees of Cheviot Savings Bank, who are also employees of Cheviot Financial Corp. The information technology committee has the responsibility of monitoring the technology environment relating to controls, updates and expansion.

Attendance at Annual Meeting of Shareholders

We do not have a policy regarding director attendance at the annual meetings of shareholders. Directors Hausfeld, Kleemeier, Smith, Thomas, Williamson and Linneman attended the prior year's annual meeting of shareholders.

Executive Sessions of Non-Management Directors

Our non-management directors meet in executive session without management present from time to time as deemed necessary by the non-management directors, but at least two times per year. Shareholders or other interested parties may communicate with the presiding director or to the non-management directors as a group.

Compensation Committee of Cheviot Savings Bank

Overview of Compensation Program. The Compensation Committee (for purposes of this description, the “Committee”) of the Board of Directors of Cheviot Savings Bank has the responsibility for establishing, implementing and continually monitoring adherence with our compensation philosophy. The Committee ensures that the total compensation paid is fair, reasonable and competitive. The members of the Compensation Committee of Cheviot Savings Bank are directors Hausfeld, Kleemeier and Williamson all of whom are independent directors. The Compensation Committee does not operate under a written charter. The Compensation Committee of Cheviot Savings Bank met seven times during the year ended December 31, 2011. Compensation information for the year ended December 31, 2011 is for our predecessor company, Cheviot Financial Corp., a federal corporation.

Throughout this proxy statement, the individual who served as our Chief Executive Officer during 2011 as well as the other individuals included in the Summary Compensation Table, are referred to as the “named executive officers.”

Compensation Philosophy and Objectives. The Committee believes that the most effective executive compensation program is one that is designed to reward the achievement of specific annual, long-term and strategic goals. The Committee evaluates both performance and current compensation to ensure that we maintain our ability to attract and retain superior employees in key positions. The compensation provided to key employees remains competitive relative to the compensation paid to similarly situated executives of our industry and in our market area.

Role of Executive Officers in Compensation Decisions. The Committee makes all compensation decisions for the named executive officers and approves recommendations made by the Chief Executive Officer for other employees. The Chief Executive Officer annually reviews the performance of each one of the named executive officers. The conclusions reached and recommendations made based on these reviews are presented to the Committee. The Committee can exercise its discretion in modifying any recommendation or awards.

Compensation Components. For the fiscal year ended December 31, 2011, the principal components of compensation include base salary, performance-based incentive compensation, retirement, stock based incentive plan and other benefits.

Code of Business Conduct and Ethics

We have adopted a Code of Business Conduct and Ethics that applies to our directors, executive officers and employees, including our principal executive officer, principal financial officer, principal accounting officer or controller, or other persons performing similar functions. The Code of Ethics requires our directors, executive officers and employees to avoid conflicts of interest, comply with all laws and other legal requirements, conduct business in an honest and ethical manner and otherwise act with integrity and in our best interest. Under the terms of the Code of Ethics, directors, executive officers and employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Ethics.

Employment Contract and Change-in-Control Arrangements

Employment Agreement with Mr. Linneman. Effective September 16, 2008, Cheviot Savings Bank entered into an employment agreement with Mr. Linneman which provides for the employment and retention of Mr. Linneman for a three-year term. Commencing on the first anniversary date of the employment agreement and continuing on each anniversary thereafter, the disinterested members of the Board of Directors of Cheviot Savings Bank may extend the employment agreement an additional year such that the remaining term of the agreement shall be 36 months, unless the Board elects not to extend the term by giving written notice to Mr. Linneman. The employment agreement provides that Mr. Linneman’s base salary will be reviewed annually and may be increased but not decreased. The base salary that was effective for such employment agreement for 2011 was \$217,162. Cheviot Savings Bank also provides a bonus program to Mr. Linneman which provides him with the opportunity to earn up to 50% of his base salary, on an annual basis, the amount of which shall be determined by specific performance standards and a formula to be agreed to by Mr. Linneman and Cheviot Savings Bank’s Board of Directors annually. During 2011, the performance standards included improvement and maintenance of the Bank’s efficiency ratio and return on assets, the successful integration of First Franklin and changes in Cheviot Financial Corp.’s stock price. Performance standards are measured on a calendar year, and no bonus shall be payable if Mr. Linneman is not employed on December 31 of

the pertinent year. Mr. Linneman is a participant in the bonus plan that is available to all employees. Bonuses for the plan year are awarded based on the return on average assets of the bank, base compensation, employee tier and the overall performance rating on the annual performance evaluation. Mr. Linneman is entitled to participate in such life insurance, medical, dental, 401(k), profit-sharing and stock-based compensation plans and other programs and arrangements as may be approved from time to time by Cheviot Savings Bank for the benefit of its employees. In addition, Cheviot Savings Bank provides Mr. Linneman with a supplemental life insurance policy with a death benefit of not less than \$200,000.

Under the employment agreement, if Mr. Linneman dies, retires or is terminated “for cause” (as defined in the employment agreement) or if he voluntarily terminates his employment without “good reason” (as defined in the employment agreement), Mr. Linneman (or his estate) shall be entitled to receive the compensation due him through the last day of the calendar month in which his death, retirement or termination occurred. In the event of Mr. Linneman’s disability, Cheviot Savings Bank will pay him, as disability pay, pursuant to the long-term disability policy then in effect. Such payments shall be reduced by the amount of any short- or long-term disability benefits payable to him under any other disability programs sponsored by Cheviot Savings Bank. In addition, during any period of his disability, he and his dependents shall, to the greatest extent possible, continue to be covered under all non-taxable medical, dental and life insurance plans of Cheviot Savings Bank on the same terms as if he were actively employed by Cheviot Savings Bank.

Under the employment agreement, if the employment of Mr. Linneman is terminated by Cheviot Savings Bank without “cause” or Mr. Linneman terminates his employment with “good reason,” Mr. Linneman would be entitled to a severance payment equal to the base salary (determined by reference to his base salary in effect on the termination date) and bonuses (determined by reference to his average bonus over the three years preceding his termination date) that would otherwise have been payable over the remaining term of the agreement. Such amounts shall be paid in one lump sum within ten calendar days of such termination. In addition, Mr. Linneman will be paid in a single cash lump sum distribution within ten calendar days, the present value of the cash equivalent of the amount of benefits Mr. Linneman would have received under any retirement program (whether tax-qualified or non-qualified) if he was employed for the remaining term of the employment agreement, and will continue to participate in any benefit plans of Cheviot Savings Bank that provide non-taxable health (including medical and dental), life, or similar coverage for the remaining term of the employment agreement upon terms no less favorable than the most favorable terms provided to senior executives of Cheviot Savings Bank during such period. In the event Cheviot Savings Bank is unable to provide such continued coverage, the Bank will provide Mr. Linneman with a cash lump sum benefit of the value of such coverage, payable within ten calendar days following Mr. Linneman’s termination.

If, within the period ending two years after a change in control of either Cheviot Savings Bank or Cheviot Financial Corp., Cheviot Savings Bank terminates Mr. Linneman’s employment without “cause” or Mr. Linneman terminates his employment with “good reason,” Cheviot Savings Bank shall, within ten calendar days of termination of his employment, make a lump sum cash payment to him equal to 2.99 times Mr. Linneman’s average annual compensation over the five most recently completed calendar years ending with the year immediately preceding the effective date of the change in control. In addition, Mr. Linneman will be paid in a single cash lump sum distribution, within ten calendar days, equal to the present value of the cash equivalent of the amount of benefits Mr. Linneman would have received if he was employed for 36 months following his termination of employment, and shall continue to participate in any benefit plans that provide non-taxable health (including medical and dental), life or similar coverage for 36 months upon terms no less favorable than the most favorable terms provided to senior executives during such period. In the event payments made to Mr. Linneman include an “excess parachute payment” as defined in Section 280G of the Internal Revenue Code, such payments will be cutback by the minimum dollar amount necessary to avoid this result.

Upon termination of Mr. Linneman for any reason, he must adhere to a two-year non-competition covenant.

All reasonable costs and legal fees paid or incurred by Mr. Linneman in any dispute or question of interpretation relating to the employment agreement will be paid by Cheviot Savings Bank, if Mr. Linneman is successful on the merits in a legal judgment, arbitration or settlement. The employment agreement also provides that Cheviot Savings Bank will indemnify the executive for certain liabilities and expenses as provided therein.

Change-in-Control Severance Agreements with Messrs. Kappa and Lenzer. Effective September 16, 2008, Cheviot Savings Bank entered into change in control severance agreements with each of Messrs. Lenzer and Kappa to provide benefits to each of them upon a change in control of either Cheviot Savings Bank or Cheviot Financial Corp. Each severance agreement provides for a three-year term. Additionally, on or before each anniversary date of the effective date of the severance agreement, the term of the agreement may be extended for an additional one-year period beyond the then effective expiration date upon a determination and resolution of the Board of Directors that the performance of the employee has met the requirements and standards of the board and that the term of the agreement should be extended. Under the severance agreement, if a change in control of Cheviot Savings Bank or Cheviot Financial Corp. occurs, Messrs. Lenzer and Kappa, if terminated or if each terminates his employment for “good reason” (as defined in the severance agreements) within 12 months after any change in control, will be entitled to receive a single cash lump sum distribution equal to two times the prior calendar year’s cash compensation paid to such executive by Cheviot Savings Bank. Such sum will be paid within 30 days following Messrs. Lenzer’s and Kappa’s date of termination. In the event payments made to Messrs. Lenzer and Kappa include an “excess parachute payment” as defined in Section

280G of the Internal Revenue Code, such payments will be cutback by the minimum dollar amount necessary to avoid this result.

401(k) Plan

Cheviot Savings Bank maintains the Cheviot Savings Bank 401(k) Retirement Savings Plan which is a qualified, tax-exempt profit sharing plan with a salary deferral feature under Section 401(k) of the Code (the "Code"). Employees who have attained age 21 and have completed one year of employment are eligible to participate. Employees are entitled to enter the 401(k) Plan on the first January 1 or July 1 occurring after the employee becomes eligible to participate in the 401(k) Plan.

Under the 401(k) Plan participants may elect to defer a percentage of their compensation each year instead of receiving that amount in cash equal to the lesser of (i) a maximum percentage of compensation as indicated in a notice received from the 401(k) Plan administrator or (ii) an indexed dollar amount set by the Internal Revenue Service, which was \$16,500 for 2011. In addition, for participants that are age 50 or older by the end of any taxable year, the participant may elect to defer additional amounts (called "catch-up contributions") to the 401(k) Plan. The additional amounts may be deferred regardless of any other limitations on the amount that a participant may defer to the 401(k) Plan. The maximum "catch-up contribution" that a participant can make in 2011 was \$5,500.

Each plan year (a calendar year), Cheviot Savings Bank will contribute to the 401(k) Plan the following amounts: (a) the total amount of the salary reduction a participant elected to defer; (b) in the discretion of Cheviot Savings Bank, a matching contribution equal to a percentage of the amount of the salary reduction a participant elected to defer; and (c) an amount equal to 3% of a participant's plan compensation (generally the sum of a participant's Form W-2 wages and other compensation for the year plus a participant's before-tax contributions to the 401(k) Plan and any other benefit plans of Cheviot Savings Bank, up to a legal limit (which was \$245,000 for 2011)) for the year plus 3% of a participant's plan compensation for the year in excess of 50% of the Social Security Taxable Wage Base for old-age retirement benefits for the year (\$53,400 for 2011) plus any additional amount that does not match a participant's salary reduction and that is determined by Cheviot Savings Bank in its discretion.

The 401(k) Plan permits employees to direct the investment of his or her own accounts into various investment options, including the opportunity to invest in Cheviot Financial Corp. common stock through the "Cheviot Financial Corp. Stock Fund." Each participant who directs the trustee to invest all or part of his or her account in the Cheviot Financial Corp. Stock Fund will have assets in his or her account applied to the purchase of shares of common stock. A participant will be entitled to direct the trustee as to how to vote his or her allocable shares of common stock.

Plan benefits will be paid to each participant in the form of a single cash payment at normal retirement age unless earlier payment is selected. If a participant dies prior to receipt of the entire value of his or her 401(k) Plan accounts, payment will generally be made to the beneficiary in a single cash payment as soon as possible following the participant's death. Payment will be deferred if the participant had previously elected a later payment date. If the beneficiary is not the participant's spouse, payment will be made within one year of the date of death. If the spouse is the designated beneficiary, payment will be made no later than the date the participant would have attained age 70 1/2. Normal retirement age under the 401(k) Plan is age 65. Early retirement age is age 55.

Employee Stock Ownership Plan and Trust

We implemented the Cheviot Financial Corp. Employee Stock Ownership Plan in connection with our initial public offering in 2004. Employees who are at least 21 years old, who have at least one year of employment with Cheviot Savings Bank and who have completed at least 1,000 hours of service, are eligible to participate. As part of the initial public offering in 2004, the employee stock ownership plan borrowed funds to purchase 357,075 shares of common stock. Collateral for the loan is the common stock purchased by the employee stock ownership plan. The loan is being repaid principally from the participating employer's discretionary contributions to the employee stock ownership plan over a period of up to 10 years. The loan bears interest at an annual percentage rate fixed at 4.0%. Shares

purchased by the employee stock ownership plan are held in a suspense account for allocation among participants as the loan is repaid.

Contributions to the employee stock ownership plan and shares released from the suspense account in an amount proportional to the repayment of the employee stock ownership plan loan are allocated among employee stock ownership plan participants on the basis of compensation in the year of allocation. Benefits under the plan are 100% vested upon completion of three years of credited service. A participant's interest in his or her account under the plan also fully vest in the event of termination of service due to a participant's early or normal retirement, death, disability, or upon a change in control (as defined in the plan). Vested benefits are payable in the form of common stock and/or cash. Contributions to the employee stock ownership plan are discretionary, subject to the loan terms and tax law limits. Therefore, benefits payable under the employee stock ownership plan cannot be estimated. Under generally accepted accounting principles, Cheviot Financial Corp. will be required to record compensation expense each year in an amount equal to the fair market value of the shares released from the suspense account for the year.

In the event of a change in control, the employee stock ownership plan will terminate and participants will become fully vested in their account balances.

In connection with the second step conversion of Cheviot Mutual Holding Company in January 2012 the employee stock ownership plan borrowed funds from us and used those funds to purchase an additional 187,000 shares of common stock, collateral for the loan is the common stock purchased by the employee stock ownership plan. The loan is being repaid from Cheviot Savings Bank's discretionary contribution to the plan over a 20 year period. The loan bears interest at a fixed rate of 3.25%. Shares are held in a suspense account for allocation to participants as the loan is repaid.

(1) All equity awards noted in this table were granted pursuant to the Cheviot Financial Corp. 2005 Stock-Based Incentive Plan, and represent all awards held at December 31, 2011 by Named Executive Officers. All equity awards noted on this table are fully vested.

(2) Does not reflect the changes in the number of shares underlying options or the option exercise price occasioned by the second step conversion of Cheviot Mutual Holding Company in January 2012. As a result of the second step conversions, both the number of stock options and the exercise price have been adjusted by the exchange ratio of 0.8570.

Plan-Based Awards. There were no grants of plan-based awards for our named executive officers in 2011 and 2010.

Stock Benefit Plans

Stock-Based Incentive Plan. The 2005 Cheviot Financial Corp. Stock-Based Incentive Plan (“Incentive Plan”) provides officers, employees and directors of Cheviot Financial Corp. or Cheviot Savings Bank with additional incentives to share in our growth and performance.

The Incentive Plan authorizes the issuance of up to 583,125 shares of our common stock pursuant to grants of incentive and non-statutory stock options, reload options or restricted stock awards, provided that no more than 166,607 shares may be issued as restricted stock awards, and no more than 416,517 shares may be issued pursuant to exercise of stock options.

Employees and outside directors and our subsidiaries are eligible to receive awards under the Incentive Plan.

The Compensation Committee may determine the type and terms and conditions of awards under the Incentive Plan. Awards may be granted in a combination of incentive and non-statutory stock options, reload options or restricted stock awards. Awards may include the following:

(i) **Stock Options.** A stock option gives the recipient or “optionee” the right to purchase shares of common stock at a specified price for a specified period of time. The exercise price shall not be less than the fair market value of the underlying common stock on the date the stock option is granted. Fair market value for purposes of the Incentive Plan means the average of the closing high bid and low asked price of the common stock as reported on the OTC Electronic Bulletin Board (or the average of the high and low quoted sales prices of the common stock on the Nasdaq Stock Market) on the day the option is granted or, if the common stock is not traded on the date of grant, the fair market value shall be determined by the Compensation Committee in good faith on an appropriate basis.

Stock options are either “incentive” stock options or “non-qualified” stock options. Incentive stock options have certain tax advantages and must comply with the requirements of Section 422 of the Internal Revenue Code. Only employees are eligible to receive incentive stock options. Shares of common stock purchased upon the exercise of a stock option must be paid for in full at the time of exercise (i) either in cash, check payable to Cheviot Financial Corp. or electronic funds transfer; or (ii) with stock of Cheviot Financial Corp. which was owned by the participant for at least six months prior to delivery; or (iii) by reduction in the number of shares deliverable pursuant to the stock option, or (iv) subject to a “cashless exercise” through a third party. Cash may be paid in lieu of any fractional shares under the Incentive Plan and generally no fewer than 100 shares may be purchased on exercise of an award unless the total number of shares available for purchase or exercise pursuant to an award is less than 100 shares. Stock options are subject to vesting conditions and restrictions as determined by the Compensation Committee.

(ii) **Reload Options.** Reload options entitle the holder, who has delivered shares that he or she owns as payment of the exercise price for option stock, to a new option to acquire additional shares equal in amount to the shares he or she has traded. Reload options may also be granted to replace option shares retained by the employer for payment of the option holder’s withholding tax. The option price at which additional shares of stock can be purchased by the option holder through the exercise of a reload option is equal to the market value of the shares on the date the original option is exercised. The option period during which the reload option may be exercised expires at the same time as that of the original option that the holder has exercised. Reload options issued on the exercise of incentive stock options may be incentive stock options or non-statutory stock options.

(iii) **Stock Awards.** Stock awards under the Incentive Plan will be granted only in whole shares of common stock. Stock awards will be subject to conditions established by the Compensation Committee which are set forth in

the award agreements. Any stock award granted under the 2005 Stock-Based Incentive Plan will be subject to vesting as determined by the Compensation Committee. Awards will be evidenced by agreements approved by the Compensation Committee which set forth the terms and conditions of each award.

Transferability of Awards. Generally, all awards, except non-statutory stock options, granted under the Incentive Plan will be nontransferable except by will or in accordance with the laws of intestate succession. Stock awards may be transferable pursuant to a qualified domestic relations order. At the Compensation Committee's sole discretion, non-statutory stock options may be transferred for valid estate planning purposes that are permitted by the Code and the Exchange Act. During the life of the participant, awards can only be earned by him or her. The Compensation Committee may permit a participant to designate a beneficiary to exercise or receive any rights that may exist under the Incentive Plan upon the participant's death.

Change in Control. Upon the occurrence of an event constituting a change in control of Cheviot Financial Corp. as defined in the Incentive Plan, all stock options will become fully vested, and all stock awards then outstanding shall vest free of restrictions. The conversion of Cheviot Mutual Holding Company was not considered a change of control.

Effect of Termination of Service. Unless the Compensation Committee specifies otherwise at the time an award is granted, upon the occurrence of the participant's termination of service due to death or disability, all unvested stock options and stock awards made to the participant will become fully vested. Subject to OTS regulations and policy (or the receipt of any required waivers from the OTS), and unless the Compensation Committee specifies otherwise at the time an award is granted, in the event of a normal retirement of a participant any unvested award of stock options and/or restricted stock shall become fully vested in the participant. Unless the Compensation Committee specifies otherwise, a person who is a member of the Board of Directors shall not be deemed to have retired until service as a director or director emeritus has ceased.

During the year ended December 31, 2011, directors received a \$17,800 annual retainer for board membership (on Cheviot Savings Bank), an additional \$2,500 retainer for membership on the Audit Committee and \$1,500 retainer for each membership on any other committee.

Compensation of Directors Who are Also Employees. During the year ended December 31, 2011, Mr. Linneman, the only director who is also an employee of Cheviot Financial Corp. or Cheviot Savings Bank, received \$17,800 in compensation for board membership (on Cheviot Savings Bank). Mr. Linneman did not receive any compensation for committee membership.

Director Plans

Stock Based Incentive Plan. The directors are eligible to participate in our Incentive Plan, described above in "Stock Benefit Plans – Stock-Based Incentive Plan." For the year ended December 31, 2011, Mr. Hausfeld was the only director to receive grants under this plan. Mr. Hausfeld received 1,800 shares in stock awards.

Directors Deferred Compensation Plan. Cheviot Savings Bank adopted, as amended and restated effective January 1, 2005, a directors deferred compensation plan as an additional benefit for its directors. Each person who was a member of the board on March 31, 2003 became a participant in the plan on such date. Any subsequent member of the board shall become a participant in the plan only if he or she is a member of the Board of Directors on the last day of the first plan year that ends after the date on which he or she completes ten years of service, which such date is designated as his or her participation date in the plan. After becoming a participant under the plan, a person remains a participant until the entire balance of his or her retirement benefit amount under the plan has been paid or forfeited under the terms of the plan.

The plan provides that upon the later of (i) the participant's 65th birthday, or (ii) the earlier of (a) the date on which the participant is no longer a member of the Board of Directors, or (b) the participant's 70th birthday, the participant will be entitled to a retirement benefit in the amount of \$11,400 per year, payable for ten years. A participant will have the right, within 30 days of joining the plan, to elect to be paid the retirement benefit above in the form of a single cash lump sum distribution. If a change in control occurs after the commencement of a participant's retirement benefit, any remaining installment payments will be paid in the form of a single cash lump sum distribution within 30 days following the effective date of the change in control. In the event a participant is entitled to receive the retirement benefit in the form of a single cash lump sum distribution, such benefit will be determined using a discount rate of 7%, compounded annually.

Cheviot Savings Bank recorded an expense of approximately \$27,900 for the directors deferred compensation plan for the year ended December 31, 2011.

A participant shall forfeit the entire balance of his or her account and any right to future payment of a plan benefit if he or she violates certain standards of conduct as set forth in the plan.

Certain Transactions With Related Persons

Cheviot Savings Bank's current policy is that no loans are to be extended to directors or executive officers of Cheviot Savings Bank without the approval of Cheviot Savings Bank's Board of Directors. Current directors, officers and employees are eligible for any type of credit offered by Cheviot Savings Bank. Federal regulations permit executive officers and directors to participate in loan programs that are available to other employees, as long as the director or executive officer is not given preferential treatment compared to other participating employees. In accordance with banking regulations, such loans to directors are made on substantially the same terms as those available to Cheviot Savings Bank's employees. Such loans provide for a discount as to interest rate, consistent with the requirements of the Federal Reserve Board's Regulation O. Loans made to directors or executive officers, including any modification of such loans, must be approved by a majority of disinterested members of the Board of Directors. As of December 31, 2011, there were a total of seven lending relationships with directors/officers of Cheviot Savings Bank with a total balance of approximately \$1.2 million. The loans made to directors and executive officers were made in the ordinary course of business and did not involve more than a normal risk of collectibility. Any future loans made to any directors, executive officers, officers or employees of Cheviot Savings Bank will be made under the same terms and conditions. Set forth below is information regarding the loans made to directors and executive officers during each of the last two fiscal years.

All transactions involving related parties require the approval of full Board of Directors.

Section 402 of the Sarbanes-Oxley Act of 2002 generally prohibits a company from extending credit, arranging for the extension of credit or renewing an extension of credit in the form of a personal loan to an officer or director of the company. There are several exceptions to this general prohibition, including loans made by an FDIC insured depository institution that is subject to the insider lending restrictions of the Federal Reserve Act. All loans to our directors and officers comply with the Federal Reserve Act and the Federal Reserve Board's Regulation O and, therefore, are excepted from the prohibitions of Section 402.

PROPOSAL 2 – RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee requests that shareholders ratify the Audit Committee’s selection of Clark, Schaefer, Hackett & Co. to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2012. THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE RATIFICATION OF THE SELECTION OF CLARK, SCHAEFER, HACKETT & CO. AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

Independent Registered Public Accounting Firm Fees

Audit-Related Fees consist of fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. This category includes fees related to audit and attest services not required by statute or regulations, acquisitions and investments, and consultations concerning financial accounting and reporting standards.

Tax Fees consist of fees for professional services for tax compliance, tax advice and tax planning. These services include assistance regarding federal and state tax compliance, return preparation and income tax audits.

All Other Fees. During 2011 all other fees included fees incurred in connection with our acquisition of Franklin Financial Corp and fees incurred in connection with our second step conversion and stock offering. During 2010 no fees were billed for products and services provided by the principal accountant, other than the services reported above.

The Audit Committee has considered whether the provision of non-audit services is compatible with maintaining the independence of Clark, Schaefer, Hackett & Co. and has concluded that it is.

Pre-approval Policies and Procedures. In accordance with rules adopted by the SEC in order to implement requirements of the Sarbanes-Oxley Act of 2002 and the Audit Committee’s charter, all audit and audit-related services

The Audit Committee has adopted policies and procedures pursuant to which audit, audit-related and tax services, and all permissible non-audit services, are pre-approved, and is informed of each service actually rendered that was approved through its pre-approval process. The Audit Committee pre-approved 100% of the audit related fees and tax fees described above during the fiscal years ended December 31, 2011 and 2010.

OTHER MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Directors, executive officers and greater than 10% shareholders are required by regulations of the SEC to furnish us with copies of all Section 16(a) reports they file. Such reports are filed on Forms 3, 4 and 5 under the Exchange Act. Based solely on our review of the copies of such forms received by us, we believe that during the year ended December 31, 2011, all such persons complied on a timely basis with the filing requirements of Section 16(a).

Shareholder Proposals for Next Year's Annual Meeting

Shareholder proposals intended for inclusion in next year's Proxy Statement should be sent to the Executive Secretary, Cheviot Financial Corp., 3723 Glenmore Avenue, Cheviot, Ohio 45211 and must be received by November 15, 2012. The notice with respect to stockholder proposals that are not nominations for director must set forth as to each matter such stockholder proposes to bring before the annual meeting: (i) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting; (ii) the name and address of such stockholder as they appear on Cheviot Financial Corp.'s books and of the beneficial owner, if any, on whose behalf the proposal is made; (iii) the class or series and number of shares of capital stock of Cheviot Financial Corp. which are owned beneficially or of record by such stockholder and such beneficial owner; (iv) a description of all arrangements or understandings between such stockholder and any other person or persons (including their names) in connection with the proposal of such business by such stockholder and any material interest of such stockholder in such business; and (v) a representation that such stockholder intends to appear in person or by proxy at the annual meeting to bring such business before the meeting.

The notice with respect to director nominations must include (i) as to each individual whom the stockholder proposes to nominate for election as a director, (A) all information relating to such person that would indicate such person's qualification under Article II, Section 12 of our Bylaws, including an affidavit that such person would not be disqualified under the provisions of Article II, Section 12 of the Bylaws and (B) all other information relating to such individual that is required to be disclosed in connection with solicitations of proxies for election of directors, or is otherwise required, in each case pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended, or any successor rule or regulation; and (ii) as to the stockholder giving the notice, (A) the name and address of such stockholder as they appear on Cheviot Financial Corp.'s books and of the beneficial owner, if any, on whose behalf the nomination is made; (B) the class or series and number of shares of capital stock of Cheviot Financial Corp. which are owned beneficially or of record by such stockholder and such beneficial owner; (C) a description of all arrangements or understandings between such stockholder and each proposed nominee and any other person or persons (including their names) pursuant to which the nomination(s) are to be made by such stockholder; (D) a representation that such stockholder intends to appear in person or by proxy at the meeting to nominate the persons named in its notice; and

(E) any other information relating to such stockholder that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Regulation 14A under the Exchange Act or any successor rule or regulation. Such notice must be accompanied by a written consent of each proposed nominee to be named as a nominee and to serve as a director if elected.

Nothing in this Proxy Statement shall be deemed to require us to include in our Proxy Statement and proxy relating to an annual meeting any stockholder proposal that does not meet all of the requirements for inclusion established by the Securities and Exchange Commission in effect at the time such proposal is received.

The 2012 Annual Meeting of Stockholders is expected to be held April 23, 2013. Accordingly, advance written notice for certain business, or nominations to the Board of Directors, to be brought before the next annual meeting must be received by our Secretary no earlier than January 24, 2013 and no later than February 2, 2013.
