RYANAIR - \$240M INVESTMENT IN NEW LIVERPOOL BASE

9 NEW EUROPEAN ROUTES FROM LIVERPOOL
TO FRANCE - IRELAND - ITALY - SPAIN

Ryanair, Europe's No.1 low fares airline, today (Monday, 22nd November 2004) announced it's 12th European base at Liverpool's John Lennon Airport with an investment of \$240M in 4 new Boeing 737-800 series aircraft and 9 NEW European routes from Liverpool to:

NEW ROUTES:

BARCELONA (REUS)	LIMOGES	PISA
CORK	MURCIA	SHANNON
GRANADA	NIMES	VENICE

CURRENT ROUTES:

BARCELONA (GIRONA)	DUBLIN	MILAN	ROME

Ryanair, which began services at Liverpool in 1988, already operates 14 daily international flights from Liverpool to Barcelona (Girona), Dublin, Milan and Rome. Over the next 12 months Ryanair will carry 1.4M passengers to/from Liverpool, saving consumers over EUR30M on high fares charged by Easyjet. This new base announcement and massive increase in routes, destinations and passenger numbers is also good news for the local economy too, because it will create and sustain over 1000 new jobs in the Liverpool area.

Also today, Ryanair announced new daily routes from Blackpool to Barcelona and Pisa to Barcelona. Ryanair already operates two successful routes from Blackpool to Dublin and London Stansted, and 5 daily routes from Pisa to Brussels, Glasgow, Hamburg, Frankfurt Hahn and London Stansted.

Announcing Ryanair's 12th European base in Liverpool today, Ryanair's CEO Michael O'Leary said:

"Consumers from Merseyside using Liverpool's John Lennon Airport now have a real low fares airline offering fares that are almost half the price of Easyjet, serving 13 destinations throughout Europe and delivering unbeatable punctuality, and that's Ryanair."

"Our message to Easyjet is simple - You can't match Ryanair's low fares and you can't match Ryanair's punctuality and customer service either."

"These new routes from Liverpool, with fares from an incredible GBP2.99 (excl. taxes) are available for booking right now, at www.ryanair.com, Europe's biggest travel website."

Neil Pakey, Managing Director of Liverpool John Lennon Airport commented:

"Ryanair's committment is a clear 'coming of age' for Liverpool John Lennon Airport bringing an additional 1 million passengers through the Airport next year. Liverpool is clearly seen by the airline industry as a gateway airport for the North of England and in particular for the low cost airline market. Ryanair's decision to base four aircraft here will bring significant benefits for the North West including around 1000 jobs being created in the region's economy."

"In addition, Liverpool's Capital of Culture status is further enhanced as more Europeans will be able to visit Merseyside via convenient direct flights and importantly with low fares."
